# Q1 Aireys Inlet to Eastern View has developed significantly over the past 30 years. Do you wish to see further development?

Answered: 395   Skipped: 3

A great deal

None at all

Minor only

ANSWER CHOICES	RESPONSES	
A great deal	4.30%	17
Minor only	71.14%	281
None at all	24.56%	97
TOTAL		395

Aireys Inlet District - survey 2020

#	SHORT COMMENTS?	DATE
1	development should improve health of environment and quality of life	12/20/2020 9:23 PM
2	This question is very vague	12/15/2020 9:04 AM
3	We have a home at Fairhaven and love the minimal development. That is why we live here	12/14/2020 10:25 PM
4	Maintain the integrity of the landscape	12/14/2020 2:29 PM
5	I think this question is " loaded" Big difference b/w "A great deal" & "minor only" Sensible development is essential	12/14/2020 1:27 PM
6	Only development should be a win to the environment and the residents	12/13/2020 3:02 PM
7	I think most of the development is adequite	12/12/2020 9:57 PM
8	It's sad to see the hill views starting to look like housing estates	12/12/2020 8:30 PM
9	Recreational areas for pony club and horse riding	12/7/2020 9:03 PM
10	Thoughtful, controlled and considered development	12/1/2020 6:52 PM
11	Maintain township boundaries.	12/1/2020 6:10 PM
12	Minimal development ensuring retention of neighborhood character	11/30/2020 9:26 PM
13	The environmental values are the attraction	11/29/2020 10:49 PM
14	It is not possible to have no change but the aim should be to keep the character and amenity of Aireys	11/29/2020 4:05 PM
15	Maintain low key character	11/29/2020 11:17 AM
16	Development is a necessary part of the Region's health	11/29/2020 9:09 AM
17	People need to be able to adjust their property to reflect the different need is their families	11/28/2020 5:30 PM
18	Need to support enough development to encourage regular family visits.	11/28/2020 6:11 AM
19	Move the Arch to a town where visitors might contribute one dollar worth of financial gain and at the same time reduce destruction and littering of dunes and vegetation between Fairhaven and Spout Creek	11/27/2020 8:48 PM
20	I would only agree to further works to enhance the safety of the residents.	11/27/2020 7:28 PM
21	no more motels, hotels or skyscrapers	11/27/2020 7:24 PM
22	Beautiful as it is. Doesn't need a thing	11/26/2020 9:43 PM
23	Need to maintain Aireys as a unique natural environment between the larger developed townships of Anglesea and Lorne	11/23/2020 2:06 PM
24	I favour development consistent with the rural feel, and low height.	11/22/2020 5:58 PM
25	Too much development will destroy the character of Aireys	11/22/2020 4:15 PM
26	Keep low population numbers	11/21/2020 1:04 PM
27	Significant uncontrolled development would spoil what is most attractive about the town. There are precious few low key, traditional seaside villages left along our coast.	11/19/2020 5:10 PM
28	to see necessary amenity for community to age in place and sustain community connections	11/16/2020 6:31 PM
29	No more houses. Just improve facilities	11/14/2020 3:49 PM
30	The issue is not the amount of development but what type is permitted.	11/13/2020 12:53 PM
31	There is very little commercial land left to develop, and all other land should be protected.	11/13/2020 10:26 AM
32	At most some improvements to existing buildings or improvement to roads (sealing some more) and greater provision of pedestrian footpaths or walking tracks for safety.	11/12/2020 5:03 PM
33	Moderate	11/12/2020 4:29 PM

34	appropriate environmentally sensitive	11/12/2020 12:19 PM
35	sensitive to the environment and landscape	11/11/2020 8:25 PM
36	The huge advantage to the AIDA District is that it is readily accessible to both the beach and the natural bush. The bush is full of wildlife and we do not want to lose that advantage.	11/11/2020 6:49 PM
37	Maintain the town boundary as it exists and only allow development of further subdivisions/multi- unit development on appropriately sized blocks to maintain existing urban character	11/10/2020 4:25 PM
38	I think the towns population growth post covid will be a factor that may require some further tweaks development wise. Bottom shops still needs a tidy up.	11/10/2020 12:39 PM
39	The last thing we need is further development and more people. It's a coastal environment that needs to be conserved.	11/10/2020 8:52 AM
40	Happy with housing density and number of shops	11/9/2020 9:09 PM
41	Major development would impact the natural environment	11/9/2020 2:04 PM
42	With preservation of the neighbourhood amenity and awareness of environmental safeguards.	11/8/2020 5:07 PM
43	Seek to maintain the existing particular character	11/5/2020 2:30 PM
44	This is a misleading question - the boundary's are set but what has been developed can be re-developed - it is heights that are critical; cause there are plenty of things that should not have been constructed "Inlet beach apartments" for one	11/4/2020 1:47 PM
45	Public infrastructure which protects the environment and supports increased tourism demand and any permanent population growth post covid. Walking track around painkalac creek	11/2/2020 10:14 AM
46	No real "development". Only refining and improving local character.	10/30/2020 5:12 PM
47	No extension to existing town boundaries and all developments to be in keeping with Council structure plan, environmental and development overlays in order to maintain and protect the low-key, coastal village community that everyone loves for its magnificent landscape and cultural features, ie natural and wild beaches, heathland and forests.	10/30/2020 9:46 AM
48	The natural landscape should always be dominant to the built landscape.	10/29/2020 4:07 PM
49	and very sensitive to eco system	10/29/2020 2:17 PM
50	We need a few more services like supermarket for those of us that are getting older and don't want to drive too far	10/29/2020 1:56 PM
51	The town is losing its feeling and becoming another Anglesea or Lorne. Further development will turn it into another torquey	10/29/2020 11:25 AM
52	Keep the character but look to improve livability.	10/28/2020 7:17 AM
53	Think there is always room for appropriate, sustainable development.	10/27/2020 4:13 PM
54	Upgrades to walking paths	10/27/2020 2:34 PM
55	necessary renovations, such as recently done by Great Escape Books	10/26/2020 10:31 AM
56	I feel that we need to be very careful about the sorts of development	10/25/2020 4:59 PM
57	Must be discreet and not high rise	10/23/2020 7:09 PM
58	i'm okay with further development, but low rise, houses, etc, not large format things	10/23/2020 5:26 PM
59	Community-based development only (community needs)	10/23/2020 4:35 PM
60	We need Green Development - Time to really Build for a Sustainable Future	10/23/2020 11:43 AM
61	Footpaths would be nice. Perhaps more buses.	10/22/2020 7:19 PM
62	Done tastefully. Not like the tacky overdevelopment we are seeing now.	10/22/2020 6:35 PM
63	Continued conservation projects and walking track/access projects.	10/22/2020 11:54 AM
64	No expansion of town boundaries. Some infill of larger blocks may be desirable to cater for	10/21/2020 7:18 PM

increased population demand and encourage new/younger families to live/work here. Make sure all new housing is sustainable (including sourcing of materials) and adapted to reduce changing climate. Reduce size of individual housing footprint and heights.

65	Over development is a real concern.	10/21/2020 5:05 PM
66	Just tidying up and fixing existing Is	10/21/2020 3:56 PM
67	Too much with the narani estate. Homes too close to each other. No more	10/20/2020 10:54 PM
68	Keep a balance between the community areas and the natural areas	10/20/2020 10:33 PM
69	development should only occur sustainably - regarding the environment	10/20/2020 9:58 PM
70	how about moderate responsible development. loaded answers and poorly designed question.	10/20/2020 9:08 PM
71	Difference between minor and a great deal too vast maybe medium - it's put your head in the sand if you think it will stay the same forever - and why wouldn't more people want a piece of paradise but those who are here first say sorry it's taken	10/20/2020 8:33 PM
72	Keep the bush	10/20/2020 7:48 PM
73	infrastructure for the growing population	10/20/2020 7:45 PM
74	The charm of Aireys is the rustic charm it's maintained by not having significant developments	10/20/2020 7:17 PM
75	A little development is ok in terms of improving facilities and maintenance.	10/20/2020 5:32 PM
76	Loosing the village atmosphere due to the large houses being developed.	10/20/2020 5:03 PM
77	minimal 'development', rather maintaining the environment and facilities	10/20/2020 4:55 PM
78	low key village environment is key	10/20/2020 4:44 PM
79	Needs to be environmentally friendly	10/20/2020 3:39 PM
80	there is limited space and the impact on near pristine environment	10/20/2020 3:28 PM
81	Only after meaningful consultation and not to bring back previously considered and rejected proposals such as the oval.	10/20/2020 3:21 PM
82	This area has remained a haven for wildlife and too much development might spoil this.	10/20/2020 2:44 PM
83	Within the current planning guidelines is fine - problem is people with money go to VCAT and get decisions from the shire overturned	10/20/2020 2:21 PM
84	A footpath connecting Eastern View via Moggs and Fairhaven to Aireys would be great.	10/20/2020 1:56 PM
85	Very Very Minor. Only on already subdivided blocks with no further subdivision allowed.	10/20/2020 1:52 PM
86	I am already very concerned, and directly impacted by, the development of very large, overbearing flashy airbnb style homes on relatively small blocks.	10/20/2020 1:10 PM
87	increased housing density eg dual occupancy near the beach	10/20/2020 9:21 AM
88	Evolution to a sustainable future	10/19/2020 10:26 PM
89	It could easily lose it's natural attractiveness	10/19/2020 9:27 PM
90	Very crowded in summer	10/19/2020 5:28 PM
91	There needs to be a sustainable balance. Anglesea, Loren and Torquay have been destroyed beyond redemption by overdevelopment.	10/19/2020 4:34 PM
92	What do you mean by "Development:? Public infrastructure? Housing? Shops? I have different views on all of these.	10/19/2020 3:23 PM
93	Good to roll back if possible. Development needs to be part of a plan for the whole region.	10/19/2020 1:54 PM
94	Not sure what you mean by developed	10/19/2020 12:47 PM
95	SElfish of me, but retaining the village atmosphere is important	10/19/2020 12:28 PM
96	Development should be within the limitations posed by a fragile environment and the effects of	10/16/2020 11:51 AM

climate change..

Q2 Should the area be promoted for more tourist development?

Answered: 394   Skipped: 4
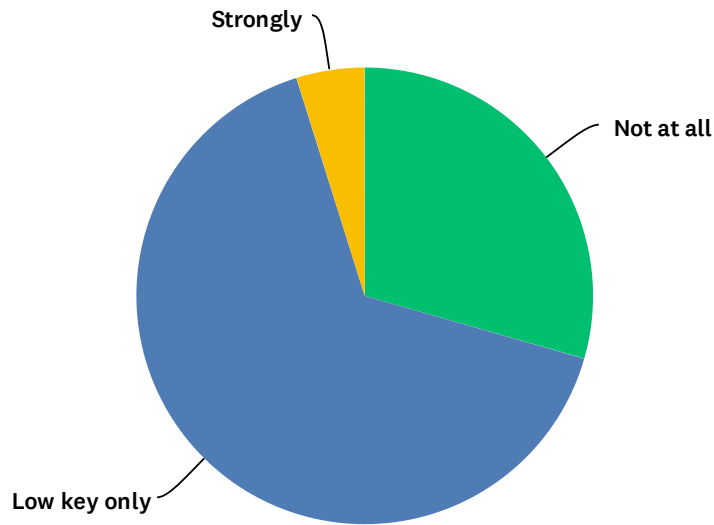

ANSWER CHOICES	RESPONSES

Aireys Inlet District - survey 2020

#	SHORT COMMENTS?	DATE
1	support nature-based tourism that improves ecology, appreciates/educates on environment and indigenous culture	12/20/2020 9:23 PM
2	For local businesses tourism is important. However the focus should be on eco tourism	12/19/2020 9:07 PM
3	mountain bike trails, for one example, would generate 'good' tourism.	12/19/2020 6:23 PM
4	only improvements as required for safety around the GOR sign	12/15/2020 9:04 AM
5	I think that there is enough tourist development at the moment. A good balance.	12/14/2020 10:25 PM
6	we need approriate facilities to compensate for the influx of tourists and road safety and parking are issues	12/14/2020 2:29 PM
7	Again, I believe the questions are emotive to get the required answers	12/14/2020 1:27 PM
8	I think the area has enough of a following without the need to promote it too much. Obviously some promotion that is beneficial to the local businesses without creating change that would take away from the quieter nestled town that Aireys had always been.	12/13/2020 3:02 PM
9	Only when there are facilities paid for by tourists	12/1/2020 6:52 PM
10	Does not have the capacity to support more tourist numbers, natural environment already suffering	12/1/2020 12:08 PM
11	It is inappropriate to promote strngly, the values are easily lost	11/29/2020 10:49 PM
12	See previous comment	11/29/2020 4:05 PM
13	A place like Aireys does need additional tourist promotion	11/29/2020 11:17 AM
14	This survey is poorly designed with a clear agenda emerging, there should be a medium option	11/29/2020 9:09 AM
15	Too many tourists destroy the reason people choose to visit the region	11/28/2020 5:30 PM
16	And fit them in where? Move them on.	11/27/2020 8:48 PM
17	There is enough at present and the coastal area is close enough to the city for most tourist attractions.	11/27/2020 7:28 PM
18	there is enough	11/27/2020 7:24 PM
19	focus on environmental / natural attractions tourism	11/23/2020 2:06 PM
20	Infrastructure to be developed consistent with vistor estimates	11/22/2020 5:58 PM
21	Active tourism with minimal further infrastructure needed.	11/22/2020 4:15 PM
22	Only one road in and out and already congested	11/21/2020 1:04 PM
23	Tourist promotion should focus on spreading visitation through the year, rather than increasing the burden over the short summer holiday period.	11/19/2020 5:10 PM
24	There is plenty with not enough facilities to support anymore. As it is there isn't parking for buses, no toilets at the Lighthouse, and the operators at the Lighthouse don't manage it properly, instead milking it, & making it an embarrassment with blaming the community and council for not supporting it enough	11/17/2020 10:18 PM
25	We need to beautify the town Signage audits. Infrastructure. Great use of communication boards to assist visitors	11/17/2020 11:59 AM
26	the area is at capacity - any more will damage the environment	11/16/2020 6:31 PM
27	Has Aireys reached its carrying capacity?	11/16/2020 9:32 AM
28	It will be substantial in any case so active input will be necessary.	11/13/2020 12:53 PM
29	Aireys Inlet and other coastal towns benefit very little if at all from the bulk of tourists who travel to and from the Twelve Apostles. We should be encouraging tourists to stay longer at destinations.	11/13/2020 10:26 AM
30	We are getting more and more tourists without any need for added promotion.	11/12/2020 5:03 PM

| 31	Depends on type of development	11/12/2020 4:29 PM
32	not huge numbers	11/12/2020 12:19 PM
33	The roads are not capable of handling huge numbers of cars and trucks without loss of amenity for those living in the chain of small towns.	11/11/2020 6:49 PM
34	Proportionate to size & character of Aireys. Nothing that would make Aireys a major tourism destination	11/10/2020 4:25 PM
35	Yes, it allows for local jobs	11/10/2020 12:39 PM
36	This beutiflul place cannot be ruined by torism and people who view it as a money opportunity.	11/10/2020 8:52 AM
37	Not for development but happy for stay, enjoy and learn about the natural environment	11/9/2020 9:09 PM
38	Important to preserve the natural environment	11/9/2020 2:04 PM
39	Slow tourism that utilises the attributes of the area: walking, hiking, canoeing, appreciation of the flora and fauna of the area.	11/8/2020 5:07 PM
40	Amenities e.g toilets limited This was a very obvious issue before tourism lockdown	11/5/2020 8:42 PM
41	And now with the reduced numbers and with Melbourne about to open up; I feel is a prime time to revisit, review now that the buses are off the road	11/4/2020 1:47 PM
42	Only tourism that can take its time and engage - that would be able to visit across the year $ enjoy the seasons. Nature-based would be a strong fit	11/1/2020 10:26 AM
43	Slow tourism. A walking (and swimming) destination.	10/30/2020 5:12 PM
44	Small group, walking tourism. If promoted to mass tourism, the beauty and fragility of our area of the coast will be threatened. The natural environment is what is valued not built environments.	10/30/2020 9:46 AM
45	there is insufficient amenities to cope with increased tourism	10/29/2020 7:55 PM
46	I think the pre Covid-19 volume of tourists was at it's peak.	10/29/2020 4:07 PM
47	The area cannot handle anymore tourists. The top shop car park can't handle the amount of people and the great ocean road becomes a nightmare	10/29/2020 11:25 AM
48	It's the peacefulness compared to other towns along the GOR that make Aireys so unique	10/27/2020 7:57 PM
49	The great ocean road was put in as a tourist drive. The first blocks ever divided in aireys inlet were for tourism	10/27/2020 4:13 PM
50	Nature-based, adventure based, cultural & community based	10/23/2020 4:35 PM
51	Slow, nature sensitive, regenerative tourism	10/23/2020 11:43 AM
52	We already have enough people visiting.	10/22/2020 6:35 PM
53	Marine Tourism focus	10/21/2020 8:04 PM
54	We should only attract tourists who want to stay and enjoy a holiday in a low-key coastal village and appreciate the natural wonders already on offer	10/21/2020 7:18 PM
55	Longer stays tourism rather than drive through which does not benefit the local community but puts pressure on infrastructure	10/21/2020 5:05 PM
56	Enough people come here as is	10/21/2020 3:56 PM
57	Keep it how it is.	10/21/2020 1:39 PM
58	It is important to share the area and develop and support appropriate resources but not ruin what people come to see. The Shire needs to work out how to get revenue from tourism to support the resources	10/20/2020 10:33 PM
59	what does this mean? promoted to who? developers? visitors. another poorly designed question.	10/20/2020 9:08 PM
60	Tourism impacts for about 2-3 months a year rest of the time it's why we live here	10/20/2020 8:33 PM

61	businesses wont survive without tourists	10/20/2020 7:45 PM
62	Yes sustainable only and will provide some employment opportunities to local people.	10/20/2020 7:27 PM
63	The lighthouse and natural beauty of this area is what makes it special. It's enough.	10/20/2020 7:17 PM
64	It doesn't really have the infrastructure for huge tourism, but a healthy tourist flow is needed for local businesses and also to ensure the area stays "on the radar" for government funding for facilities and conservation.	10/20/2020 5:32 PM
65	Nothing "multi"	10/20/2020 5:21 PM
66	Focus on beach and healthy activities.	10/20/2020 5:03 PM
67	We struggle to deal with the numbers we have outside Covid-19.	10/20/2020 4:55 PM
68	The attractions are small scale and should not be overwhelmed	10/20/2020 4:44 PM
69	local shops need the income from visitors but not large bus loads	10/20/2020 3:28 PM
70	The GOR is already well known and the balance between tourism and residential is good as it is.	10/20/2020 3:21 PM
71	The lighthouse, beaches, sanctuary, marine park and walks are already amazing tourist attractions. These need to be maintained.	10/20/2020 2:44 PM
72	There have been some great additions recently to the town like mini golf and new cafe's	10/20/2020 2:21 PM
73	We will get tourists anyway because of the GOR so no additional promotion is needed.	10/20/2020 1:52 PM
74	eco tourism and conservation	10/20/2020 9:21 AM
75	at carrying capacity already	10/19/2020 10:27 PM
76	Balance of opposing interests between residents and tourists.	10/19/2020 10:26 PM
77	Limited visitors are good for local businesses. The coaches tend to go straight through.	10/19/2020 9:27 PM
78	Recreational walking tracks connecting points of interest, shops and medical sites and along the Painkalac	10/19/2020 5:31 PM
79	Again, I don't understand the question. Promoted how? What kind of development? Toilets, yes, High-rises, no. Bike paths, limited.	10/19/2020 3:23 PM
80	Should be part of the regional plan and no in isolation.	10/19/2020 1:54 PM
81	Promotion for Sustainable tourism where people actually stay in the area and spend money there for local traders, not just pass through and give their $$ to companies with no links to the local community.	10/19/2020 12:50 PM
82	Not sure what you mean by devleopment	10/19/2020 12:47 PM
83	only because I know many businesses depend on it	10/19/2020 12:28 PM
84	Tourism to support our local businesses should encourage short and long term stays that involve slow tourist activities.	10/16/2020 11:51 AM
85	Limited regenerative tourism could be developed, but would need to be stringently managed	10/14/2020 9:02 AM

Q3 Which of the following terms do you most associate with the Aireys district (tick as many as appropriate) ?

Answered: 397   Skipped: 1
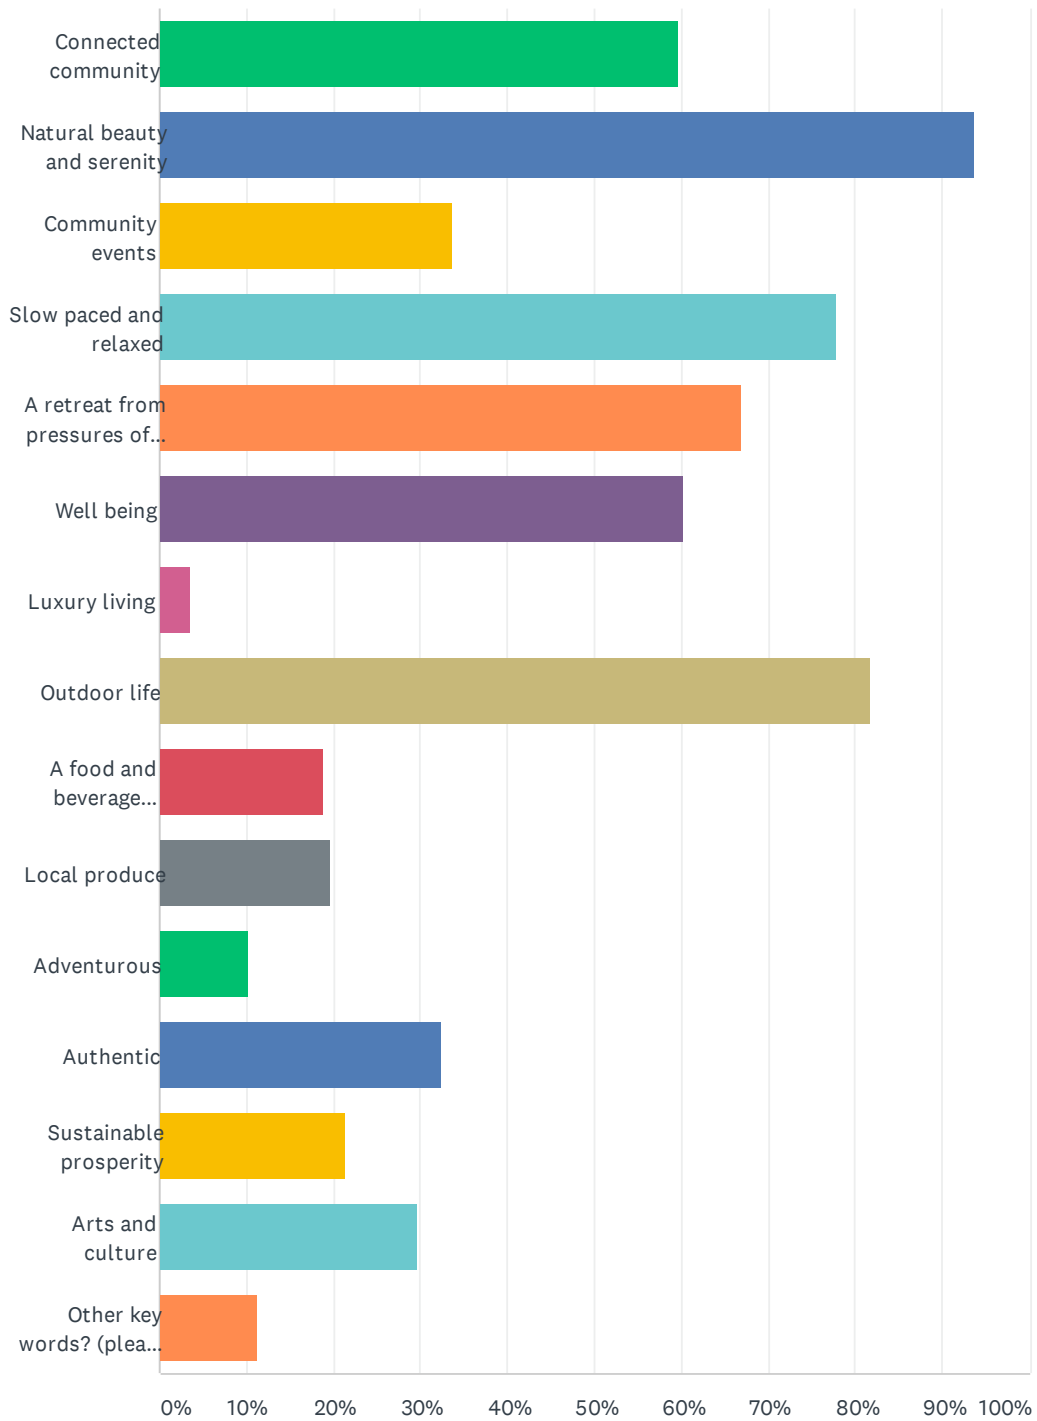

Aireys Inlet District - survey 2020

ANSWER CHOICES	RESPONSES	
Connected community	59.70%	237
Natural beauty and serenity	93.70%	372
Community events	33.75%	134
Slow paced and relaxed	77.83%	309
A retreat from pressures of city living	67.00%	266
Well being	60.20%	239
Luxury living	3.53%	14
Outdoor life	81.86%	325
A food and beverage attraction	18.89%	75
Local produce	19.65%	78
Adventurous	10.33%	41
Authentic	32.49%	129
Sustainable prosperity	21.41%	85
Arts and culture	29.72%	118
Other key words? (please specify)	11.34%	45
Total Respondents: 397		

#	OTHER KEY WORDS? (PLEASE SPECIFY)	DATE
1	big sky forest and beach, small wildflowers, birds, walking, surfing and kayaking	12/20/2020 9:23 PM
2	Beach	12/19/2020 9:07 PM
3	beaches. views. bird life. kangaroos. SPACE.	12/19/2020 6:23 PM
4	surf club	12/15/2020 9:04 AM
5	Unique	12/13/2020 3:02 PM
6	Family	12/13/2020 9:55 AM
7	Not busy like every where else	12/13/2020 9:50 AM
8	Ponies and horses, need a pony club	12/7/2020 9:03 PM
9	Ocean & beach activities	12/1/2020 11:26 AM
10	Bushland, coast, nature	11/30/2020 10:01 AM
11	superb scenery, extreme environmental values	11/29/2020 10:49 PM
12	Walking and natural beauty such as indigenous flora	11/29/2020 4:05 PM
13	It was once associated with many of these benefits. The past 5 years has seen much compromising of the district's appeal	11/27/2020 8:48 PM
14	Natural environment - healthy ecosystems, unspoilt coastline	11/22/2020 4:15 PM
15	beach	11/21/2020 2:42 PM
16	Beach activities	11/21/2020 1:04 PM

| #	YOU CAN ADD A SHORT COMMENT TO EXPLAIN	DATE
1	There may be opportunities for small scale development, but I would not like to see large scale development	2/2/2021 11:39 AM
2	If more residential property is approved then the surrounding infrastructure may need to be improved: e.g: roads. mans for what's reason? They can go to Torquay, Armstrong Creek etc	12/19/2020 9:07 PM
3	There is enough land still being used for new housing. Further development would be detrimental to the Aireys lifestyle and of course the environment	12/13/2020 3:02 PM
4	I don't believe we need to compete with the largest areas !	12/12/2020 9:57 PM
5	Once we lose the green areas we can't get them back! Also essential to have a place for our local animals to share with us	12/12/2020 8:30 PM
6	As in most areas of significant natural environment urbanisation destroys the value of the area.	12/1/2020 12:08 PM
7	and not in flood-prone areas	11/30/2020 10:01 AM
8	this is imperative	11/29/2020 10:49 PM
9	This is crucial to preserve the current sense of community and relaxed atmosphere. We do not need to become another Torquay or Lorne	11/28/2020 8:55 PM
10	The footprint of the town is sufficient to allow development & new residents	11/28/2020 5:30 PM
11	Be brave and draw the line before it's all too late	11/27/2020 8:48 PM
12	keep National park boundaries	11/27/2020 7:24 PM
13	So that the environment that people choose to go there for is not destroyed	11/25/2020 5:56 PM
14	Definitely	11/17/2020 10:18 PM
15	Is there any other answer to this question?	11/16/2020 6:31 PM
16	No more houses	11/14/2020 3:49 PM
17	We MUST protect the natural environment from further degradation.	11/13/2020 10:26 AM
18	There is absolutely no argument that could be put forward to justify more residential development. The only reason would be for someone trying to gain added profits. rf	11/12/2020 5:03 PM
19	Need to protect the natural environment.	11/11/2020 8:25 PM
20	Yes, and overdevelopment of existing blocks must be resisted or the quality of life will be the loser. This is where AIDA has been so good in policing and being willing to go to Council and VCAT to protect the agreed planning provisions, even "minor" issues like fencing that does the job but is not a solid wall hiding what is behind the fence from the outside world.	11/11/2020 6:49 PM
21	Promote renewal of existing including unoccupied properties	11/9/2020 2:04 PM
22	We chose to live in Anglesea because it was surrounded by State park	11/8/2020 10:46 PM
23	A fragile environment that needs to be protected.	11/8/2020 5:07 PM
24	There should be a policy of up-grading current housing and allowing granny flats and tiny houses to be incorporated on residential blocks.	11/3/2020 8:27 AM
25	The area is bounded by national park and this MUST be maintained. NO development on floodplains	11/2/2020 10:14 AM
26	Aireys Inlet, Fairhaven and Moggs have clearly defined limits, which should be enforced.	10/30/2020 5:12 PM
27	There should be no expansion of the existing approved residential areas, nor over-development of existing sites.	10/30/2020 9:46 AM
28	however should be limited to government supported, low cost housing for families in order to support ongoing community facilties such as the school	10/29/2020 7:55 PM
29	Built areas should not dominate the landscape.	10/29/2020 4:07 PM
30	The town will lose its feeling and become unattractive	10/29/2020 11:25 AM

31	The existing settlement will be difficult to protect from bushfires	10/26/2020 10:31 AM
32	Future development is inevitable but let's slow it as much as possible please	10/24/2020 10:23 AM
33	Other available land is native bush or floodplain. Neither are good to build on	10/21/2020 8:04 PM
34	Happy to see low-key residential development that is environmentally sustainable, does not impact coastal character of town, and supports new families moving into town - or provides better accommodation options for ageing community	10/21/2020 7:18 PM
35	We are fortunate in Moggs Creek to have single dwelling only all blocks which has been a huge benefit, whilst there has been individual over sized dwellings on some blocks this would have been much worse if multiple dwellings had been approved. So the areas outside Moggs Creek/Eastern View is at risk of over development	10/21/2020 5:05 PM
36	NEVER give our parks away	10/21/2020 1:39 PM
37	Yes but zero sub division. Would be a shame to have town houses like Anglesea	10/20/2020 10:54 PM
38	we need to maintain the environment	10/20/2020 9:58 PM
39	Again it's not fair for those in first to say sorry you can't come in because we're full - there are still opportunities for minor subdivisions in Aireys	10/20/2020 8:33 PM
40	Growing families need to be able to build and stay in the area with some affordability. New development areas would help this	10/20/2020 8:19 PM
41	Need to leave as much natural bushland as possible	10/20/2020 7:45 PM
42	But with the Otways so close a natural boundary will limit expansion	10/20/2020 6:12 PM
43	I'm not convinced we need more development in terms of housing.	10/20/2020 5:32 PM
44	For the time being	10/20/2020 5:21 PM
45	Council Planning Regulations must be adhered to.	10/20/2020 5:03 PM
46	Undeveloped hinterland is crucial to the setting	10/20/2020 4:44 PM
47	The current level of housing blocks is sufficient more will ruin the current balance of houses and natural environment	10/20/2020 3:28 PM
48	No more habitat loss.	10/20/2020 3:21 PM
49	Over development would make it to much like suburbia. Anglesea and Torquay are evidence of this.	10/20/2020 2:44 PM
50	Reinforces my answer to question 1.	10/20/2020 1:52 PM
51	allow increased density near the beach eg dual occupancy	10/20/2020 9:21 AM
52	No further encroachment into coastal and bush land areas.	10/19/2020 10:26 PM
53	Further development will destroy the special nature of the district	10/19/2020 1:48 PM
54	But consideration should be given to wether they could be expanded	10/19/2020 1:24 PM
55	DEFINITELY!!!!	10/19/2020 12:28 PM
56	The sustainability of the environmental draw cards will be put at risk if residential development is allowed to encroach on our pristine environment.h	10/16/2020 11:51 AM

Q5 Should the district be conserved for its natural beauty and serenity as an alternative to big-city living

Answered: 392   Skipped: 6

No need for conservation

Some areas set aside
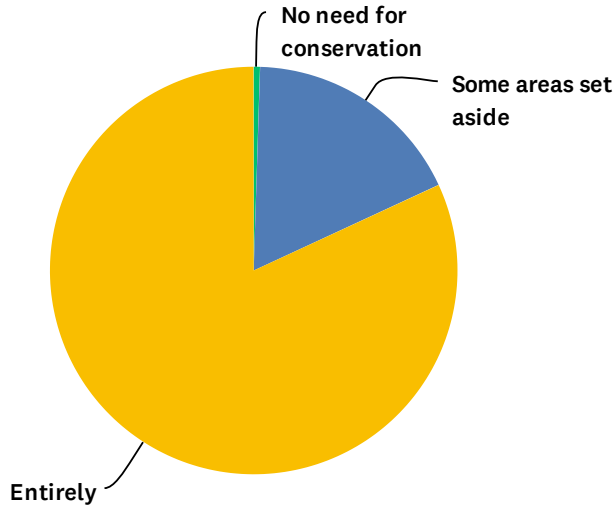

Entirely

ANSWER CHOICES	RESPONSES	
No need for conservation	0.51%	2
Some areas set aside	17.60%	69
Entirely	81.89%	321
TOTAL		392

| #	SHORT COMMENTS?	DATE
1	Fire breaks. Clearing of overgrown vegetation. Back-burning regularly	12/19/2020 3:34 PM
2	with sensible exceptions	12/15/2020 9:04 AM
3	Most definitely it needs to be preserved. Otherwise we just become an extension of Geelong.	12/13/2020 3:02 PM
4	No more building, however add in horse and pony activity	12/7/2020 9:03 PM
5	Larger urban growth centres nearby, retain the "sleepy hollow" feeling	11/30/2020 9:26 PM
6	Can never be replaced if it becomes over developed	11/29/2020 10:49 PM
7	This is the greatest quality of the district - the bush, the coast and the national park.	11/29/2020 9:57 PM
8	There is no going back on the current level of development so entirely is not feasible. But from here, from here on, all emphasis should be on conservation	11/29/2020 11:17 AM
9	However, conservation is at the same time the alternative attraction!	11/27/2020 8:48 PM
10	Not sustainable if developed	11/21/2020 1:04 PM
11	Pockets of unsympathetic developments would threaten the whole.	11/19/2020 5:10 PM
12	This is why people come here and enjoy it. There is already feedback about how it is departing from this and has over the last 8 years to the detriment of the area	11/17/2020 10:18 PM
13	You need to be clearer here regarding precincts. Communities need infrastructure	11/17/2020 11:59 AM
14	That is its appeal and need to be protected	11/16/2020 6:31 PM
15	This is an oddly phrased question	11/16/2020 9:32 AM
16	Healthy ecosystems require a great deal more space than we allow. We cannot afford to degrade our surroundings further.	11/13/2020 10:26 AM
17	if the natural environment is the attraction. If this is lost then you might as well live and holiday at the Gold Coast/St Kilda..	11/11/2020 8:25 PM
18	The district is vulnerable to exploitation. An organisation like AIDA is needed to protect the land from being exploited, undivided into ever smaller lots and devegetated.	11/11/2020 6:49 PM
19	Aireys is a rare place on the surf coast. Its character and amenity must be preserved	11/11/2020 6:24 PM
20	Its the most important thing to conserve nature.	11/10/2020 8:52 AM
21	It is only a small pocket therefore deserves conservation for flora and fauna	11/9/2020 2:04 PM
22	The COVID 19 lockdown has certainly indicated that Melbourne city people feel the need to escape to areas such as Aireys Inlet.	11/8/2020 5:07 PM
23	Once again a misleading question - all areas set aside for all to utilise - like the Dam, what a wasted piece of infrastructure; perfect picnic area?	11/4/2020 1:47 PM
24	Agree with the ami of conversation by\ut not the reason - weneed to conserve the natural areas at the back of areas in order to protect biodiversity	11/2/2020 10:13 AM
25	To be fully, a conservation area is fundamentally important for Aireys Inlet's future.	10/30/2020 5:12 PM
26	Conservation of natural beauty is not exclusive to sustainable development, but must be compatible with and foundational to the maintenance of an environmentally sustainable future, through education and guided tourism.	10/30/2020 9:46 AM
27	Not just big-city living but as an alternative to all inland country living options too.	10/29/2020 4:07 PM
28	That is the appeal of this comunity	10/28/2020 12:31 PM
29	The District has a fragile environment with rich biodiversity of great value. Its nature-based assets are its strength	10/23/2020 4:35 PM
30	Should be protected for its own sake - not as an alternative to big-city living	10/21/2020 7:18 PM
31	Of course it needs to be conserved, this is what makes the area what it is.	10/21/2020 5:05 PM

32	Yes it should be preserved but not for that reason, but for it's own sake. Why does it have to be in reference to the city?	10/21/2020 8:42 AM
33	However more dog spaces need opening. The reserve at the painkalac near wybellenna drive end would be great to walk dogs there like you can at Anglesea wetlands	10/20/2020 10:54 PM
34	There are huge areas of conservation and bush land. We certainly don't need any more. Some are necessary though.	10/20/2020 8:19 PM
35	Needs to be a mix of conservation with minor improvements here and there	10/20/2020 7:45 PM
36	Conservation is important. It should also be realised however that we have already significantly changed what was here before us so shouldn't hold to "conservation ideals" just as a way of excluding others.	10/20/2020 5:32 PM
37	this is an ongoing need, especialy in the light of climate change.	10/20/2020 4:55 PM
38	The built environment can be improved incrementally	10/20/2020 4:44 PM
39	The current scale of development is nice; too much bigger development would change the feel of the town	10/20/2020 4:21 PM
40	Full environmental flora and fauna assessments on the entire Painkalac Valley and surrounding Otway Forests should be undertaken on a longitudinal basis so that we clearly understand what we need to conserve.	10/20/2020 3:21 PM
41	Residents and holiday makers have plenty to appreciate as it is.	10/20/2020 2:44 PM
42	this is a balance - we need to be open to options after consulting with range of community	10/20/2020 2:21 PM
43	I spend most of my life stuck in suburbia out of necessity. For me the point of Aireys is to be as far from suburbia as possible. The prospect of more intense development and urbanization is extremely distressing.	10/20/2020 1:10 PM
44	conserve Painkalac creek valley	10/20/2020 9:21 AM
45	We live here for that reason.	10/19/2020 10:26 PM
46	But of course that isn't possible as areas are built up.	10/19/2020 12:47 PM
47	PRIORITY ONE!!!!	10/19/2020 12:28 PM
48	Obviously, as the 'natural beauty and serenity' of the area is the reason visitors leave the "big city" for a break.	10/16/2020 11:51 AM
49	We have a duty to do this	10/14/2020 9:02 AM

Q6 Do you support development in the area of (tick if yes)

Answered: 245   Skipped: 153
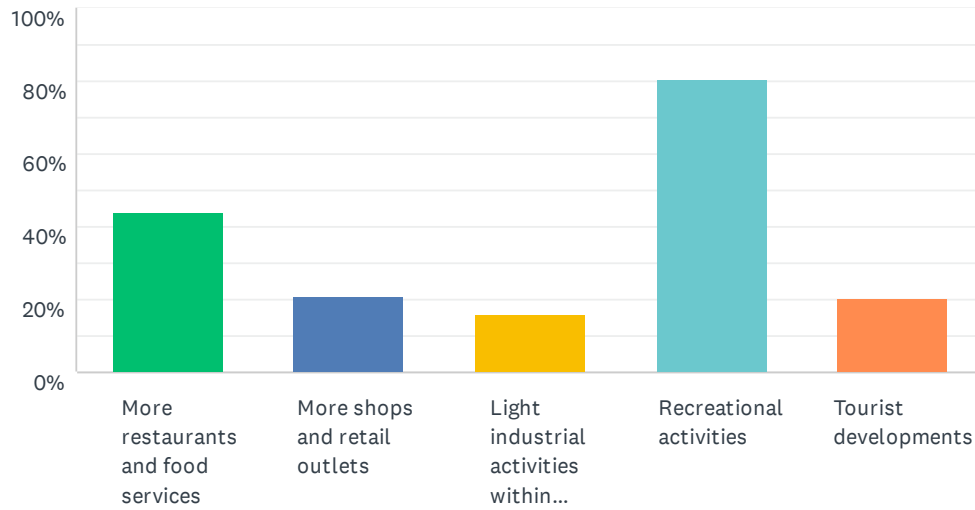

ANSWER CHOICES	RESPONSES	
More restaurants and food services	44.08%	108
More shops and retail outlets	20.82%	51
Light industrial activities within defined commercial areas	15.92%	39
Recreational activities	80.41%	197
Tourist developments	20.41%	50
Total Respondents: 245		

Aireys Inlet District - survey 2020

#	YOU CAN ADD ANOTHER CATEGORY - OR A SHORT ELABORATION OF YOUR ANSWERS:	DATE
1	some low-key development in some of these other areas might be appropriate	2/2/2021 11:39 AM
2	We gave enough as is	12/20/2020 10:25 PM
3	keep development small scale, independent and focused on nature and locality	12/20/2020 9:23 PM
4	Land Regeneration	12/20/2020 12:54 AM
5	No further development.	12/14/2020 10:25 PM
6	Enhance and improve what is existing. Make it accessible and inviting .	12/14/2020 2:29 PM
7	Eco friendly tourist devlopments	12/14/2020 1:20 PM
8	None	12/14/2020 7:57 AM
9	None of the above	12/13/2020 4:20 PM
10	Not sure whether I'm fully for or against any in the list. If it is done tastefully with environmental considerations and consideration for local residents then it should be supported	12/13/2020 3:02 PM
11	As required	12/13/2020 10:54 AM
12	Happy with level of commercial and tourist activities	12/13/2020 9:55 AM
13	No	12/13/2020 12:19 AM
14	Believe we have suitable numbers now	12/12/2020 9:57 PM
15	No	12/12/2020 8:30 PM
16	Horses and pony club	12/7/2020 9:03 PM
17	No to any further development	12/4/2020 6:18 PM
18	As a property owner/tourist for 75 years, I support limited thoughtful development	12/1/2020 6:52 PM
19	whilst more food and other retail businesses may be OK they will struggle in winter	11/30/2020 9:26 PM
20	No development. Places like Torquay have been ruined by it.	11/30/2020 10:01 AM
21	I do not support any development	11/29/2020 10:49 PM
22	Any development should be minor. Can't really see demand for any major developments	11/29/2020 4:05 PM
23	No	11/29/2020 12:04 PM
24	None.	11/29/2020 11:17 AM
25	There are enough activities currently	11/28/2020 8:55 PM
26	No	11/28/2020 7:16 PM
27	more and better maintained walking and cycling paths/ways	11/28/2020 2:08 PM
28	Ok as it is	11/28/2020 12:26 PM
29	Conservation/environmental tourism	11/28/2020 12:00 PM
30	Aireys Pub is very ordinary and not welcoming to older patrons. Their beer is very ordinary.	11/28/2020 11:01 AM
31	We need more local retail services to sustain local buying, no commuting to shop.	11/28/2020 6:11 AM
32	Tick No	11/27/2020 8:48 PM
33	No further development needed	11/27/2020 8:08 PM
34	I feel the shops that are available should be monitored for quality making the best use of what is available.	11/27/2020 7:28 PM
35	leave as such	11/27/2020 7:24 PM

36	Walking and other low impact activities	11/25/2020 5:56 PM
37	No need for any of these extra services. They have them in Torquay.	11/24/2020 5:05 PM
38	Don't need more commercial development.	11/22/2020 4:15 PM
39	none	11/21/2020 2:42 PM
40	None. It is balanced at the moment, but still overrun in terms of tourism attractions, that don't benefit the wider community. There are enough cafes to support the area without anyone missing out entirely. No more tourist developments or cheap facade buildings. The uniqueness of the area is being watered down through cheap promotion for a few businesses benefits who are not putting back in to the community.	11/17/2020 10:18 PM
41	none of the above - community housing so locals can live in the area	11/16/2020 6:31 PM
42	No recreational activity in the Painkalac Valley that needs built infrastructure. Walking trails would be geat.	11/16/2020 12:37 PM
43	In 20 years not one new toilet but the visitor numbers have increased massively	11/16/2020 9:32 AM
44	Environmental appreciation and activities.	11/13/2020 10:26 AM
45	low key fruit and veg, deli, arts	11/12/2020 7:46 PM
46	Well serviced for the above, except during Christmas to mid Jan but don't want to lose environmental beauty for 3 weeks in the year.	11/11/2020 8:25 PM
47	No	11/11/2020 7:51 PM
48	Nature interpretation - probably would be included under rec activities.	11/11/2020 6:49 PM
49	I'm happy with the existing in character with the place	11/11/2020 6:24 PM
50	I only support conservation.	11/10/2020 8:52 AM
51	Low key recreation - walking, a walking/cycling path, nature-based activities	11/9/2020 9:09 PM
52	No further development	11/9/2020 2:23 PM
53	Top lighthouse car park messy and congested in busy periods, requires rethinking, redesign	11/9/2020 2:04 PM
54	Too many empty shops in Anglesea	11/8/2020 10:46 PM
55	no more development	11/4/2020 6:26 PM
56	space for more local vegetable/produce growers	11/4/2020 2:49 PM
57	Once again; same as above - the boundaries are set; work within	11/4/2020 1:47 PM
58	Cycling path along GOR between Aireys and Lorne - or have Vic roads regularly maintain shoulders so cyclists can use it.	11/2/2020 10:14 AM
59	i'mnot interestedin any of this	11/2/2020 10:13 AM
60	Not sure- no option to leave All boxes blank	11/1/2020 9:05 PM
61	None	10/31/2020 12:11 PM
62	While very minor examples of each of these could have value, the degree of light touch required would be impossible to allow for in the Planning Scheme without inevitable over-development.	10/30/2020 5:12 PM
63	What if I don't want any of these?	10/30/2020 12:28 PM
64	Low-key, outdoor recreational activities that are compatible with the peaceful, natural environment, such as surfing, canoeing, beach fishing, bushwalking, cycling, beach walking, bird-watching, nightsky viewing, bush barbecues in designated fireplaces in national parks, rockpool rambling, lighthouse tours, pioneer and Indigenous trails	10/30/2020 9:46 AM
65	no thanks	10/29/2020 7:55 PM
66	More cycling options	10/29/2020 4:07 PM

| 67	Anymore development and the town is no longer Aireys but Torquey	10/29/2020 11:25 AM
68	Just minor improvements of what there is.	10/28/2020 7:17 AM
69	None of the above. Perfect balance now.	10/28/2020 6:43 AM
70	Protection of its assets, ie. natural beauty and surrounds	10/27/2020 7:57 PM
71	No	10/27/2020 4:58 PM
72	local produce focused	10/27/2020 9:19 AM
73	Adequate development already	10/26/2020 7:55 PM
74	A better walking track beside the Painkalac Creek	10/26/2020 10:31 AM
75	Nature-based and sustainable activities	10/25/2020 3:20 PM
76	No more businesses	10/25/2020 7:39 AM
77	Leave the development of businesses to do this to the easy-to-access towns around us.	10/24/2020 4:27 PM
78	Some tourist short stay accommodation	10/24/2020 2:28 PM
79	No thanks	10/24/2020 10:23 AM
80	Such developments should expressly link to & enhance its nature-base and culture	10/23/2020 4:35 PM
81	Better designed placement of restaurants/cafes to create local meeting place - a 'Square' rather than 'strip development'.	10/23/2020 11:43 AM
82	none of the above	10/22/2020 5:21 PM
83	Leave as is	10/22/2020 4:57 PM
84	Happy as it is thank you	10/21/2020 7:51 PM
85	Only activities that respect & protect while providing access to natural environment	10/21/2020 7:18 PM
86	Linited tourist developments. The area that are inadequate or limited include toilets especially upkeep of these, picnic areas in the main township boundaries , car parking at the lighthouse (though this may be being addressed as I see some works happening	10/21/2020 5:05 PM
87	None of the above	10/21/2020 2:07 PM
88	Only two more restaurants, authentic Indonesian and authentic Greek!	10/21/2020 8:42 AM
89	None of the above	10/20/2020 11:32 PM
90	Indoor pool, but nothing else really	10/20/2020 10:54 PM
91	In appropriate areas. There is still plenty of space in the already defined areas	10/20/2020 10:33 PM
92	All in moderation there is sufficient commercial real estate to accomodate any expansion	10/20/2020 8:33 PM
93	With growing full time population and holiday makers we need more goods and services	10/20/2020 8:19 PM
94	ares for children and teenagers to keep them away from the cities for their benefit	10/20/2020 7:45 PM
95	It's perfect as it is. There's always adjoining areas like Lorne Torquay for other services if needed, personally I've never needed them.	10/20/2020 7:17 PM
96	Provide a service to suit locals and visitors.	10/20/2020 5:03 PM
97	No, the facilities in these catergories are already sufficient.	10/20/2020 4:55 PM
98	support redevelopment of existing built environment to low density	10/20/2020 4:44 PM
99	"Light footprint" tourism would be good for the local community	10/20/2020 4:21 PM
100	more protected area of the environment	10/20/2020 3:39 PM
101	Smaller residential blocks and houses	10/20/2020 3:36 PM
102	There is sufficient now for summer crowds Anglesea and Lorne and very close for those who	10/20/2020 3:28 PM

	want more shops	
103	None	10/20/2020 3:09 PM
104	More affordable living on smaller land sizes	10/20/2020 2:55 PM
105	Subject to the Planning Scheme	10/20/2020 2:45 PM
106	Maintain what we've got. Dune erosion could become a problem and should be addressed. The sanctuary has become choked with water plants and needs to be thinned out. Some signage has worn off or disappeared so this needs to be addressed. The cliff walk used to be regularly trimmed and the paths regravelled. This is not happening as often.	10/20/2020 2:44 PM
107	Nothing needed	10/20/2020 2:37 PM
108	Again keeping with overall town feel of small -medium size development	10/20/2020 2:21 PM
109	eco tourism	10/20/2020 9:21 AM
110	Above already adequate	10/20/2020 9:15 AM
111	leave as sleepy village style	10/19/2020 10:46 PM
112	Any further development of any categories above will detract from the natural beauty of the area	10/19/2020 10:27 PM
113	Cultural and community activities.	10/19/2020 10:26 PM
114	Need to limit the built environment	10/19/2020 9:27 PM
115	None	10/19/2020 8:10 PM
116	tracks to encourage walking between points of interest, shops and along the Painkalac	10/19/2020 5:31 PM
117	1 or 2 more restaurants over summer	10/19/2020 5:28 PM
118	if we can maintain the small town fell and look it will work in our advantage	10/19/2020 4:48 PM
119	I don't support any of these as it brings more pressure on the environment	10/19/2020 4:43 PM
120	Both top and bottom shop areas need to be vibrant and inviting while remaining reasonably low key. Outdoor dining, fairy lights etc would add to some ambience.	10/19/2020 4:34 PM
121	Re shops I only want a Hardware shop	10/19/2020 4:08 PM
122	What do you mean by "Tourist Developments"? Some things would be good, others bad.	10/19/2020 3:23 PM
123	More car parking availability. it cant cope with what it already has!	10/19/2020 3:19 PM
124	None of the above	10/19/2020 1:48 PM
125	Book shop excellent and draw card for culture	10/19/2020 12:56 PM
126	What do you mean by tourist development. Aren't most of the above tourist developments	10/19/2020 12:47 PM
127	It seems that some businesses already struggle competitively especially in the off season. More recreational activities the encourage year round visitation would be preferable.n	10/16/2020 11:51 AM
128	Sustainable Ecotourism	10/14/2020 10:19 AM
129	Development of tracts of land with conservation covenants.	10/14/2020 9:02 AM
130	none	10/14/2020 7:47 AM
131	no franchise outlets - only local special character	10/13/2020 9:08 PM

Q7 Aireys Inlet to Eastern View has some special environmental controls not applying elsewhere. They are: (1) Protection of the view of the night sky by limiting street lighting, illuminated advertising and private external lighting; (2) Protection of neighbourhood character, including environmental protection, by controls on house design and site development. Do you support these?

Answered: 373   Skipped: 25
	STRONGLY SUPPORT	GENERAL SUPPORT	NOT AT ALL	TOTAL	WEIGHTED AVERAGE
Protection of night sky	83.61% 306	14.21% 52	2.19% 8	366	1.19
Protection of neighbourhood character	81.79% 301	14.95% 55	3.26% 12	368	1.21

#	NIGHT SKY PROTECTION COULD LEAD TO THE DISTRICT JOINING THE INTERNATIONAL DARK-SKY ASSOCIATION WITH DESIGNATED AREAS FOR 'STAR GAZING'. YOUR THOUGHTS?	DATE
1	Fantastic idea	1/11/2021 8:40 AM
2	Limited numbers are ok	12/20/2020 10:25 PM
3	yes the dark sky stars and moon are lovely at Aireys and so different from city- nice for visitors to enjoy when staying over - supports slower tourism, all year and accommodation economy	12/20/2020 9:23 PM
4	Strongly Support	12/20/2020 12:54 AM
5	Aireys Inlet should be 100% pet free. Barking dogs stuck in houses in every street. Roaming cats (eating the birds). Over excited dogs with morons for owners 'rushing' people on the beach. Dogs chasing hooded plovers on the beach to the amusement of owners. JUST BAN ALL PETS.	12/19/2020 6:23 PM
6	I like that	12/16/2020 12:33 AM
7	no idea but I would like to see further view protections	12/15/2020 9:04 AM
8	brilliant idea	12/14/2020 2:29 PM
9	Another attraction for eco-tourism.	12/14/2020 1:20 PM
10	sounds awesome	12/13/2020 7:48 PM
11	Over the top.	12/13/2020 5:23 PM
12	Sounds ok-but perhaps it would be nice not to have to have the need for such a thing in the first plsce	12/13/2020 3:02 PM
13	doesn't need to be designated. it already is for those that want to do so.	12/13/2020 2:36 PM
14	OK	12/13/2020 11:37 AM
15	not relevant to me	12/13/2020 10:54 AM
16	Excellent	12/13/2020 9:55 AM
17	Sure	12/13/2020 9:50 AM
18	Fantastic	12/12/2020 8:37 PM
19	I'm happy with current light levels but would not oppose this	12/12/2020 8:30 PM
20	Sounds great.	12/7/2020 9:17 AM
21	Fabulous idea fully support	12/4/2020 6:18 PM
22	Would Consider.	12/1/2020 6:52 PM
23	That would be great	12/1/2020 10:39 AM
24	Interesting idea worth exploring	12/1/2020 9:56 AM
25	Fully support this	11/30/2020 9:26 PM
26	Sounds great	11/30/2020 4:20 PM
27	Great!	11/30/2020 10:01 AM
28	Great idea	11/29/2020 10:49 PM
29	Sounds interesting and another way of appreciating the natural environment of the district	11/29/2020 9:57 PM
30	Great - unless it leads to significant increased tourism with the accompanying detriments of development. This seems slightly counter productive to 'the night 'sky' thus careful balance needs to applied.	11/29/2020 4:05 PM
31	Slept in a swag on our deck last summer and the sky was amazing!!	11/29/2020 11:17 AM

32	This is rubbish	11/29/2020 9:09 AM
33	Not needed	11/28/2020 10:21 PM
34	Yes! Wonderful idea	11/28/2020 8:55 PM
35	Love the idea!	11/28/2020 7:16 PM
36	Yes please	11/28/2020 12:26 PM
37	this sounds like a great idea.	11/28/2020 12:00 PM
38	Not remote enough. There are better areas.	11/28/2020 11:01 AM
39	Full support.	11/28/2020 6:11 AM
40	Good idea	11/27/2020 10:25 PM
41	good idea Puts value on protecting view of night sky	11/27/2020 9:28 PM
42	I expect these visitors would be careful and conscious to minimize their physical foot print	11/27/2020 8:48 PM
43	yes it is exiting, DO IT!	11/27/2020 7:24 PM
44	Love this. The Strapper surf sign is horrendous as are the fish and chip shop and pub lighting	11/26/2020 9:43 PM
45	Great	11/25/2020 5:56 PM
46	sounds like a good idea	11/23/2020 2:06 PM
47	Amazing.	11/22/2020 4:15 PM
48	yes	11/21/2020 2:42 PM
49	Great aim	11/21/2020 1:04 PM
50	I am concerned that these regulations are not properly implemented. There seem to be numerous examples of contravention of these guidelines in the town.	11/19/2020 5:10 PM
51	Fantastic idea, very progressive and commendable for being aware that this is an international value that is growing in appreciation	11/17/2020 10:18 PM
52	Fabulous idea	11/16/2020 6:31 PM
53	Wonderful!	11/16/2020 12:37 PM
54	Yes! Do it!	11/16/2020 9:32 AM
55	I love it	11/14/2020 3:49 PM
56	Great! Let's do it.	11/13/2020 10:26 AM
57	Would support this.	11/12/2020 5:03 PM
58	yes good idea would support that.	11/12/2020 12:19 PM
59	Definitely protect night sky. It's a real 'plus' as few communities consider this.	11/11/2020 8:25 PM
60	The high intensity lighting in Fairhaven, although not widely spread, I find excessive and invasive. It pervades our home at night and undoubtedly will be affecting birds and animals active or nesting in the vicinity of these bright lights.	11/11/2020 6:49 PM
61	Fabulous idea	11/11/2020 6:24 PM
62	Excellent idea	11/11/2020 8:05 AM
63	Great idea!	11/10/2020 11:54 PM
64	Agree	11/10/2020 4:25 PM
65	Great idea	11/9/2020 9:09 PM
66	Supportive of this	11/9/2020 2:04 PM
67	Great idea!	11/8/2020 10:46 PM

| 68	A good attraction for slow tourism and an opportunity to observe our indigenous nocturnal animals.	11/8/2020 5:07 PM
69	Ok	11/5/2020 7:11 AM
70	Well - piss the drones off, especially at night; not acceptable	11/4/2020 1:47 PM
71	Good idea	11/3/2020 8:27 AM
72	support	11/2/2020 10:13 AM
73	Yes please join	11/1/2020 3:42 PM
74	Yes, a good idea - as long as it doesn't lead to hosting international dark-sky events!	10/30/2020 5:12 PM
75	Good idea	10/30/2020 12:28 PM
76	Very much in favour of this. The night sky is so precious we don't appreciate it enough. Our northern hemisphere friends have no idea what they are missing. Rare southern lights can be viewed from the clifftop at certain times of the year. I think an open space could be provided for dark-sky enthusiasts to set up their telescopes for special astronomical events.	10/30/2020 9:46 AM
77	Fantastic idea	10/29/2020 9:43 PM
78	Great!	10/29/2020 7:55 PM
79	Great idea	10/29/2020 4:07 PM
80	The night sky in Aireys is one of its best qualities	10/29/2020 11:25 AM
81	Fully support this.	10/28/2020 3:15 PM
82	Great!	10/28/2020 6:43 AM
83	Oh pleeeeez do!!! I have loved the night sky and star gazing like forever, but feel it's now been spoiled by the new(ish) LED street lighting. Council have declined my requests for shielding the main offending light that now shines in my face even though it's at eye level to me, telling me it's a safety matter. I'm so glad you asked me this!! And hope we can convince council to respect our night sky and help reduce light pollution in area. I thought I was alone in this	10/27/2020 7:57 PM
84	Great idea	10/27/2020 7:02 PM
85	Nice idea	10/27/2020 3:31 PM
86	Yes please	10/27/2020 3:31 PM
87	Great idea	10/27/2020 2:29 PM
88	Great idea	10/27/2020 1:49 PM
89	Great!	10/27/2020 9:19 AM
90	Fantastic idea	10/27/2020 9:12 AM
91	Interesting	10/26/2020 7:55 PM
92	Sounds like a great idea!	10/26/2020 2:26 PM
93	How brilliant that would be!	10/25/2020 4:59 PM
94	Night sky protection is an excellent idea supporting sustainable and low key activity for both locals and tourists	10/25/2020 3:20 PM
95	Think it's a great idea.	10/25/2020 2:57 PM
96	Good idea	10/25/2020 7:39 AM
97	YES!!!	10/24/2020 10:23 AM
98	Great idea	10/23/2020 8:18 PM
99	Excellent but council are approving mansions that don't fit in	10/23/2020 7:09 PM
100	Excellent attraction - in keeping with the character of the region.	10/23/2020 4:35 PM

101	Great opportunity for a 'festival' of night sky learning/contemplation	10/23/2020 11:43 AM
102	Are there any facilities to support star gazing? Never even heard of any of this stuff.	10/22/2020 7:19 PM
103	Nice	10/22/2020 6:35 PM
104	sounds a good idea	10/22/2020 5:21 PM
105	Great idea	10/22/2020 4:57 PM
106	Sounds good	10/22/2020 1:14 PM
107	Have concerns about Big 4 signage 2 Flags 2signs Large BRIGHT illuminated sign rather than direction focussed Advertising for Big 4 !	10/22/2020 1:07 PM
108	Good idea.	10/22/2020 11:54 AM
109	Awesome	10/22/2020 9:21 AM
110	Star gazing such a lovely pursuit	10/22/2020 8:18 AM
111	Wonderful! We have a telescope at home because the sky above Aireys is so beautiful	10/21/2020 8:04 PM
112	Don't think we need 'designated areas' ... just get outside and look at the sky!	10/21/2020 7:18 PM
113	The night sky is absolutely worth protecting as there are very few places within a township area where you can view the splendour we have here.	10/21/2020 5:05 PM
114	Excellent idea	10/21/2020 3:56 PM
115	Yes	10/21/2020 2:07 PM
116	Good	10/21/2020 1:47 PM
117	Love it	10/21/2020 1:39 PM
118	Grand idea.	10/21/2020 8:42 AM
119	100% yes	10/20/2020 11:32 PM
120	I strongly support this initiative	10/20/2020 10:19 PM
121	reduced light pollution is a must	10/20/2020 9:58 PM
122	Perfect	10/20/2020 9:39 PM
123	sounds good	10/20/2020 9:08 PM
124	Love it!	10/20/2020 8:14 PM
125	Great Idea	10/20/2020 7:45 PM
126	Great idea. 100%	10/20/2020 7:35 PM
127	Absolutely this must be preserved and in addition we should look to remove superfluous Street lighting ie Bambra and Aireys St. Cars can navigate with high beams so no need for a St light	10/20/2020 7:27 PM
128	Perfect	10/20/2020 7:17 PM
129	Fantastic	10/20/2020 6:13 PM
130	excellent idea	10/20/2020 6:10 PM
131	Sounds like a great idea!	10/20/2020 5:32 PM
132	Yes! Good for wildlife too	10/20/2020 5:16 PM
133	Support 100%	10/20/2020 5:12 PM
134	Love it	10/20/2020 5:09 PM
135	Real estate agent at Aireys has ridiculous night lighting	10/20/2020 5:05 PM
136	Agree a good idea.	10/20/2020 5:03 PM
137	A valuable idea in principle, would need to be carefully and effectively managed to avoid over	10/20/2020 4:55 PM

development.

138	OK if the outcome is low key	10/20/2020 4:44 PM
139	Lovely idea.	10/20/2020 4:21 PM
140	Go for it.	10/20/2020 4:17 PM
141	Great idea	10/20/2020 3:39 PM
142	The pleasure of seeing the night sky is one of the best parts of living here	10/20/2020 3:28 PM
143	Good idea	10/20/2020 3:21 PM
144	Does not interest me	10/20/2020 2:45 PM
145	Excellent idea.	10/20/2020 2:44 PM
146	Disagree with adding any more rules	10/20/2020 2:37 PM
147	great	10/20/2020 2:21 PM
148	Definitely join. I can add a further layer of protection if in the future some people wish to remove it.	10/20/2020 1:52 PM
149	Yes	10/20/2020 1:51 PM
150	Good idea. I would like this	10/20/2020 1:31 PM
151	My kids only really get to see stars when at Aireys. I am supportive of this is it strengthens the protection of night sky views.	10/20/2020 1:10 PM
152	good idea depends on detail	10/20/2020 9:21 AM
153	Great idea	10/20/2020 8:01 AM
154	What a great idea	10/19/2020 10:27 PM
155	I support that idea.	10/19/2020 10:26 PM
156	Sounds good	10/19/2020 9:28 PM
157	Great idea	10/19/2020 9:27 PM
158	Good idea	10/19/2020 8:10 PM
159	Yes! Go for it.	10/19/2020 6:37 PM
160	If developed environmentally and with expert tutors.	10/19/2020 6:35 PM
161	Yes great idea	10/19/2020 5:31 PM
162	our skis are too beautiful not to gaze on. its one area in tourism that will not mess up the environment	10/19/2020 4:48 PM
163	Great.	10/19/2020 4:47 PM
164	What a great protection to be part of	10/19/2020 4:43 PM
165	This would be great!	10/19/2020 4:34 PM
166	Brilliant as long as doesn't bring too many people	10/19/2020 4:22 PM
167	Good	10/19/2020 3:44 PM
168	Excellent idea.	10/19/2020 3:23 PM
169	Would be great	10/19/2020 3:18 PM

Q8 There is a variety of opinions on some local issues. What do you think about ....

#	ANY OTHER IMPORTANT LOCAL ISSUES MISSING FROM LIST - OR ELABORATION OF YOUR VIEWS?:	DATE
1	need safe bike path Aireys to Surf Club for Nipper families and lifesavers and for kids Moggs to school and to Anglesea and Lorne - through forest or along Great Ocean Road - like a railtrail - a tourist and local asset to add to road riding and mountain bikes to suit families	12/20/2020 9:23 PM
2	I would only like to see a small IGA at the bottom shops. This is in view for elderly residents or those that don't drive.	12/19/2020 9:07 PM
3	1). Protection of wildlife, especially bird life. Very Important. 2). Protection of views, especially of the lighthouse and the valley.	12/19/2020 6:23 PM
4	No more indigenous signs!! It is Aireys Inlet and that's that	12/19/2020 3:34 PM
5	removal of fire hazard or weedy vegetation from properties and reserves eg tea tree	12/15/2020 9:04 AM
6	Maintenance of local dirt gutters to have dropped off the Council's . Re hou deneeds applied when a prin a situation rather than blanket rules.	12/13/2020 3:02 PM
7	Local roads should continue to be shared between cars and pedestrians but speed limit should be reduced to 40km on these roads, to also reduce dust in summer	12/13/2020 9:52 AM
8	Shaded area increase - BBQ areas with a view increased	12/13/2020 9:50 AM
9	Small independent businesses not chain businesses	12/12/2020 8:37 PM
10	I think it needs to be a 50kmh zone from the start of Aireys to the end of Fairhaven	12/12/2020 8:30 PM
11	Missing pony club and horse activities support	12/7/2020 9:03 PM
12	Enforcement of dog and cat bylaws	12/1/2020 12:08 PM
13	improve bicycle infrastructure to encourage people to ride locally rather than use the car. Particularly to shops but also the the beach. need bike racks and safe paths	12/1/2020 9:56 AM
14	Keep traffic pace slow. What I am worried about is what seems to be an idea of a back road or ring road from Coalmine/Messmate Track west of Anglesea and coming out in the Painkalac Creek valley. No huge traffic through the bushlands!	11/30/2020 10:01 AM
15	Protection of all existing natural vegetation Protect the creek valley	11/29/2020 10:49 PM
16	Separate roadside footpaths should only be near shops. All other streets should have shared and properly managed traffic treatments and speeds	11/29/2020 4:05 PM
17	Q 8B and D are the same issue - I oppose the building of footpaths in residential streets	11/29/2020 11:17 AM
18	Bambra road needs widening, verge clearing and/or a footpath. Too busy. Tis dangerous	11/28/2020 10:21 PM
19	erosion control of park unmade tracks and walking places - on hillsides	11/28/2020 2:08 PM
20	sharing of streets by pedestrians and traffic seems to work well in quieter areas, but other busier areas might benefit from separate paths	11/28/2020 12:00 PM
21	Dust suppression. Respectful speed on unsealed roads, especially young tradies and parents rushing to get kids to school.	11/28/2020 11:01 AM
22	discourage planting of weed species on private land	11/27/2020 9:28 PM
23	Educate beach goers to respect the dunes and vegetation with appropriate signage	11/27/2020 8:48 PM
24	Preservation of wildflowers and wildlife (hooded plovers)	11/27/2020 8:08 PM
25	Housing for the elderly would depend upon the design and suitability for the area.	11/27/2020 7:28 PM
26	speed limit bumps on sealed roads - very important!	11/27/2020 7:24 PM
27	Over promoting the area for drive through tourists	11/27/2020 6:29 PM
28	Aireys is the town of ridiculous signage. Bottom shops and top shops signs are hilarious. Do we really need these. Most people have phones. There are all new parking signs near the bottom shops which are such an eyesore. Also the horrible big sign identifying Aboriginal district is terrible. It totally ruins the beautiful valley you have done so much to protect. These	11/26/2020 9:43 PM

	signs are also on the Melbourne freeway which is six lanes. We have the same sign same size on two lanes. It would be so lovely if some kind of lovely sculpture could be placed here , like the lovely ones of the eels on the creek Also the sign outside the doctor.	
29	Stop the horses in our residential streets and in the state forest. They pollute the streets, the beach and create erosion in the state forests. They also bring flies with their dung everywhere that is not cleaned up by the owners.	11/24/2020 5:00 PM
30	some of the steeper streets like Beach Road between Bambra and GOR could do with a separate footpath infrastructure for ease of walking. Would recommend great ocean road speed limit reduced to 50km/h through Aireys Inlet	11/23/2020 2:06 PM
31	Public bridge on Painkallac Creek, Pedestrian environmental walking path from butlers bend to Aireys St	11/22/2020 5:58 PM
32	Naturally vegetated roadsides should not include species on the local weed list.	11/22/2020 4:15 PM
33	Renewable energy and appropriate energy priorities in housing	11/21/2020 1:04 PM
34	Buildings with a coastal style, natural materials, less bulk, more nature.	11/14/2020 2:34 PM
35	As with other developments needs to be carefully and rigorously regulated.	11/13/2020 12:53 PM
36	Protection of indigenous flora and fauna wherever possible	11/13/2020 10:26 AM
37	footpaths can be dirt tracks. No concrete	11/12/2020 7:46 PM
38	The wording of this section is poor. How could it be important to share streets with cars and pedestrians. Obviously a major safety issue but the survey words make no sense in this context. If I say Very Important, as it is an important safety isue, someone may think I mean it's important for the situation to exist. It shoudl not exist, hence I don't support but is that how it will be understood? Other questions in this section are similarly shockingly worded.heree t	11/12/2020 5:03 PM
39	Separate footpaths - depending on environmental effects verses safety.	11/11/2020 8:25 PM
40	Fire protection of the communities is important. First it need s to be done and secondly it would be good to see it carried out via indigenous approaches. This could be a research tool and a teaching situation.	11/11/2020 6:49 PM
41	protection of the natural features of the river, bush and coast	11/11/2020 12:54 PM
42	Support sealing of roads (but with speed restrictions) to stop dust and prevent road erosion runoff	11/10/2020 4:25 PM
43	We should be stopping new houses being built, and aim for more sustainable houses, shops, and energy use across the whole town.	11/10/2020 8:52 AM
44	Cyclists sharing the roads and also an identified (painted green?) cycling lane on the GOR	11/9/2020 9:09 PM
45	Public transport - bus stop at Moggs Creek	11/9/2020 2:23 PM
46	Toilet paper litters track from lighthouse to creek, only single male/female toilets at bottom of track may new to be reviewed	11/9/2020 2:04 PM
47	Building regulations do not provide certainty. Homes being built well in excess of height regulations.	11/8/2020 10:46 PM
48	Footpaths are needed	11/6/2020 7:37 PM
49	Bicycle paths as great ocean road too dangerous	11/5/2020 2:30 PM
50	Natural vegetation - weed the verges; everybody's gardens - where do you want me start - it should be a violation to have any weeds; agapanthus, broom, hakea's, melaleuca's and the list goes on	11/4/2020 1:47 PM
51	Not wishing to be unsympathetic re older persons, this is a matter for the individual. I thought of access issues when I get older before I bought.	11/3/2020 1:53 PM
52	Separate bike paths is an issue not on the list. Affordable housing and rental housing is not on the list.	11/3/2020 8:27 AM
53	Safe pedestrian paths is some areas would be good, e.g. along Great Ocean Rd between	11/1/2020 3:42 PM

	Bellbird Drv and Ols Coach Rd, currently v dangerous esp. for kids.	
54	Sustainable business strategy - more connection between the businesses and commercial properties to provide a holistic set of services and offerings	11/1/2020 10:26 AM
55	If there is a need for housing for older persons now or in the future then I'd support it. However, even if there is a need, the most recent attempts at a financially viable option, failed, so how would it work?	10/30/2020 9:46 AM
56	Not sure what you mean in second question but cars and pedestrians do not mix well.	10/29/2020 4:07 PM
57	Change the street lights back to the old style or offer shielding for those effected	10/27/2020 7:57 PM
58	Accessible paths especially near shops for people with mobile issues	10/27/2020 7:27 PM
59	Whilst I support unsealed local streets we're noticing the Shire seems to be using substandard gravel that just turns to slush when it rains.	10/27/2020 7:02 PM
60	As per last page , restricted or no night lighting	10/27/2020 3:31 PM
61	With increasing traffic to the lighthouse precinct, it is increasingly unsafe for pedestrians on Lighthouse Road. Construction of a footpath is crucially important before an accident occurs. This needs to be a high priority.	10/27/2020 2:34 PM
62	Provision of a decent sized park for people to play and socialise	10/27/2020 9:12 AM
63	urban housing density needs to be controlled to allow natural surrounds to remain the prominent feature rather than the houses/buildings	10/26/2020 2:26 PM
64	Do everything possible to protect the natural environment	10/25/2020 3:20 PM
65	Means of slowing down traffic on local roads	10/23/2020 4:35 PM
66	Lower speed control of local stress -especially unmade roads (to 40k/h max)	10/23/2020 11:43 AM
67	Traffic calming speadhumps	10/23/2020 10:42 AM
68	So much dust in this town from unsealed roads	10/22/2020 7:19 PM
69	There should be a 40 kph speed limit throughout the area.	10/22/2020 5:21 PM
70	Enhancing the Painkalac Creek floodplain as a natural asset.	10/22/2020 4:57 PM
71	I have lived in the affordable housing unit for six years for six years opposite Community garden and I I am so fortunate and would naturally hate for my housing and housing of my neighbours to be threatened	10/22/2020 1:07 PM
72	Sensitive sealing of some roads without curb and gutter and retaining vegetation does not detract from the ambiance of the town and eliminates dust in summer and mud and potholes in winter	10/22/2020 1:06 PM
73	Marine conservation	10/21/2020 8:04 PM
74	Not in favour of footpaths generally, but a simple gravel track (like the clifftop walk) alongside Bambra Rd would be good for young kids riding bikes and parents with prams. This is a busy street and cars do drive fast along it. Also concern by some about poor drainage in some local streets	10/21/2020 7:18 PM
75	I think the area should be a cat free zone to protect the wildlife.	10/21/2020 5:05 PM
76	Control of domestic pets.	10/21/2020 2:07 PM
77	More off road walking tracks near roads	10/21/2020 11:22 AM
78	Qu 1 does this mean Social Housing? if so, VI, but not nec close to shops, post COVID., Qu 5 is foot paths are not concrete OK	10/21/2020 8:42 AM
79	More off lead dig areas and more spaces in nature to walk dogs (on lead ok) I not a beach walker I find it difficult. So I am stuck to very hard road surfaces which hurt me.	10/20/2020 10:54 PM
80	Maintenance of indigenous vegatation and control of environmental weeds	10/20/2020 9:49 PM
81	again, poorly designed question. lots of the responses don't make sense.	10/20/2020 9:08 PM

82	Get rid of gravel roads and need footpaths	10/20/2020 8:33 PM
83	Protection and mindful maintenance of existing natural areas	10/20/2020 8:14 PM
84	Noise control. There is a shire curfew but no police to police it, they are too far away	10/20/2020 7:45 PM
85	We need bike racks installed at both top and bottom shops as well as near the light house.	10/20/2020 6:52 PM
86	We have good examples small scale sealed roads-provides best of both worlds	10/20/2020 4:44 PM
87	Way too many roadside signs.	10/20/2020 4:17 PM
88	need to protect the sand dunes from trampling and damage to vegetation	10/20/2020 3:39 PM
89	It is not too far to walk to shops so that should be encouraged. There are far too many signs along Great Ocean road	10/20/2020 3:28 PM
90	Establish a 50kmph limit through Aireys and Fairhaven. Further discussion and research carried out on artificial openings of the Painkalac Estuary. Establishment/better signage re. dog free zones on bush walks and some of the beaches, particularly known wildlife breeding areas.	10/20/2020 3:21 PM
91	I don't support unsealed local streets. They are dusty, muddy, costly to maintain and hundreds of tonnes of gravel washes into the inlet and the ocean.	10/20/2020 2:45 PM
92	I would like better access for people with disabilities in the town. The no footpaths anywhere is a problem - there should be more resources put into making the town more accessible	10/20/2020 2:21 PM
93	Please seal the roads and make proper footpaths	10/20/2020 2:04 PM
94	Capacity for range of residential housing - not just affluent.	10/20/2020 1:57 PM
95	It is presently most unsafe on many roads without separate footpaths. Also rural character is not dependent on unsealed (=unsafe) roads if the roadside vegetation in maintained or actually added in some areas where it is lacking. Some unsealed roads look more urbanised because of the roadside finish than some sealed roads. e even	10/20/2020 1:52 PM
96	More amenities (toilets) for tourists - toilet at step beach!	10/20/2020 1:51 PM
97	Preservation of the neighborhood character	10/20/2020 1:10 PM
98	too many signs already between painkalac ck and bottom shopa!!!	10/20/2020 9:21 AM
99	We do not want urban suburbia in the Aireys District - that is why we choose to be here. Road making in Fairhaven has been a total negative experience	10/19/2020 10:27 PM
100	40kph speed limit on all local roads.	10/19/2020 10:26 PM
101	as long as gravel streets are well maintained. Separate footpats to link different parts of the community	10/19/2020 5:31 PM
102	Prefer provision of support services for older people in their own home. If there is housing for older people near shops, this is for local older people not people from out of the area wishing to retire here??	10/19/2020 4:08 PM
103	I don't understand the difference between Q. 2 and Q. 5. Are thhey the same thing? I also don't understans Q. 3. Do you mean "planded with indigenous" plants, or do you mean "let anything that comes up grow"?	10/19/2020 3:23 PM
104	Sealing of important roads, eg Old Coach Road, Boundary Road	10/19/2020 3:19 PM
105	Support the development and connection of new and existing walking tracks	10/19/2020 3:18 PM
106	Restore land to natural state whenever possible e.g. restore rivers flats at Airey's to bird sanctuary, remove weeds from foreshore reserves	10/19/2020 1:48 PM
107	Festivals, music venues, activities to bring the community together, family friendly activities and businesses that provide opportunities for people to meet.	10/19/2020 12:53 PM
108	Preservation of the Painkalac Valley	10/19/2020 12:47 PM
109	Controlling the impact of private business/residence on public land and amenity.	10/19/2020 12:39 PM

| 110 | Having a council policy for lighting, both residential and commercial that would allow membership of the Dark Sky Association for the area. | 10/16/2020 11:51 AM |
| 111 | Regeneration of native species is important. Minimisation of of weeds e.g.kikuya and agapanthus in gardens and on council managed land | 10/14/2020 9:02 AM |

Q9 Do you support the development of conservation zones within the area for: (tick if yes)
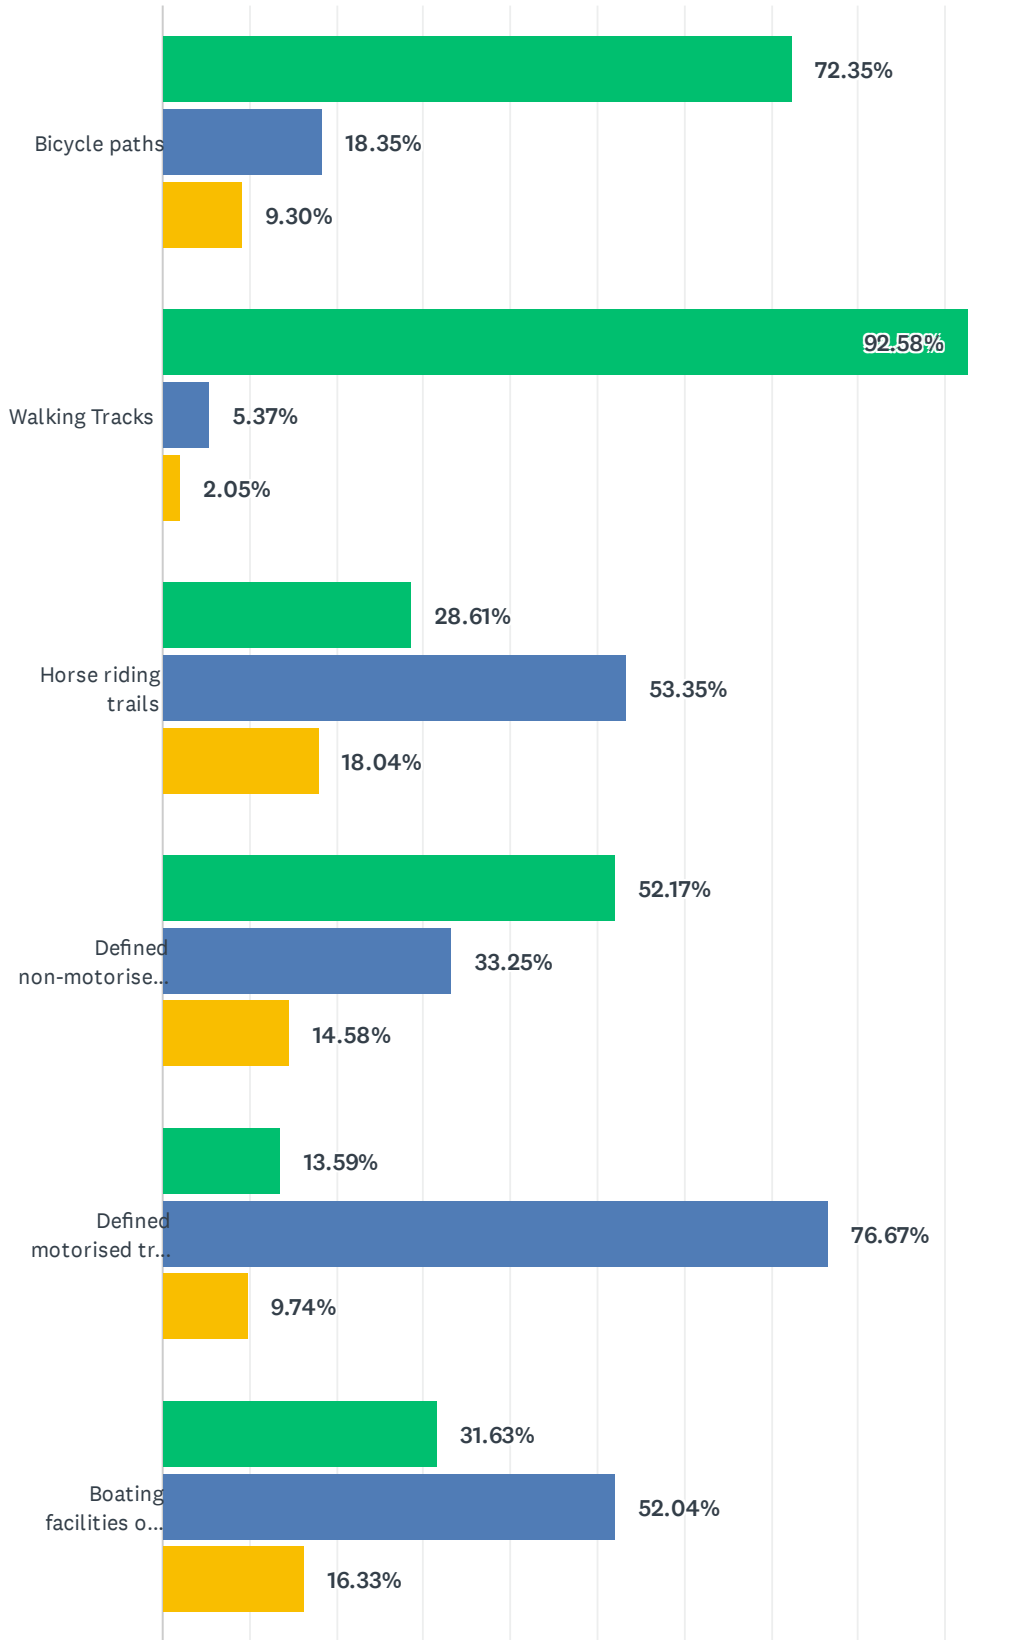

Answered: 389   Skipped: 9
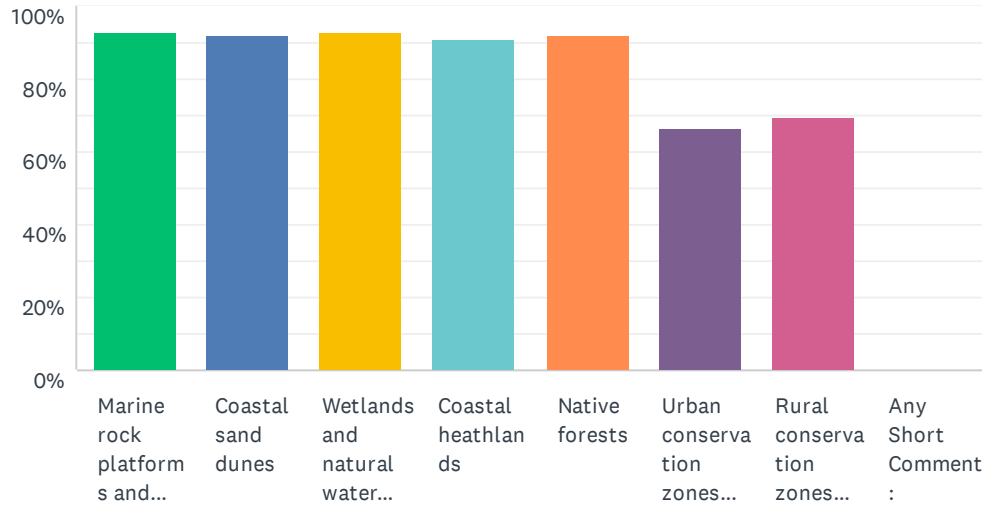

ANSWER CHOICES	RESPONSES	
Marine rock platforms and beach zones?	93.06%	362
Coastal sand dunes	92.03%	358
Wetlands and natural waterways	92.80%	361
Coastal heathlands	91.00%	354
Native forests	92.03%	358
Urban conservation zones with restrictive controls on private land	66.32%	258
Rural conservation zones restricting development on private rural land	69.41%	270

Aireys Inlet District - survey 2020

| #	ANY COMMENTS:	DATE
1	need safe bike path Aireys to Surf Club, to school, Anglesea and Lorne and MTB links to Forrest and You Yangs	12/20/2020 9:23 PM
2	A basketball court would be good near the tennis courts	12/19/2020 9:07 PM
3	Aireys has needed a sports oval for 40 years!!!!!!!And has a place for it	12/19/2020 3:34 PM
4	Not sure of the need for some of these that I don't use but there may be a community interest in them in which case I would support them	12/15/2020 9:04 AM
5	The more the better!	12/13/2020 7:48 PM
6	Don't want any further construction of footpaths, street lighting, signs, bus bay, fluttering., paving. Don't want to be Torquay.	12/13/2020 9:55 AM
7	Family activity like adventure golf, a balancing course,	12/13/2020 9:50 AM
8	Leave it as it is!	12/13/2020 12:19 AM
9	Riding off bamrba road gravel and trails should be promoted. Keeps people off GOR & hopefully spending money in town	12/12/2020 9:46 PM
10	Pony club, indoor riding arena.	12/7/2020 9:03 PM
11	Motorised trail bike traks should be available but strictly confined and in areas where noise has minimal impact on communities	12/7/2020 9:17 AM
12	Very limited room for many of these activities. Car parking would be a problem	12/1/2020 6:52 PM
13	Tennis-already available at hall, is there scope for the development of the school oval as a sports oval at weekends?	11/30/2020 9:26 PM
14	Walking tracks in the forest must not be also for horses or bikes	11/29/2020 10:49 PM
15	Already have tennis. What's the demand for bowls/bocci? The dimensions of an indoor sports facility might struggle to fit the current amenity of Aireys	11/29/2020 4:05 PM
16	Any additional bicycle paths should not clash with pedestrian use.	11/29/2020 11:17 AM
17	Swimming pool in the Shire	11/27/2020 10:25 PM
18	all the above are freely available in existing urban environments. aireys is not a theme park	11/27/2020 9:28 PM
19	Leave it	11/27/2020 8:48 PM
20	The oval would be dependent on where it was placed. As long as it isn't Ina conservation area.	11/27/2020 7:28 PM
21	current facilities on Painkalac Creek are adequate, maybe a few more access points exclusively for canoes/SUPs to avoid people firing	11/23/2020 2:06 PM
22	Non motorised boating on the creek.	11/22/2020 4:15 PM
23	Some already exists. National Park being ruined by trail bikes. Horse manure left on Yarringa Drive and the beach already a big problem with flies etc	11/21/2020 1:04 PM
24	It is well supported at the moment with paths and access for those with wheelchairs and prams. Definitely no to an oval and sporting facilities. I enjoy and a keen sportsperson however do not live here for that and do not want that here. It would be very short sighted to do so.	11/17/2020 10:18 PM
25	Please preserve space for low impact, low equipment, non motorised activity	11/16/2020 6:31 PM
26	No motorised boating activity on the creek. No sports oval on the valley - ok elsewhere.	11/16/2020 12:37 PM
27	None of the above. Walking tracks in the national park only. Leave the Painkalac Creek alone!	11/16/2020 9:32 AM
28	Need to avoid over investment by Council in any facilities. Shared infrastructure should be encouraged and use of finances for political purposes not encouraged.	11/13/2020 12:53 PM
29	Depends what and where the indoor sports facility would be.	11/13/2020 10:26 AM
30	Bush walkers and bikes, whether the latter are motorised or not, do not mix. Better to either have a bush walking track or a bike track, not a mixed use path!	11/11/2020 6:49 PM

| 31 | very low impact recreation should be possible but horses and bikes are damaging to the bush. | 11/11/2020 6:33 PM |
32	there are adequate launch facilities on the Painkalac now.	11/11/2020 12:54 PM
33	I support clearly signposted separation of walking and non-motorised trail bike tracks.	11/10/2020 11:54 PM
34	Motorised trail bikes noisy. Creek probably not big enough to support large boating facilities	11/9/2020 2:04 PM
35	Too late for many things like an oval!	11/4/2020 1:47 PM
36	I strongly support blazing Saddles request for permission to build a bridge - it feels to me as if AIDA has a set against that business.	11/2/2020 10:13 AM
37	Inland signposted walking track from Moggs to Fairhaven would be good. Our teeenage kids like to walk or cycle aroubd to visit friends and it's great if we can all avoid relying on cars to get between Aireys, Fairhaven, Moggs.	11/1/2020 3:42 PM
38	Eco- and Indigenous tourism that informs and educates visitors about our ancient, precious, highly sensitive and vulnerable coastline and forests. Bush retreat with eco-sustainable accommodation for small group literary and arts workshops and performances. A music studio/retreat supported by a university music department for school and tertiary students to compose and record music. A small-scale theatre-in-the-round or locations for a chamber music festival.	10/30/2020 9:46 AM
39	Support dual use of park/sports/school facilities eg could a bocci court be build at the bark hut park?	10/29/2020 7:55 PM
40	Horses and motorbikes are too destructive for natural environment.	10/29/2020 4:07 PM
41	Been waiting for an oval since 1983	10/28/2020 11:36 AM
42	Regarding motorised trail bikes, we live in an area where there can be groups of 2-4 trail bike riders tearing along the street. Cannot stand the noise.	10/27/2020 7:02 PM
43	when developing bicycle paths they must be separated from pedestrian paths and car parking	10/26/2020 2:26 PM
44	The hall appears to be under-utilised as an indoor sporting facitity	10/26/2020 10:31 AM
45	I don't approve of motorised trail bikes because they are noisy	10/23/2020 9:07 PM
46	Boating on the Painkalac presents a problem due to need to protect wild life which should be the priority	10/23/2020 4:35 PM
47	An outdoor heated local pool would be great	10/22/2020 8:18 AM
48	Diver facitilies!	10/21/2020 8:04 PM
49	We already have tennis? This is clearly popular but we do not need more. Lawn bowls can be undertaken at Anglesea we don't need this as well.	10/21/2020 5:05 PM
50	Complete walking track around Painkalac dam	10/21/2020 11:22 AM
51	No sure what indoor sports facility entails, but should be part of health package and free. Swimming pool no 1 priority.	10/21/2020 8:42 AM
52	Pony club and adult riding club	10/20/2020 10:54 PM
53	Some I am not sure of because would need more details. Others I support because they are already used for that and should be managed.	10/20/2020 10:33 PM
54	Development of all outdoor activities should welcomed. We should all love and use the land	10/20/2020 8:19 PM
55	Horses leave a terrible mess and it is never cleaned up, but dog owners have to?	10/20/2020 7:45 PM
56	Boating on the creek to be non motorised	10/20/2020 7:27 PM
57	Many of the sport and recreation options can be put together in a sort of "precinct" setup if there is demand eg bowls, recreation oval, etc	10/20/2020 5:32 PM
58	With the sports oval, ONLY if it did require clearing of native vegetation.	10/20/2020 5:16 PM
59	Again, there are plenty of facilities for the numbers of visitors that Aireys cam handle.	10/20/2020 4:55 PM

60	Unstructured recreational activity is best suited to the area	10/20/2020 4:44 PM
61	Restrictions to be placed on para/hang gliding during hooded plover breeding season.	10/20/2020 3:21 PM
62	Any large scale development eg bowling green would have to be considered re position and environmental impact. The addition of walking tracks from the bottom shops to the lifesaving club is discreet yet makes access safe.	10/20/2020 2:44 PM
63	Question 9 has no option for a no.	10/20/2020 2:37 PM
64	The school oval should be improved as a jointly run facility between council and education dept	10/20/2020 2:21 PM
65	The suggestions of an oval, tennis courts or bowling area is very dependent on the location. Definitely not in the lower Painkalac valley. Could be OK on flat areas away from the main walking tracks and fresh and salt water areas.rer eru m	10/20/2020 1:52 PM
66	GET THE HORSE OUT!!!! All they do is leave animal waste on roads, beaches and walking tracks in the national forrest	10/20/2020 10:49 AM
67	minimal in painkalc ck valley-walking and cycling only (quiet)	10/20/2020 9:21 AM
68	We already have tennis courts and there is the school oval (please dont restart that issue again!!) . There are facilities for many of the above at Anglesea. Those who come to live in Aireys district do so in the knowledge we lack many city facilities.	10/19/2020 10:27 PM
69	Recreational facilities to be multi functional for flexible community use.	10/19/2020 10:26 PM
70	facilites for kayaks, canoes SUP and small rowing boats but NOT motorised boats or jet skis	10/19/2020 5:31 PM
71	I think what we have is enough. further development is not needed.	10/19/2020 4:48 PM
72	Maintenance of existing. Limit new	10/19/2020 4:47 PM
73	Sports oval NOT in the valley	10/19/2020 4:08 PM
74	I don't understand the difference between Q. 1 and Q. 3. What is a "non-motorised trail bike"? Do you mean a "Mountain bike"? If so, then it depends on where.	10/19/2020 3:23 PM
75	Need to take regional view.	10/19/2020 1:54 PM
76	There is a big difference between lawn bowling where huge infrastructure needed and Bocci	10/19/2020 12:47 PM
77	Definitely strongly oppose capital intensive sporting facilities, the area should develop its low-key	10/14/2020 9:02 AM

Q11 Which additional tourism development would you favour in our part of the Great Ocean Road:

Aireys Inlet District - survey 2020

	A PRIORITY	A GOOD IDEA	NOT AT ALL	TOTAL	WEIGHTED AVERAGE
A major tourist information or 'discovery' centre	3.35% 13	26.55% 103	70.10% 272	388	2.67
Expansion of hotel or motel accommodation	1.29% 5	21.91% 85	76.80% 298	388	2.76
Other commercial services for tourists	2.92% 11	24.14% 91	72.94% 275	377	2.70
More private camping ground facilities	1.88% 7	30.03% 112	68.10% 254	373	2.66
More public camping ground facilities	7.87% 30	35.43% 135	56.69% 216	381	2.49
Parking and traffic management controls (in peak season)	27.53% 106	47.79% 184	24.68% 95	385	1.97
More pedestrian crossings	0.00% 0	0.00% 0	0.00% 0	0	0.00
Alternative routes for through traffic	32.04% 124	41.86% 162	26.10% 101	387	1.94

#	OTHER DEVELOPMENT? ELABORATION OF YOUR ANSWERS?	DATE
1	We are relatively new to the area and I have not yet formed an opinion on some of these questions	2/2/2021 11:39 AM
2	a walking circuit for tourists starting at the shops and then to Lighthouse, cliffpath, inlet, creek-stop and walk for while and visit shops	12/20/2020 9:23 PM
3	Mountain bike trails are a very good idea. A trail from Anglesea to Aireys to Lorne (all off road, all dedicated to bikes so that walkers are not in danger, or in the way) would be an ideal development. Ride to Anglesea or Lorne for lunch, then ride back. Great stuff. This is a huge tourism opportunity, based on the 'right' tourists (people who stay and spend).	12/19/2020 6:23 PM
4	I left some blank because they may be worthwhile if I knew exactly what is proposed	12/15/2020 9:04 AM
5	A alternative road to GOR from Moggs Creek to Anglesea tip road for fire escape	12/15/2020 8:07 AM
6	Put a footbridge at Anglsea a nstesd of pedestrian lights!!	12/13/2020 3:02 PM
7	An alternative route is more a secondary route to assist when the next dire comes thru	12/13/2020 9:52 AM
8	Horse riding centre of excellence, bridges and walk ways over the painkalac like Anglesea and ability to walk dogs in that area.	12/7/2020 9:03 PM
9	Further development to allow for through traffic to bypass Anglesea when heading east from Airey's towards Torquay would be fantastic in the busy periods (summer/easter). Ensuring the backroads leading to the Anglesea Tip are accessible to all sorts of vehicles (not just 4WD) would be great.	12/7/2020 9:17 AM
10	Too much development would destroy what most people come to Aireys for. Surely Torquay, Angelsea and Lorne provide many proposed extra facilities	12/1/2020 6:52 PM
11	Expansion of BnB? tourist info centre-maybe? Perhaps more camping and adventure tourism options	11/30/2020 9:26 PM
12	Information for tourists on the values of the forets, heathlands marine coastal etc	11/29/2020 10:49 PM
13	This question asks about the GOR broadly, not just Aireys Inlet. There may need to be some traffic management at times but DEFINITELY NO ALTERNATIVE ROUTES FOR THROUGH TRAFFIC (other than the existing inland roads.)	11/29/2020 11:17 AM
14	Re parking and alternative routes, I'd need more information	11/28/2020 7:16 PM
15	Better toilet facilities	11/27/2020 10:25 PM
16	discourage thru traffic Enhance alternate routes eg via Deans marsh . Slow traffic speeds	11/27/2020 9:28 PM
17	We are not Torquay. We are not Lorne.	11/27/2020 8:48 PM
18	I would like to see a memorial to Ash Wednesday	11/26/2020 9:43 PM
19	Some accommodation develpoment for all budgets	11/25/2020 5:56 PM
20	We want to minimise the intrusion from people who do not appreciate the natural amenity of the area.	11/24/2020 5:00 PM
21	I don't think we need to encourage any more stopping of tourists en route on the great ocean road. Only facilities to enhance the experience of those who stay for a few days.	11/22/2020 4:15 PM
22	Not sure how you direct traffic to these routes and where they would be. Tourists want the coastal route	11/21/2020 1:04 PM
23	As it is the tourist elements for camping and cooking attract increasing rubbish that is left behind and dumped, fires left lit. There is a direct parallel to increased tourism and visitation with rubbish, risky behaviour, noise, damage to dunes and bush, including people going to the toilet in the bushes and dunes.	11/17/2020 10:18 PM
24	a modest amount of public (or at least low cost) camping	11/16/2020 6:31 PM
25	Seal the Bambra road, distillery creek rd could be an alternative route to Anglesea	11/16/2020 9:32 AM
26	All of these leave open too much opportunity for state govt and commercial interests to	11/13/2020 12:53 PM

|		
	dominate community interests.	
27	Encouraging tourists to appreciate and understand the beauty and natural riches of the environment	11/13/2020 10:26 AM
28	We need and alternative route to the GOR which bypasses Anglesea and around the back of Aireys for Fire Safety.	11/12/2020 5:03 PM
29	Improved Toilets & Rubbish Collection paid for by tourist operators. Smoking restrictions, litter enforcement	11/12/2020 10:14 AM
30	Points not ticked maybe feasible with strict planning and environmental controls.	11/11/2020 8:25 PM
31	the lighthouse parking area is problematic. Signage needs to be clearer as many people are upset by being booked without understanding the reason.	11/11/2020 12:54 PM
32	Aireys Inlet to thrive needs to evolve and reflect the needs of the Melbourne market. Accommodation capacity, different styles of accommodation, activites developed that increase length of stay/overnight stay. This creates local jobs and keeps the town sustainable year round.	11/10/2020 12:39 PM
33	The last thing we need is more tourism	11/10/2020 8:52 AM
34	Car parking for tourists is a priority	11/9/2020 2:04 PM
35	Alternative route for through traffice for fire safety	11/8/2020 10:46 PM
36	I don't know where you are going to create through traffic?	11/4/2020 1:47 PM
37	Limits commercial services	11/2/2020 10:14 AM
38	Any tourism development should be for small group activities, not mass tourism. I support glamping options for those who enjoy adventure and comfortable outdoor living. I support `experiences' that are sympathetic to and educational about our precious natural and cultural heritage, not exploitative.	10/30/2020 9:46 AM
39	Issue Residents Permits	10/29/2020 2:17 PM
40	There are limited areas and parking for other commercial services. When I see what has happened to Anglesea with its expansion , awful developments etc I certainly wouldn't want any of that in our area.	10/27/2020 7:02 PM
41	Alternatives to through traffic using Inlet Crescent accessing lighthouse, Bark Hut, Allen Noble Sanctuary, beach at river mouth, skatepark and two separate toilet blocks. It gets really busy in Inlet Crescent over holiday periods as this street links so many of our town's attractions. Buses in particular shouldn't be allowed in Inlet Crescent.	10/27/2020 2:34 PM
42	Public toilets near the top shops	10/26/2020 10:31 AM
43	More parking is probably needed around top and bottom shops in peak season	10/25/2020 4:59 PM
44	Strongly oppose the discussed use of Bambra Rd as a through Rd	10/24/2020 2:54 PM
45	I would like to see more off-peak tourism marketing. Summer is capacity given lack of access roads in our bushfire prone region	10/23/2020 10:16 PM
46	More emphasis on the quality of the motel accommodation, more reflective of the character of the region, more inspired design.	10/23/2020 4:35 PM
47	Accommodation should be limited to eco-tourism - restrictions on AirBnB	10/23/2020 11:43 AM
48	paincalac should be a recreational precinct	10/23/2020 10:42 AM
49	Control parking on footpaths at all times.	10/22/2020 7:19 PM
50	This survey only refers to Aireys/Fairhaven and I do not support major tourist development here. However I think many respondents will assume that the proposed Eden project is the subject of this question and may be used by AIDA to justify apposing this project.. I do support the concept of the Eden project which is much more appropriate in the ALCOA Mine site.	10/22/2020 1:06 PM
51	Diver Facilities. Eagle Rock MS is a massive untapped resource. Victorian divers normally	10/21/2020 8:04 PM

|	have to pay for chartered dive tours to access similar marine sights. Bumping up its profile as an attraction and providing facilities would bring more people to the area. and divers always need a coffee/ lunch after a dive.	
52	Would need to understand more about what's meant by 'parking & traffic management controls' before commenting	10/21/2020 7:18 PM
53	Airey's is too small for "major" tourist development of any kind. Smaller developments only for this area are appropriate	10/21/2020 5:05 PM
54	Ways to harness overseas bus tourists /drivers awareness of environmental issues.	10/21/2020 8:42 AM
55	Within defined areas. However the changes to traffic at Anglesea in peak periods was not a success and alternatives should be found. That would also be beneficial in fire season	10/20/2020 10:33 PM
56	Public facilities - toilets and parking	10/20/2020 9:58 PM
57	Camping sites can mean, noise and rubbish etc, caravan park is fine as it has managers. Campers dont spend a lot but take a lot	10/20/2020 7:45 PM
58	Development of another roadway out to miss Anglesea to ease traffic particularly as a fire emergency	10/20/2020 5:40 PM
59	It would be good to see other egress routes out of town maintained better in case of bush fire. E.g sealing the Aireys Inlet to Bambra Rd	10/20/2020 5:16 PM
60	Alternative routes are essential in the fire season!	10/20/2020 4:55 PM
61	Additional 'development' is superflous to the area	10/20/2020 4:44 PM
62	There is a need to reduce number of buses and cars travelling through this area on their way to and from other destinations	10/20/2020 3:28 PM
63	Access across the Great Ocean Road in summer or weekends can be a nightmare. Lowering the speed limit to 50 kph from the beginning of Aireys to at least the lifesaving club would make crossing the road safer. Also the dangerous crossing at the end of Flaxlilly Lane to the beach needs to be addressed. Perhaps a mirror so that oncoming cars from the lifesaving club can be seen.	10/20/2020 2:44 PM
64	Nothing is needed. Leave it alone	10/20/2020 2:37 PM
65	More parking, toilets & cafe at Arch	10/20/2020 2:04 PM
66	There ia major need for an alternative through route around Aireys and Anglesea for bushfire safety, regardless of any tourism traffic flow.	10/20/2020 1:52 PM
67	great ocean rd inland bypass and links to coast a priority for bushfire evacuation esp in summer. Anglesea roundabouts spell disaster	10/20/2020 9:21 AM
68	If there is expansion of tourist accomodation etc, then there will be a demand for even more commercial facilities to cater for tourists	10/19/2020 10:27 PM
69	We should encourage long term stays in the area.	10/19/2020 10:26 PM
70	Limit major transient tourist traffic	10/19/2020 8:10 PM
71	there is already a tourist facility at Angelsea	10/19/2020 5:31 PM
72	Anglesea requires a bypass	10/19/2020 5:28 PM
73	I am ambivolent about campground facilities. Is there really a demand?	10/19/2020 3:23 PM
74	The development of a road from the back of Anglesea to the Great Ocean Road to avoid the unbelievable traffic congestion at the roundabout in Anglesea. also that area is a MAJOR fire hazard when the next fire occurs , and it will!!	10/19/2020 3:19 PM
75	Good to be part of a plan for the whole region.	10/19/2020 1:54 PM
76	Definitely need alternate routes to avoid traffic blocks	10/19/2020 12:53 PM

#	OTHER AREAS - OR ELABORATION OF YOUR VIEWS:	DATE
1	again as we are relatively new to the area, I do not have a good understanding of the general quality of the infrastructure or the current level of fire reduction work to comment	2/2/2021 11:39 AM
2	1). Erosion, especially beach and dune erosion and the threat to the road. This is bad, and will get worse soon enough. It's a major concern that should be on the watch list. 2)I worked from home (at Aireys) for 8 months. The Internet is better than Melbourne. This can be removed from the watch list.	12/19/2020 6:23 PM
3	underground power lines important for fire safety and visually. Left some blank because i don't have an opinion on them	12/15/2020 9:04 AM
4	Telecom infrastructure- underground	12/14/2020 2:29 PM
5	For internet, Nbn is a now available	12/13/2020 9:52 AM
6	Escape routes-problematic! Get out early. Sewerage/water-not sure how we are currently placed but very important	11/30/2020 9:26 PM
7	Improve the design comfort & quality of the bus stops and their accessibility eg Aireys.	11/29/2020 9:57 PM
8	erosion control on tracks on hillside	11/28/2020 2:08 PM
9	More and better public toilet and changing facilities required.	11/28/2020 11:01 AM
10	resist urbanization Just look at Torquay!	11/27/2020 9:28 PM
11	Construction of low cost affordable houses rather than inappropriate mansions	11/25/2020 5:56 PM
12	I don't know enough about current sewage and drinking water infrastructure to have an opinion	11/22/2020 4:15 PM
13	Don't have the knowldege to comment on sewerage, drainage and water supply.	11/16/2020 12:37 PM
14	How will these initiatives be financed. User pays or ratepayers pay.?A significant issue.	11/13/2020 12:53 PM
15	Street Construction and Lighting is needed to some small extent in a couple of key locations but not as a general things. Again, the survey construction is looking for black or white answers and that is not the situation.	11/12/2020 5:03 PM
16	I'm unclear about any deficiencies in services in the area but would hope that natural values rather than concrete, bitumen and vegetation clearing can be prioitised. these features are what makes Aireys	11/11/2020 12:54 PM
17	New fire station and neighbourhood safer place extended in bottom shops is a priority for the town. Moggs Creek water and sewerage development I think would be a sensible to explore as more and more houses are permanent residents/work from home etc. Connected communities - create pathways between Aireys, Fairhaven, Moggs and Eastern View.	11/10/2020 12:39 PM
18	A slower speed limit through town	11/4/2020 1:47 PM
19	Limits on house size so we avoid 'mega mansion' beach houses that chnage the character of the area.	11/1/2020 3:42 PM
20	The disaster of the Fairhaven underpass needs to never be repeated. Think carefully about what is driving infrastructure requests and advocate for a deliberative process to counter the loud minority voices fo any issue that is raised	11/1/2020 10:26 AM
21	I believe the effluent runoff from nearby horse grazing should be managed in the Painkalac Valley, if horses are to remain. General storm water drainage from Boundary Road down to the valley also needs proper management. Any fire reduction planning needs to observe current climate change predictions and the experience of Indigenous Peoples' cool-burn and patchwork fires to manage forest fires.	10/30/2020 9:46 AM
22	community owned wind turbine like at Daylesford, community facilities run on solar power	10/29/2020 7:55 PM
23	Trying to provide fire shelters and escape routes will only encourage people to be at their holiday homes on days when they would be much safer staying at home.	10/29/2020 4:07 PM
24	The devil will be in the detail - especially for the last item	10/28/2020 11:58 AM
25	We used to have our own water supply	10/28/2020 11:36 AM

26	I think the new street lighting has been implemented without consideration of residents or consequences and should be Reassessed!!	10/27/2020 7:57 PM
27	Accessible Pedestrian crossing Between doctors and chemist - top shops - the existing crossing is unsafe on the church side- falls risks	10/27/2020 7:27 PM
28	My point about drainage is that the dirt roads don't drain because of the substandard "gravel" the Shire uses so water on the roads is an issue. Also I detest the concrete "cross-overs" that owners have to have. Because of the levels never being right the water just accumulates outside the pipe. Plus they look ugly and don't suit the street aesthetics.	10/27/2020 7:02 PM
29	Compacting bins like are used at Lorne may reduce the overflow of some bins at peak times.	10/26/2020 7:55 PM
30	I believe that it is important not to develop too much infrastructure such as sealed footpaths and concrete gutters in order to maintain the natural look of the townships	10/26/2020 2:26 PM
31	I don't live in Aireys so I am unaware of the current situation of the above issues	10/26/2020 8:50 AM
32	Lately our internet has been dropping out, which is very frustrating. Still need further discussion re emergency access/escape particularly when we have large numbers of tourists in summer.	10/25/2020 4:59 PM
33	Better dirt road maintenance. It needs fixing properly.	10/23/2020 8:18 PM
34	Town Water supply should utilise local storage and NOT supply fro Geelong - need to stop Barwon water making decisions based on cost and ease for them - the current system is not resilient.	10/23/2020 11:43 AM
35	The implementation of the NBN has not improved internet access at all. Mobile access is good in normal times but needs extra capacity in holiday periods.	10/22/2020 1:06 PM
36	Am worried about the size of some homes ,which combined with fire protection rules ,leave little room for natural indigenous vegetation	10/21/2020 7:51 PM
37	Coms infrastructure should be not visible or at least hidden by vegetation	10/21/2020 11:22 AM
38	Where are the Don't Know options for Qu 1-3? all in fact!	10/21/2020 8:42 AM
39	No more future developments please	10/20/2020 7:17 PM
40	I'd like to see AIDA apply pressure to government/ Barwon Water for more recycling of waste water as a matter or principle. We should be minimising interference and extraction from our rivers. Ultimately we should be drinking the stuff.	10/20/2020 5:16 PM
41	Quality services can be largely invisible	10/20/2020 4:44 PM
42	There is a big difference between a good idea and not at all. Some additional street lighting might be a good idea in specific locations and some lights could say be turned off at midnight	10/20/2020 2:45 PM
43	land lines were good but oh they have gone??!!	10/20/2020 9:21 AM
44	I'm not sure I answered this correctly -am assuming such facilities as town water supply, for example, don't need further work as now in place.	10/19/2020 10:27 PM
45	Better maintenance of community recreational facilities.	10/19/2020 10:26 PM
46	the first 4 items will need to be planned for if development keeps happening	10/19/2020 5:31 PM
47	I don't understand Q. 7. What does "Fire reduction" mean? Is this about wood burners and smoke? There is an urgent need to make the carpark and footpath outside the Aireys Inlet General Store, Post Office, and Pharmacy safer. The Great Ocean Road needs to be relocated about 3 or 4 metres to the west so that the footpath at the shops can be widened.	10/19/2020 3:23 PM
48	The balance needs to be maintained between the need for infrastructure and the environmental amenity of the areaa	10/16/2020 11:51 AM

Q13 In just a few words, what do you like best about the physical environment, lifestyle and community of Aireys Inlet to Eastern View?

Answered: 371   Skipped: 27

Aireys Inlet District - survey 2020

#	RESPONSES	DATE
1	the wonderful beaches and bush and the relaxed low-key feeling of the area	2/2/2021 11:39 AM
2	I like the sense of calm I feel looking at the ocean surrounding National Park. Further I have found a keen interest in the bird life	1/18/2021 10:07 AM
3	Inclusive, beautiful, friendly, proactive, caring	1/11/2021 8:40 AM
4	Natural Not built up	1/11/2021 8:27 AM
5	Low development. High native vegetation retention	12/20/2020 10:25 PM
6	village in bush beside beaches, cliff and bush walks with views, wildflowers and big sky - impressive all year. Remembering Grandpa who started family holidays at Aireys in the early 1960's - now 3 generations love this place.	12/20/2020 9:23 PM
7	Peaceful and quiet. Love the beach, river and bush. The native plants and animals. Friendly people.	12/20/2020 8:30 PM
8	I like the fact that our local environment has some chance of being maintained as opposed to say Lorne where virtually the whole town is over run with environmental weeds	12/20/2020 12:54 AM
9	The gravel roads, the mix of modern and original housing, the low density of housing, the small local shops.	12/19/2020 9:07 PM
10	birds and kangaroos everywhere. Great beaches, bushwalking and views. The cliff path and the lighthouse are a daily treat.	12/19/2020 6:23 PM
11	Natural setting, close to beach and forrest	12/19/2020 5:59 PM
12	Caring, friendly and safe community	12/19/2020 3:34 PM
13	Such a beautiful place which maintains a relaxed feel even in the busy holiday periods	12/17/2020 10:41 AM
14	The natural environment and the peace and quiet of the gentle township.	12/16/2020 12:33 AM
15	Inclusive, low key type of people; the wonderful Fairhaven Surf Club	12/15/2020 9:04 AM
16	During winter great over summer over crowded	12/15/2020 8:07 AM
17	Aireys Inlet has a village feel and close knit community. We enjoy the lack of commercially built up areas.	12/14/2020 10:25 PM
18	it isn't Lorne	12/14/2020 2:29 PM
19	beach and bush	12/14/2020 1:27 PM
20	The best attractions of the Great Ocean Road that are enjoyed / shared with Lorne and Angelsea without their hustle and bustle.	12/14/2020 1:20 PM
21	Peace and quiet - different to HOLIDAY season- like the good old days! which is why people located there - instead of MONEY MONEY! and development.	12/14/2020 10:28 AM
22	Village country feel	12/14/2020 7:57 AM
23	the environment, easy living, low number of people.	12/13/2020 7:48 PM
24	It never changes	12/13/2020 4:20 PM
25	The natural surroundings of the airways and the coast. The slower and quieter lifestyle (although road traffic is becoming more of a problem as people pass through Aireys Inlet.	12/13/2020 3:02 PM
26	the bush is close at hand, and it has been in the past a quiet and peaceful seaside area.	12/13/2020 2:36 PM
27	Natural!!	12/13/2020 11:59 AM
28	Peaceful	12/13/2020 11:37 AM
29	Low key. No high rise buildings spoiling the natural visual environment. Beaches never overrun with crowds.	12/13/2020 10:54 AM
30	It's very relaxed and you feel connected to nature	12/13/2020 10:36 AM

31	Coastal village character. Individual building designs should not be too controlled. We don't want Torquay but we also don't want Dinner Plan.	12/13/2020 9:55 AM
32	Relaxing	12/13/2020 9:52 AM
33	It's a place to escape the hustle and bustle it's a real feeling holiday escape but u still can pick up a coffee without lining up for ages. Outdoor natural space and the delights it provides	12/13/2020 9:50 AM
34	Beautiful, natural	12/13/2020 8:55 AM
35	That people tend to drive past rather than stop!	12/13/2020 6:52 AM
36	It's isolated, rustic, non commercial and untouched	12/13/2020 12:19 AM
37	The native veg to the beach. I love it most during winter & in quiet times when it's like it used to be	12/12/2020 10:38 PM
38	I like the fact Aireys and Fairhaven are still reasonably quiet compared to Anglesea Torquay and lorne	12/12/2020 9:57 PM
39	step back in time to coastal living. Angelsea, torquay and Lorne no longer have the vibe	12/12/2020 9:46 PM
40	Not too developed. Dirt roads. No big shops. Cliff walk tracks. Community connection. Native environment. Surf life saving club.	12/12/2020 8:37 PM
41	It's so wild and natural in most parts, a real escape	12/12/2020 8:30 PM
42	The serenity	12/12/2020 8:26 PM
43	Laid back	12/7/2020 9:03 PM
44	Low density housing development compared to other surf coast towns. Community, sport and recreation focus. Beautiful and scenic physical environment.	12/7/2020 9:17 AM
45	Natural & not too developed	12/4/2020 6:18 PM
46	i like low key relaxation	12/1/2020 6:52 PM
47	nature, informality, relaxed vibe	12/1/2020 6:10 PM
48	Low density, low impact variety of landscapes restful natural	12/1/2020 12:08 PM
49	Relaxed beach holiday lifestyle & natural beauty	12/1/2020 11:26 AM
50	Big sky. bird life. walking tracks. friendly neighbourhoods.	12/1/2020 10:39 AM
51	That the built environment is low rise and there is generally nothing over 2 storeys. That bushland and natural vegetation dominates most views. Access to varied types of beaches and the inlet river. That cars are catered for but that they dont dominate	12/1/2020 9:56 AM
52	Easygoing, laid back, friendly. Wild, natural beaches, walking trails, community fair with quality local goods	11/30/2020 9:26 PM
53	Peaceful natural areas and beaches	11/30/2020 4:20 PM
54	The surrounding bush, and indigenous vegetation along the main roadsides. The preservation of the wetlands, view of the lighthouse and coast	11/30/2020 10:01 AM
55	Wide range of natural values, coastal, marine, forests and hinterland	11/29/2020 10:49 PM
56	The natural environment remains dominant, with buildings low scale and blending in. A causal and relaxed way of living in a friendly and connected community.	11/29/2020 9:57 PM
57	Peaceful. Connection to nature. A sense of local community, not too "big", etc	11/29/2020 9:11 PM
58	The natural environment, the beach, orchids, bush walking tracks	11/29/2020 4:05 PM
59	Bush, scrub, coastal plants, bids, unspoilt character	11/29/2020 12:11 PM
60	I like the village atmosphere & lack of hustle & bustle.	11/29/2020 12:04 PM
61	The control on commercial development and the conservation of natural environment	11/29/2020 11:17 AM
62	Its a great place to be, markets, nice shops, friendly people.	11/29/2020 9:09 AM

63	The natural beauty, and low key way of life. Which has changed considerably. We're on the map, more money's moved in, more people pressure. Still beautiful, but diminished	11/28/2020 10:21 PM
64	The lack of development. The easy access to large tracts of bush andbeach. The lack of " developed" activities and entertainment. The low key housing development The community organizations such as the Saturday rubbish pick up, the community garden efc	11/28/2020 8:55 PM
65	The bushy feel, lack of development, quiet, peace, bushy feel, gravel roads, rural environment (very sad about the destruction of bushy surrounds of Steppe car park, very very sad about the amount of tourist traffic around the Eagle Rock, Steppe car park area, very, very, very sad about the amount of rubbish left around the steppe car park - would love to see all tourist traffic diverted to highway car parks and any lighthouse vicinity visitors being encouraged to walk from the highway car parks.	11/28/2020 7:16 PM
66	The ability to enjoy the bush and the beach without having to travel far or use a car.	11/28/2020 5:30 PM
67	forests; ocean;relaxed lifestyle; smallish community	11/28/2020 2:11 PM
68	bush walking, beach, out of school holidays - not busy	11/28/2020 2:08 PM
69	It is relaxed	11/28/2020 12:26 PM
70	I enjoy the accessible natural beauty of the area's flora and fauna	11/28/2020 12:00 PM
71	It's the serenity	11/28/2020 11:54 AM
72	Natural beauty, serenity, native wildlife, native trees and plants and the environment.	11/28/2020 11:11 AM
73	Natural environment. Unspoiled und uncrowded beaches. Walking tracks. Friendly community except during Covid. Some hypocrisy there.	11/28/2020 11:01 AM
74	Its lay back lifestyle that is family friendly without the hype and glitz of so many seaside towns. I love the village atmosphere of Aireys and would be disappointed if that were to change	11/28/2020 6:30 AM
75	Natural beauty. Peaceful. Village atmosphere.	11/27/2020 10:32 PM
76	A lovely place to live	11/27/2020 10:25 PM
77	Natural environment Plant and animal biodiversity. Beaches Surfing here since 1968	11/27/2020 9:28 PM
78	The ocean The lack of shops and other amenities The proximity to the national park Friends	11/27/2020 9:16 PM
79	March and October. Fewer people around	11/27/2020 8:48 PM
80	Small population, bush land and beach in close proximity	11/27/2020 8:40 PM
81	Small community which both the wonders of the bush with the uplifting inFluence of the ocean and sea shore. A diverse range of geology evident in the cliff faces offers an understanding of our ancient land.	11/27/2020 8:08 PM
82	Superb natural environment with unsophosticated continuity in local development.	11/27/2020 7:49 PM
83	The open ,natural beauty the area.	11/27/2020 7:28 PM
84	living in this village as opposed to city must be protected	11/27/2020 7:24 PM
85	It is a quiet country town which does not not replicate the suburbia of Anglesea or Torquay	11/27/2020 7:18 PM
86	Natural features	11/27/2020 6:29 PM
87	Natural environment. Peace. Natural beauty. Beaches. Forest.	11/27/2020 4:09 PM
88	It's still a beautiful cosy environment. It hasn't been ruined. Still has retained its village feel	11/26/2020 9:43 PM
89	The mixture of forest and coastal environments because it is quite rare within Victoria to have protected forest right on the coast.	11/26/2020 4:26 PM
90	The fact that it is a beautiful natural environment to be enjoyed	11/25/2020 5:56 PM
91	The non urbanisation of the area	11/24/2020 5:05 PM
92	We have been part time residents of Fairhaven for almost 20 years. We love the area for its	11/24/2020 5:00 PM

	peace and is largely unspoilt by commercial development. We want to maintain and conserve the fragile environment. I am conscious that the area will be impacted more by more and more tourism. My preference would be to let people go to already existing hotspots like Lorne for their cafe and shopping fix.	
93	Undeveloped, natural atmosphere and environment. Uncrowded and small community. Lots of options for recreational activities - business, river, sea. Pub and Shops. Focus on environment, aesthetics and development controls (only area in Vic that seems to have the sort of development and environmental controls that are normal throughout Europe)	11/23/2020 2:06 PM
94	Rural atmosphere with excellent food.	11/22/2020 5:58 PM
95	Relaxed lifestyle, great community, and fantastic environment to enjoy everyday.	11/22/2020 5:15 PM
96	The natural coastline and beaches. The relaxed, laid back feel. The National Park.	11/22/2020 4:15 PM
97	Scenic beauty. Fresh seaside vibe. Low rise buildings.	11/22/2020 11:15 AM
98	Beautiful beaches, closeness to farms and rural outlooks, Pankalac, and bush close by. Limited development and well defined town boundary	11/22/2020 9:19 AM
99	local community and surfing community	11/21/2020 2:42 PM
100	Long beach with multiple access points. No commercial activity at Fairhaven. All ages here	11/21/2020 1:04 PM
101	Trees	11/19/2020 9:12 PM
102	Lots of walking tracks in the bush and beach walking opportunities. Good community of caring people.	11/19/2020 6:17 PM
103	The size of the town is just right - enables a great sense of community. It attracts people who are tolerant, caring and who value the natural environment. It has a significant permanent population as opposed to being a holiday house town. The building styles are low key rather than ostentatious, although this is under threat.	11/19/2020 5:10 PM
104	How it was 10 years ago prior. Due to all the events, which are nice in theory, it is loosing the local and community feel and connections, including local areas being very busy. Therein removing what people who live here came here for/value/ enjoy. The friendliness, good values and ethics of many, the rawness of the environment, and safety of the area. It has not fully sold-out for tourism and tourism businesses just yet - that is to be praised as takes effort and vision for a stronger future	11/17/2020 10:18 PM
105	Balance between natural environment together with thriving retail community. Need to support local and visitor experience.	11/17/2020 11:59 AM
106	the variety of outlooks, bush, coast, heath, river valley and climbs - so conducive to a healthy outdoor life	11/16/2020 6:31 PM
107	Native vegetation, peace and quiet, small communities, village atmosphere, wildlife in residential areas	11/16/2020 12:37 PM
108	Sense of community, natural environment	11/16/2020 9:32 AM
109	Been coming here all my life. A home during lockdown. Much nicer than bayside towns. Keep preserving the beauty. Would love some connections with indigenous heritage. Information and education to help connect with the place and country.	11/14/2020 3:49 PM
110	So much nature left as indigenous species. Surf club very important. Community feeling	11/14/2020 3:48 PM
111	Coastal	11/14/2020 2:34 PM
112	A beautiful place being loved to death	11/13/2020 6:00 PM
113	This is a wonderful area that scores highly on all fronts. It deserves to be protected from the problems that so many places in Victoria are facing because of the growth of tourism and commercial interests taking priority. THE CURRENT COMMERCIAL OPERATORS SHOW A HIGH DEGREE OF INTEGRATING THEIR BUSINESS AND COMMUNITY INTERESTS. THEIR APPROACH IS A GOOD MODEL FOR THE FUTURE BUT IT WON'T HAPPEN WITHOUT LEADERSHIP	11/13/2020 12:53 PM
114	The natural environment, the friendly local community, the off-season when it's quiet, the good	11/13/2020 10:26 AM

selection of local shops, the amazing range of skills amongst locals.

115	The sea views and bush, cliffs walks coffee wetlands and birds	11/12/2020 7:46 PM
116	Sea views; rural/country views; no major developments; "country town" general store feel.	11/12/2020 5:03 PM
117	Retains a wild & natural feel even tho is now heavily populated	11/12/2020 12:19 PM
118	Natural coastal environment	11/12/2020 12:19 PM
119	Bush meets beach. Birdlife, wildlife	11/12/2020 10:14 AM
120	Predominance of the natural flora and sea and landscapes show it is possible for people to live in harmony with the natural world as long as we value what we have and work hard to preserve it.	11/12/2020 8:48 AM
121	The unique coastline and beaches, the unmade roads, the diversity of housing, community feel, being able to say hello to anyone in the street or on the beach	11/11/2020 9:45 PM
122	Nature	11/11/2020 8:28 PM
123	Environment - beach and natural bush, national park, walks. Friendly community, pub music. Community groups supporting sound environmental management.	11/11/2020 8:25 PM
124	Natural, native, quiet	11/11/2020 7:51 PM
125	The people and the environment! The people are there because they love the beach and the bush. Where would you rather be during the pandemic lock-down - central Melbourne or our coastal heaven?	11/11/2020 6:49 PM
126	It's country feel, small enough to be a fairly cohesive community so can get to know people	11/11/2020 6:34 PM
127	It's a quiet place to relax and escape. The feature that is most important is being lost and that is the unspoilt nature of the district.	11/11/2020 6:33 PM
128	Its beautiful forested areas, walking tracks and superb beaches	11/11/2020 6:24 PM
129	the unique attractiveness of our physical environment and lifestyle	11/11/2020 5:15 PM
130	the wonderful mix of small scale rural living, native vegetation in bushland, a minimum of concrete, fencing, defined paths, and an abundance of wildlife, glorious vistas and small scale community living.	11/11/2020 12:54 PM
131	Proximity of nature. Diversity of habitat. Active community groups. Cultural opportunities. Informality.	11/11/2020 8:05 AM
132	It's low key with sufficient development for locals and visitors	11/11/2020 6:12 AM
133	- many options to enjoy bush and beach - engaged community - low impact, well designed development for both locals and visitors	11/10/2020 11:54 PM
134	The relative (compared to Torquay, Anglesea, Lorne) in tact nature and low development - particularly Fairhaven through to Eastern View. This must be maintained. Constant threats to diminishing this even via seemingly low risk exercises such as the Moggs Bridge replacement where community consultation achieved a better result than would have been the case - yet still a very large and very suburban piece of infrastructure has been the result. (street and pointless bridge lighting, airport carpark style bollards, huge crash barriers, total encasement by barriers etc Not good.	11/10/2020 10:18 PM
135	Still retains some of its early charm from the beach side town it was.	11/10/2020 6:24 PM
136	There is great balance between the iconic coastline, complemented by hinterland bush land, with decent walking tracks to enable access to enjoy the natural environment and views. Aireys Inlet has a good range of cafes, the pub & other restaurants that, combined with the General Store and excellent special events, offer the opportunity to leave the car in the garage & enjoy everything by foot. Angair and the Community Garden provide complementary support for enhancing appreciation of the natural environment and sustainable living. A major benefit for the area is that there is no single point of tourism attraction (maybe the lighthouse is a minor exception) that encourages too many people to overstay and so results generally in a feeling of space.	11/10/2020 4:25 PM
137	Nature, community driven, environmentally conscious, visitor friendly, light house, bush,	11/10/2020 12:39 PM

	beach.	
138	A unique natural environment. Welcoming and relaxing with a small town feel	11/10/2020 10:43 AM
139	The wonderful natural environment. I favour consideration of sealed, appropriately designed residential streets to lesson the dust problems for residents.	11/10/2020 10:36 AM
140	The natural beauty. It's the most important thing there is and it needs to be protected and conserved forever.	11/10/2020 8:52 AM
141	Stunning environment which we should protect for current and future generations, relaxed lifestyle, friendly and engaged community	11/9/2020 9:09 PM
142	Natural seaside and bush charm	11/9/2020 2:23 PM
143	Friendly locals, stunning natural environment with developed walking paths, teeming birdlife and other fauna. No need to use the car, can walk to shops, cafes, restaurants.	11/9/2020 2:04 PM
144	Natural environment with wide range of outdoor activities available.	11/8/2020 10:46 PM
145	It's relaxed, low key nature centred involvement.	11/8/2020 5:07 PM
146	Beach walks	11/6/2020 7:37 PM
147	A relaxed friendly living environment. Not too much tourism but enough for the local community to make a profit.	11/6/2020 11:54 AM
148	The amazing beaches and the bush still not dominated by development	11/5/2020 8:42 PM
149	It's natural and relatively intact with low density use	11/5/2020 2:30 PM
150	Natural environment, local community	11/5/2020 7:11 AM
151	The area is still retained as a village atmosphere	11/4/2020 6:26 PM
152	That there is minimal invasive "development" and suburbanisation	11/4/2020 2:49 PM
153	Life	11/4/2020 1:47 PM
154	Wildlife, especially birds, this should be emphasised in approaches to development issues: I understand Aireys is internationally recognised for its birdlife.	11/3/2020 1:53 PM
155	Natural beauty	11/3/2020 9:57 AM
156	I like the sense of freedom	11/3/2020 8:27 AM
157	Open landscape, ocean meeting bush, small relatively environmentally focused community which needs to be protected including wildlife	11/2/2020 10:14 AM
158	The close proximity of the sea to the bush -	11/2/2020 10:13 AM
159	The bush and the beach.	11/1/2020 9:05 PM
160	Not too many houses, so it's mostly quietand plenty of spcae for everyone. Connection to pristine natural environement of beach and bush.	11/1/2020 3:42 PM
161	Clean, healthy sustainable	11/1/2020 10:26 AM
162	Absence of highly urbanised (impervious) roads, kerb and chanelling, pavements and the retention of natural flora.	10/31/2020 4:51 PM
163	Low key, casual and natural	10/31/2020 2:28 PM
164	Natural coastal sea & bush environment. Relaxed lifestyle	10/31/2020 12:11 PM
165	Relaxed non-pretentious townships visually integrated with the local environments of cliff, bush, valley and creek - with the over-arching visual importance of the lighthouse. People walking in family groups and kids playing along our unmade streets. Walking access everywhere, including from many house to the beach or to the National Park. Rich community organisations and friendly encounters on the cliff path and at shops and cafés.	10/30/2020 5:12 PM
166	The diversity of environments - beach, estuary, cliffs, bushland.	10/30/2020 12:28 PM
167	It's not the city.	10/30/2020 9:54 AM

168	No traffic (noise and safety); ability to walk safely around the streets day or night; well-maintained town, clifftop, heathland and forest, walking paths; wide horizons, low-rise built environment that doesn't intrude on the natural landscape; friendly neighbours; active community groups (Friends of Allen Noble Sanctuary and Eastern Otways, ANGAIR, Community Garden, Facebook); bookshop, beaches, General Store (all top shops as the hub - must include the PO and chemist); open spaces for recreational activities (Skate Park, Bark Hut, Community Hall); good local tradies; Fairhaven Surf Lifesaving Club, etc.	10/30/2020 9:46 AM
169	The beauty of the natural environment should not be disturbed. Large tourist buses should be restricted	10/29/2020 9:43 PM
170	It is as natural as it could be, so let's keep it there.	10/29/2020 8:20 PM
171	combination of ocean and forest	10/29/2020 7:55 PM
172	The natural landscapes, serenity and lack of commercial developments.	10/29/2020 4:07 PM
173	The peacefulness and ability to enjoy the outdoors without overcrowding	10/29/2020 3:30 PM
174	peace	10/29/2020 2:17 PM
175	scenic, relaxing, diversity	10/29/2020 1:58 PM
176	I love Aireys during its winter months, when the tourists aren't around and Aireys just feels like a little close knit community and not a town full of BMW drivers and Karen's	10/29/2020 11:25 AM
177	Relaxed lifestyle in small community not over run by excessive development	10/28/2020 3:15 PM
178	The area has not been over developed & has a relaxed "village" atmosphere.	10/28/2020 12:31 PM
179	The combination of surf and bush; the relaxed and friendly atmosphere	10/28/2020 11:58 AM
180	Nice	10/28/2020 7:17 AM
181	The amazing uninterrupted views, the quiet relaxed lifestyle and the friendly feel.	10/28/2020 6:43 AM
182	Relaxed & beautiful	10/27/2020 11:04 PM
183	It's relaxed and natural beauty	10/27/2020 7:57 PM
184	Peaceful undisturbed cottage feel of this town - with all essential services and infrastructure-retained natural environment	10/27/2020 7:27 PM
185	I love the natural environment. The ocean, the bush and being able to live within that without impacting the environment too greatly. It's a unique place and I think it should be marketed as a "slow" destination. It's a place to unwind and relax and observe the surroundings in a quiet way. The wildlife is stunning, the birdlife, the kangaroos, all of it makes our area a wildlife haven and it needs to be protected. The biggest danger to our wildlife, to our natural environment is people. It has to be managed appropriately .	10/27/2020 7:02 PM
186	Beauty of nature in our small town.	10/27/2020 5:40 PM
187	Great area	10/27/2020 5:24 PM
188	Natural setting and lack of major developments	10/27/2020 4:58 PM
189	Relaxed, environmentally sensitive and not over-built	10/27/2020 4:54 PM
190	Diverse opinions, tourism, agriculture & coast	10/27/2020 4:13 PM
191	The lack of public car parking reduces the amount of day trippers.	10/27/2020 3:54 PM
192	Beach and bush, nature walks, bird life, easy going lifestyle and great community	10/27/2020 3:48 PM
193	Natural environment	10/27/2020 3:31 PM
194	It's home , is quiet , it's close to beach and bush.	10/27/2020 3:31 PM
195	Low key, relaxed, family orientated. Nature at its best.	10/27/2020 2:34 PM
196	It's natural beauty, serenity, seclusion and immediate access to both beach and forest environments.	10/27/2020 2:29 PM

197	Unspoiled and generally relaxed and low key. Natural environment is still the priority. Timeless. Sense of belonging.	10/27/2020 1:49 PM
198	Beauty, serenity, natural environment, proximity to sea and forest.	10/27/2020 1:26 PM
199	Proximity to unspoiled bush and expansive beaches, with low key lifestyle	10/27/2020 10:58 AM
200	The seamless residential and natural beauty.	10/27/2020 9:19 AM
201	The natural beauty of Aireys native flora, fauna and the community spirit.	10/27/2020 9:12 AM
202	Like the mostly unspoiled environment and really appreciate the efforts of local groups to beautify by maintaining things like the sanctuary and rubbish collection	10/26/2020 7:55 PM
203	Bush and Beach. Walking and surfing. small communities that are connected and look out for each other	10/26/2020 2:26 PM
204	The outdoor activities such has bike riding and walks/hikes. The native flora and fauna	10/26/2020 1:59 PM
205	The beautiful bush to walk through, to admire, the friendly supportive community where everybody know somebody, the range of stimulating , healthy activities	10/26/2020 10:31 AM
206	As a person from Torquay who frequently passes through Aireys, and also kayaks on Painkalac Creek,I get the feeling the town has a sense of community, development has been kept to a minimum and nature abounds. Please keep it this way. It's beautiful.	10/26/2020 8:50 AM
207	Sleepiness of the community and love of the nature.	10/26/2020 4:01 AM
208	Understated, natural, welcoming	10/26/2020 12:51 AM
209	I love that we have the sea and the forest so close to us. It's also fabulous that we have and maintain a mix of generations. Hearing the ocean of a night is blissful and our lack of street lighting soooo wonderful. The community here is most welcoming.	10/25/2020 4:59 PM
210	Natural beauty, unspoilt environment, beach and bush, nature-based activities, low-key village atmosphere	10/25/2020 3:20 PM
211	Natural beauty and friendly community	10/25/2020 3:06 PM
212	The coastal paths and peace and quiet	10/25/2020 2:57 PM
213	Natural environment with limited infrastructure, friendly community, limited accommodation for tourists	10/25/2020 7:39 AM
214	Quiet community for most of the year	10/25/2020 7:31 AM
215	Its so low-key that it's invisible!	10/24/2020 4:27 PM
216	The diverse fauna and flora, the beauty of the area and the relaxed environment - and the beaches.	10/24/2020 2:54 PM
217	Authentic coastal lifestyle in beautiful natural setting with small village feel.	10/24/2020 2:28 PM
218	The lack of commercial, retail and tourism hotspots makes this spot a special, tranquil and quiet place when compared to nearby Anglesea and Lorne. The business and density of Anglesea and Lorne - and the environmental destruction that inherently goes with that - is extremely unappealing and depressing. Let's keep Aireys to EV a quiet place for comparatively few people.	10/24/2020 10:23 AM
219	Natural beauty and close community with all necessary services within the township	10/23/2020 10:16 PM
220	It's low key, relaxed, unrushed, quiet (apart from pub music) and safe	10/23/2020 9:07 PM
221	The ocean, the bush and the bird life.	10/23/2020 8:18 PM
222	I like the gentleness of our town and it's relaxed feel and our sense of community	10/23/2020 7:09 PM
223	we have a laid back, relaxed feel, esp. when compared to anglesea / lorne.	10/23/2020 5:26 PM
224	Low key development, sympathetic to the environment. Cohesive community. Lifestyle is reflective of the priority given to the natural environment and the community itself	10/23/2020 4:35 PM
225	The unsophisticated village like atmosphere and environment	10/23/2020 3:16 PM

226	Convivial, community and nature, perfect balance between social connection and privacy	10/23/2020 11:43 AM
227	bush setting and recreational opportunities	10/23/2020 10:42 AM
228	Beautiful quiet beaches	10/22/2020 7:41 PM
229	Lots of trees	10/22/2020 7:19 PM
230	It is a beautiful place	10/22/2020 6:35 PM
231	the beauty of the landscape of bush meeting beach, the possibility of meeting wildlife, though that has diminished over time, the pleasant community.	10/22/2020 5:21 PM
232	Its natural and relaxed ambience.	10/22/2020 4:57 PM
233	Fantastic views, great bushland and the people	10/22/2020 1:14 PM
234	The feeling of Community. Access to Lorne Medical centre ,services and hospital .The Natural ENVIRONMENT	10/22/2020 1:07 PM
235	Unspoiled natural environment, opportunity for recreational enjoyment, low key infrastructure most community needs are met with access to Anglesea for major shopping. Friendly people	10/22/2020 1:06 PM
236	Relatively underdeveloped but adequate general amenities. Quiet, peaceful. Natural beauty. Access to both ocean and forest landscapes.	10/22/2020 11:54 AM
237	Beaches, the serenity and the coming together of people in the pub and restaurant.s	10/22/2020 9:21 AM
238	Living amongst nature. Great community who care about each other and preserving the natural environment. Good cafes and restaurants. The active volunteers who are into human rights, gardening, weed management and so much more. The arts and music	10/22/2020 8:18 AM
239	Aireys (and Anglesea) is a very environmentally focused community with great respect for the people and environment. I love it because it ISNT developed like Torquay.	10/21/2020 8:04 PM
240	I find it a friendly relaxing place and appreciate its natural beauty .	10/21/2020 7:51 PM
241	Quiet	10/21/2020 7:36 PM
242	Natural landscape, low-key coastal character, simple shopping area and high quality local market, good cafes/restaurants	10/21/2020 7:18 PM
243	The separation of the individual communities. The clean air	10/21/2020 6:28 PM
244	Quiet and natural and supportive	10/21/2020 5:54 PM
245	Lovely community feel , great bush walking	10/21/2020 5:44 PM
246	I am in Moggs Creek, the quiet and sense of closeness to nature that this hamlet offers. No Shops, no parking, min through traffic, gravel roads, single dwelling though the buildings covering boundary to boundary that are approved are troubling as this impacts water runoff, erosion, vegetation, ground water etc	10/21/2020 5:05 PM
247	Friendly diverse community access to Natural bush and ocean Adequate shops and cafes/ restaurants	10/21/2020 3:56 PM
248	I like the peaceful aspect and the beauty of the coastline. I would perhaps like to have a couple of extra benches for seating between Fairhaven and eastern view.	10/21/2020 2:51 PM
249	the beauty	10/21/2020 2:10 PM
250	A community who appreciates the unique environment.	10/21/2020 2:07 PM
251	The relative peace and quiet after the ever increasing busy periods. The only reason tourism is encouraged is so some people can make more money from it. The rest of us who not only don't make financial gains out of tourism, have to put up with unfavourable traffic and overcrowding conditions so may prefer not to increase visitor numbers. Many of us who chose to live here did so for the peace and serenity with a strong desire to be connected to nature. Also, increased visitor/resident numbers creates a fire risk over summer-only one road out (single lane too) and hundreds of thousands of panicked people make for a very dangerous situation.	10/21/2020 1:47 PM

252	Serenity	10/21/2020 1:43 PM
253	Layed back beach community	10/21/2020 1:39 PM
254	the beach and bush aspect with limited (Only necessary) infrastructure	10/21/2020 11:22 AM
255	Everyone gets to enjoy Aireys Inlet in their own way. Shared pathways and shared tracks are necessary to maintain good community harmony	10/21/2020 10:08 AM
256	quiet, beautiful, environmentally protected, not too many people, recent lack of tourism is great!!	10/21/2020 8:42 AM
257	Low key village feel and natural environment for flora & fauna	10/21/2020 8:29 AM
258	The natural environment is incredibly diverse and must be preserved. There is no place like it in Victoria	10/21/2020 7:41 AM
259	I love that it is a natural environment.	10/21/2020 7:09 AM
260	Kind community. Beautiful Beaches. I love living here	10/21/2020 7:02 AM
261	It is simple. Offers everything the city can't offer. Don't turn it into a report town. We can go to Lorne or Torquay for that.	10/20/2020 11:32 PM
262	The cliff top walking track. The lighthouse It still has a feeling of seaside village	10/20/2020 11:32 PM
263	Natural environment, serene, great community.	10/20/2020 11:17 PM
264	Life style . Great area to live in	10/20/2020 11:14 PM
265	The serenity	10/20/2020 10:33 PM
266	Access to incredible environments free from crowds	10/20/2020 10:19 PM
267	The balance between natural beauty and build environment must be maintained, and new builds must not overwhelm their block or neighbor hood- we are a community of beach houses not trophy homes.	10/20/2020 10:18 PM
268	the biodiversity and natural ecosystems both marine and bushland	10/20/2020 9:58 PM
269	The most beautiful thing is the natural environment, which should be preserved at all cost.	10/20/2020 9:49 PM
270	a few words for three seperate things... sheesh	10/20/2020 9:08 PM
271	Natural fauna and flora, views, geology	10/20/2020 8:54 PM
272	It's natural beauty, healthy lifestyle and connected community	10/20/2020 8:43 PM
273	The best beach in Australia	10/20/2020 8:33 PM
274	Great family area for beach to bush activities. Nice walks and coffee. The best beaches in the world. Bush fires are a worry.	10/20/2020 8:19 PM
275	It is beautiful, full of nature and not too developed.	10/20/2020 8:14 PM
276	Low key,environmentally aware,community involvement	10/20/2020 7:57 PM
277	Access and community	10/20/2020 7:50 PM
278	-	10/20/2020 7:48 PM
279	Relaxed atmosphere with a slight buzz during public holidays bringing some money to sustain lively hoods within the town and but then going and returning us to peace and relaxation until the next lot of visitors arrive.	10/20/2020 7:45 PM
280	Quiet, natural beauty unspoilt by over the top tourism	10/20/2020 7:35 PM
281	Natural aesthetics of the town surrounded by Ocean and National park	10/20/2020 7:27 PM
282	Same as first stated	10/20/2020 7:17 PM
283	Winter when it's only locals and no part timers especially entitled Melbournites	10/20/2020 6:33 PM
284	Untouched beauty	10/20/2020 6:13 PM

285	The beauty of 'the forest meets the sea' Small town lifestyle but close enough to all the facilities of Torquay and Geelong Great sense of togetherness in the community	10/20/2020 6:12 PM
286	village atmosphere, unobtrusive commercial areas	10/20/2020 6:10 PM
287	caring people who respect the environment	10/20/2020 5:42 PM
288	Country village living with walking tracks, beaches and basic facilities	10/20/2020 5:40 PM
289	The lower level of facilities improves the amenity for locals by placing less tourism pressure on the town. Tourism is ok at reasonable levels, but changing the character to increase the "tourist experience" would be a negative in my opinion.	10/20/2020 5:32 PM
290	Small township with a good variety of shops and supplies to enable comfortable living here. Spoilt for choice with recreation and beaches	10/20/2020 5:21 PM
291	I love the connectness of the community, and I love the unspoilt forests and beaches.	10/20/2020 5:16 PM
292	It's mostly undeveloped.	10/20/2020 5:12 PM
293	Beach at the front, bush at the back. great walking on both. Still a place with a laidback attitude. Not over crowded, except Xmas / Jan holidays	10/20/2020 5:09 PM
294	Nature	10/20/2020 5:05 PM
295	Peace and ambience of the area both bush and sea.	10/20/2020 5:03 PM
296	An engaged community that draws on the natural and human environment. A creative, stimulating place to engage with the natural world and the arts.	10/20/2020 4:55 PM
297	Well serviced relaxed coastal lifestyle within the natural environment	10/20/2020 4:44 PM
298	Relaxed, the bird life, not too crowded but everyone happy to share the space	10/20/2020 4:21 PM
299	Largely natural and unspoilt, quiet.	10/20/2020 4:17 PM
300	It's natural beauty and native vegetation	10/20/2020 3:39 PM
301	Access to both the bush and the ocean and living in a small, friendly, supportive community.	10/20/2020 3:36 PM
302	The easy access to nature such as bush walks, beaches and wildlife. There are few places like this left	10/20/2020 3:28 PM
303	Being able to live so closely to nature.	10/20/2020 3:21 PM
304	The lack of retail shopping	10/20/2020 3:09 PM
305	all of it	10/20/2020 2:55 PM
306	There are so many incredible and varied walks in the area. The beach is one of the most beautiful in the world - the caves, cliffs, sand dunes and White Lady make it a photographers paradise. The birds and Australian animals living in our backyard are beautiful. The sculptures eg the Bunyip tree are stunning. I'm always proud to show of what we have in this wonderful place.	10/20/2020 2:44 PM
307	The way it is now is just fine, dont add stuff, dont add rules, dont over govern	10/20/2020 2:37 PM
308	Quiet lifestyle	10/20/2020 2:34 PM
309	Beach	10/20/2020 2:31 PM
310	The people and the opportunities to explore our natural environment	10/20/2020 2:21 PM
311	Close knit community, close to the city with lots of opportunities.	10/20/2020 2:04 PM
312	Small rural community. Residential as well as tourist with natural beauty	10/20/2020 1:57 PM
313	The nature and close knit community	10/20/2020 1:56 PM
314	Relaxed; rural; valley and ocean views; lovely beaches backed with cliffs or dunes; low pace; non-commercial feel; atmosphere of honesty/safety.	10/20/2020 1:52 PM
315	Natural, not many developments	10/20/2020 1:51 PM

316	Bush Beach	10/20/2020 1:48 PM
317	The amazing beach	10/20/2020 1:42 PM
318	The trees	10/20/2020 1:40 PM
319	Relaxed feel, quite costal town that is not as overwhelming as places like Anglesea and lorne. I like the beauty and naturalness of the lamdscape	10/20/2020 1:31 PM
320	Laidback, relaxed, slow, nonurban	10/20/2020 1:10 PM
321	The lifestyle and community has a real village feel which should be preserved as a priority. The physical environment is beautiful with very accessible and uncrowded beaches and walking tracks.	10/20/2020 12:39 PM
322	Outdoor, Green and relatively untouched	10/20/2020 10:49 AM
323	relaxed and based on enjoying the natural beauty of the area	10/20/2020 9:21 AM
324	Access to natural Bush land and natural flora and fauna and a wonderful coast line	10/20/2020 9:19 AM
325	The relaxed atmosphere and the common bond among most residents.	10/20/2020 9:15 AM
326	Relaxed, quiet and controlled population growth. God's creation is beautiful and Aireys Inlet shows this off to perfection.	10/20/2020 8:01 AM
327	privacy, seclusion, peace and quiet.	10/19/2020 10:46 PM
328	The beauty of the environment both beach and bush, with the richness of plants and animals, lovely walks and lack of crowds for most of the year. Presence of many like-minded people	10/19/2020 10:27 PM
329	The physical environment is spectacular inviting participation by both residents and visitors.	10/19/2020 10:26 PM
330	Natural, unspoilt, friendly, connected, compassionate	10/19/2020 9:28 PM
331	A beautiful, natural area with a close community and relaxed lifestyle.	10/19/2020 9:27 PM
332	Quiet community in the bush. Keep it limited, keep it quiet.	10/19/2020 8:10 PM
333	Relatively little development and access to beach and natural environment. Unspoiled by tourist commercialism	10/19/2020 6:37 PM
334	Beautiful, so photogenic, unique in places, clean fresh air, quiet and unspoilt at this time. The people keep its serenity so well. Apart from main holidays!	10/19/2020 6:35 PM
335	the village feel surrounded by beautiful environment, supportive and active community, with places to socialise and enjoy the arts	10/19/2020 5:31 PM
336	Relaxing	10/19/2020 5:28 PM
337	Its my break from the city with the quiet country feel and the bonus of the beach nearby. I have been going there for 60 years and it has changed so much	10/19/2020 5:14 PM
338	the rawness of the local bush, easy lifestyle and likeminded people	10/19/2020 4:48 PM
339	Bush and beach. Still as natural an environment with subtle development	10/19/2020 4:47 PM
340	Quiet lifestyle with close community that is nestled with in an amazing and precious natural environment that needs protection	10/19/2020 4:43 PM
341	That is still fairly natural and Undestroyed	10/19/2020 4:34 PM
342	bush and birds	10/19/2020 4:31 PM
343	Village feel, small, under developed, good community feel, no large high rise developments.. love the coast walk , but starting to get too many people..	10/19/2020 4:22 PM
344	Wide variety of natural beauty, slow pace, quiet, lack of people and cars, small shop precincts with most things on offer, local eating places, community events like market, availability of tennis	10/19/2020 4:08 PM
345	low key, natural environment still intact, not overdeveloped	10/19/2020 3:44 PM
346	Natural habitat, ocean beaches, village feel.	10/19/2020 3:23 PM

347	Its been wonderful during Covid with NO tourist buses and their occupants thinking they own the place.	10/19/2020 3:19 PM
348	Combination of rural hinterland and beaches, and relaxed country town feel.	10/19/2020 3:18 PM
349	Small and beautiful. Village between the bush and the sea.	10/19/2020 1:54 PM
350	Close to nature and beautiful beaches, tranquility.	10/19/2020 1:48 PM
351	Environment	10/19/2020 1:39 PM
352	The national park, the beaches, the large treed house blocks, mainly low rise unobtrusive houses, low key local shops, the indigenous vegetation, birds, Painkalac Creek, unmade streets and roads, connected community, relaxed and informal lifestyle, absence of development, protection of native vegetation	10/19/2020 1:30 PM
353	Like it all pretty much as it is	10/19/2020 1:24 PM
354	It hasn't been built up.	10/19/2020 1:19 PM
355	It's wild, rough,natural beauty	10/19/2020 12:56 PM
356	The views, bush walking trails, outdoor dining at night,	10/19/2020 12:53 PM
357	Local community, not too commercial, sense of place, beautiful surrounding natural habitats and forests, spectacular and unspoilt beaches	10/19/2020 12:50 PM
358	Stunning environment, great community	10/19/2020 12:47 PM
359	Low key coastal settlement. Wonderful fauna, flora and landscapes. Relaxed Livingston many tourists	10/19/2020 12:44 PM
360	Fresh air, uncrowded, easy-going, inclusive community	10/19/2020 12:43 PM
361	The natural beauty, the local people, and the simple lifestyle	10/19/2020 12:39 PM
362	Peace and quiet, nature, less affected by tourism than other towns	10/19/2020 12:28 PM
363	The lack of shops etc means less tourists. Keep it this way!	10/19/2020 12:27 PM
364	Aireys Inlet and environs provide opportunities to engage with the natural environment, to know people in a village community and to relax from the pressures of city life.	10/16/2020 11:51 AM
365	clean air and natural environment, relaxing and quiet lifestyle and friendly community	10/14/2020 4:32 PM
366	Low key coastal village lifestyle. Pristene beauty of the natural environment of the Otway wilderness, coatal heathlands and clean ocean beaches	10/14/2020 10:19 AM
367	Natural beauty, relatively unspoilt environment	10/14/2020 9:02 AM
368	Low key coastal village. Flora and fauna, landscape	10/14/2020 8:01 AM
369	lack of commercial clutter	10/14/2020 7:47 AM
370	small town, friendly people, community events (music, writing),	10/13/2020 9:08 PM
371	Bla	9/30/2020 3:08 PM

Q14 In just a few words, what do you see as the biggest future threats to our environment and living conditions?

Answered: 373   Skipped: 25

Aireys Inlet District - survey 2020

#	RESPONSES	DATE
1	Over-development	2/2/2021 11:39 AM
2	People	1/18/2021 10:07 AM
3	Developers	1/11/2021 8:40 AM
4	Risk of over development and/or a resort. Tourist buses and cars and their rubbish	1/11/2021 8:27 AM
5	Overdevelopment	12/20/2020 10:25 PM
6	coastal erosion and bushfire worsened by climate change elitism and luxury mansions dominating coastal bush and cottages cars, traffic and car-dependence dogs uncontrolled spoiling the cliff path and forest walks and threatening wildlife like hooded plovers and rufous bristle bird and bower bird	12/20/2020 9:23 PM
7	Too much development	12/20/2020 8:30 PM
8	Climate change, real estate agents, the liberal party and environmental weeds	12/20/2020 12:54 AM
9	People. Rubbish. Increased Traffic	12/19/2020 9:07 PM
10	Over-run by pets. The bower birds, the hooded plovers, the bristle birds - they don't stand a chance with so many dogs and cats 'free roaming'. Ban all pets.	12/19/2020 6:23 PM
11	Global warming,	12/19/2020 5:59 PM
12	Conservation going to extremes because of the opinion of peoples who don't even live here on a permanent basis.	12/19/2020 3:34 PM
13	Climate change related events - severe storms & bush fires in particular	12/17/2020 10:41 AM
14	Overdevelopment	12/16/2020 12:33 AM
15	Climate change	12/15/2020 9:04 AM
16	Overcrowding	12/15/2020 8:07 AM
17	Over development. Over populating the area.	12/14/2020 10:25 PM
18	poor management ; over development ; cheap unplanned infrastructure	12/14/2020 2:29 PM
19	reckless development, not to say you can't have development, but it must be considered. Many in the community do have to make a living	12/14/2020 1:27 PM
20	Increased pressure of growing community population on natural environment. Climate change increasing possibility of bushfires and straining water supplies.	12/14/2020 1:20 PM
21	Development	12/14/2020 10:28 AM
22	Over development, too much trafffic	12/14/2020 7:57 AM
23	overdevelopment	12/13/2020 7:48 PM
24	Over-use and over-population	12/13/2020 5:23 PM
25	Global warming	12/13/2020 4:20 PM
26	Fire risk from global warming and degradation of the dunes and beaches.	12/13/2020 3:02 PM
27	over development.	12/13/2020 2:36 PM
28	Development	12/13/2020 11:59 AM
29	Over development	12/13/2020 11:37 AM
30	Over development	12/13/2020 10:54 AM
31	Tourist buses and their accommodations	12/13/2020 10:36 AM
32	Global warming. Intolerance. Lack of kindness for alternative visions.	12/13/2020 9:55 AM
33	Fire	12/13/2020 9:52 AM

34	Fire and tourism	12/13/2020 9:50 AM
35	Too many tourists with no second exit developed	12/13/2020 8:55 AM
36	Traffic and climate change - beach/cliff erosion	12/13/2020 6:52 AM
37	More development	12/13/2020 12:19 AM
38	Development & uncontrolled tourism growth. Also fire -impacts of more fierce and common fires - and lack of community understanding.	12/12/2020 10:38 PM
39	Further accomodation for more tourists!	12/12/2020 9:57 PM
40	Rubbish and litter from increased tourists. Need more bins around town as most people will do right thing if there's a bin	12/12/2020 9:46 PM
41	Over development. Big shops. Apartment developments. Multi story development.	12/12/2020 8:37 PM
42	Over development and loss of habitat	12/12/2020 8:30 PM
43	Development	12/12/2020 8:26 PM
44	Lack of support for horse riders. It seems unfair that this is not supported yet heavily wanted.	12/7/2020 9:03 PM
45	Coastal erosion.	12/7/2020 9:17 AM
46	Increased traffic from international tourism	12/5/2020 7:21 PM
47	Tourists & traffic & jet skis	12/4/2020 6:18 PM
48	Over development of a small country town, that will tax our facilities and increase rates which are already high.	12/1/2020 6:52 PM
49	over-development, inapropriate development, too much GOR traffic	12/1/2020 6:10 PM
50	Development that would lead to over taxing of the capacity of the inlet and local bush land and coastal environment. Tourist traffic on GOR already divides the township making it hazardous for half the residents of the area to access the coast by foot.	12/1/2020 12:08 PM
51	Over development. Tourism over crowding, traffic management & BUSHFIRES!!!	12/1/2020 11:26 AM
52	over development of tourism and weekend mansions	12/1/2020 10:39 AM
53	allowing buildings over two storeys in height. Once this happens it will mark the end of the village feel and Aireys will become like Lorne very quickly	12/1/2020 9:56 AM
54	Overdevelopment	11/30/2020 9:26 PM
55	An influx of people wishing to live in Aireys Inlet, from outside the wider area. This will put pressure on the natural areas and house prices	11/30/2020 4:20 PM
56	Over-population, followed automatically by development	11/30/2020 10:01 AM
57	Tourist dvelopment, more housing, lack of control over natural vaues lack of positive action by Fed Govt on climate emergency	11/29/2020 10:49 PM
58	Increased scale of re/development that changes the balance with the natural environment. Housing affordability. Managing the impacts of tourists traveling through Aireys.	11/29/2020 9:57 PM
59	Uncontrolled, or poorly controlled, development.	11/29/2020 9:11 PM
60	Massive unmanaged tourism and over development - both commercial and residential which will destroy the very things that makes Aireys the place it is.	11/29/2020 4:05 PM
61	Over development, large second homes, exclusion of younger locals because of wealthy outsiders buying into the area.	11/29/2020 12:11 PM
62	The obsession with increasing tourism into an area not suited to huge amounts of traffic. Modification of the roads to accomodate this increase would destroy what is so good about the area.	11/29/2020 12:04 PM
63	Commercialisation, development and expansion of "tourism" in the area	11/29/2020 11:17 AM
64	Failure to achieve a good balance of living and conservation. We need to avoid excessive	11/29/2020 9:09 AM

conservation controls.

65	People pressure. Overexposure. Changing demographic	11/28/2020 10:21 PM
66	More housing and tourist development. This has ruined other areas along the great ocean road	11/28/2020 8:55 PM
67	Cars, the 5 minute tourist, buses full of 5 minute tourists, parking in lighthouse precinct, trampling and toileting on cliff tops and dunes.	11/28/2020 7:16 PM
68	Pressure on development of housing from increased number looking to reside here	11/28/2020 5:30 PM
69	climate change; bushfire;a greater influx of tourists	11/28/2020 2:11 PM
70	too many cars , too many people and too much development intruding on bush and coastline, low key village feel	11/28/2020 2:08 PM
71	Fire and traffic	11/28/2020 12:26 PM
72	Environmental effects of climate change Associated bushfire threat. Over -tourism, over-population, and associated degradation of the environment and existing resources.	11/28/2020 12:00 PM
73	reducing the permissible size of building blocks	11/28/2020 11:54 AM
74	Increased tourism and development. Tourists and property owners from the cities who have no respect for the natural environment, serenity, native wildlife, native trees and plants and the environment.	11/28/2020 11:11 AM
75	Government promotion of GOR preceding proper upgrades to amenities. Too many tourists passing through and not contributing to the local economy.	11/28/2020 11:01 AM
76	Tourism and over development	11/28/2020 6:30 AM
77	Unbridled tourism	11/28/2020 6:11 AM
78	Increased population. Too much development.	11/27/2020 10:32 PM
79	Climate change	11/27/2020 10:25 PM
80	Urbanization. Native vegetation destruction by landholders and the fire protection industry. Climate change Introducing invasive plant species. Too many dogs Cats should be banned	11/27/2020 9:28 PM
81	Tourism	11/27/2020 9:16 PM
82	Crowds and the self centered wealthy	11/27/2020 8:48 PM
83	Made roads, sewerage, outdoor lighting & more restaurants .	11/27/2020 8:40 PM
84	Unfettered tourism mainly via tour buses. Building styles that impinge on the streetscape.	11/27/2020 8:08 PM
85	Uncontrolled development	11/27/2020 7:49 PM
86	Over development and tourism.	11/27/2020 7:28 PM
87	housing development, tourism	11/27/2020 7:24 PM
88	Over development	11/27/2020 7:18 PM
89	Uncontrolled tourist traffic. Will degrade the environs and make living in Aireys unattractive	11/27/2020 6:57 PM
90	Fire, over population	11/27/2020 6:29 PM
91	Climate change. Non-sustainable tourist development	11/27/2020 4:09 PM
92	Individuals who take it upon themselves to clear their land, no permit. Build horrible fences, no permit	11/26/2020 9:43 PM
93	Greedy developers	11/26/2020 4:26 PM
94	House designs that contrast and stand out rather than blending with the natural environment	11/25/2020 5:56 PM
95	Over development of the area and tourism	11/24/2020 5:05 PM
96	Climate change and erosion of the beach. Unfettered access by Blazing Saddles horses where they have no responsibility for damaging the environment in the State Park, the beach and	11/24/2020 5:00 PM

endless amount of horse dung. More and more tourists who do not appreciate the fragility of the environment and how precious it is to all of us.

97	over-development and over-crowding. urban expansion.	11/23/2020 2:06 PM
98	Climate change and associated impacts such as coastal erosion, considering we're already over 1 degree of warming	11/22/2020 5:58 PM
99	Too many people living in a small community that doesn't have the infrastructure.	11/22/2020 5:15 PM
100	Climate change and population growth.	11/22/2020 4:15 PM
101	More day trippers on the Great Ocean Road. Slow sustainable tourism to be encouraged.	11/22/2020 11:15 AM
102	Development encroaching on wetlands, beach, forest and farms.	11/22/2020 9:19 AM
103	tourism we have enough	11/21/2020 2:42 PM
104	Overdevelopment and traffic along the road. Threat of fire	11/21/2020 1:04 PM
105	Buses	11/19/2020 9:12 PM
106	fracking activity, More bus loads of tourists	11/19/2020 6:17 PM
107	Poorly regulated housing development - big obtrusive "mansions" not in keeping with the Aireys Inlet vibe. This is driven by the rise in house prices and the demand for coastal properties. Council does not properly monitor existing regulations eg allowing the construction of non-compliant fencing.	11/19/2020 5:10 PM
108	Building and tourism development. It is widely acknowledged and spoken about as the effects are already diminishing the quality of life in this area.	11/17/2020 10:18 PM
109	The need to find balance. Businesses will not thrive if the town does not recognise need to support some growth.	11/17/2020 11:59 AM
110	High impact tourism	11/16/2020 6:31 PM
111	Bushfire; overdevelopment; increased tourist numbers	11/16/2020 12:37 PM
112	People, overdevelopment, rampant tourism, climate change, bushfires	11/16/2020 9:32 AM
113	Too much development. Too many tourists. More shops. Rubbish on beach. Rising sea levels.	11/14/2020 3:49 PM
114	Overdevelopmemt, unmanaged tourism,	11/14/2020 3:48 PM
115	Overdevelopment, overtourism, lack of community voice.	11/14/2020 2:34 PM
116	Climate change Stupidly big houses for entitled knobs Destroying the bush for a perceived help in reducing fire	11/13/2020 6:00 PM
117	Over development and/or style of commercial outlets that change the ambience.	11/13/2020 12:53 PM
118	Uncontrolled tourism and development, the degradation of the valley, the uncontrolled spread of weeds through horse manure and bird droppings, mismanaged destructive 'cool' burns by the CFA.	11/13/2020 10:26 AM
119	too many people	11/12/2020 7:46 PM
120	Tourism and Motor Traffic; more houses with inadequate vegetation and native trees around them; "urbanising" of the environment..	11/12/2020 5:03 PM
121	Too many people & over development	11/12/2020 12:19 PM
122	Commercial development	11/12/2020 12:19 PM
123	Residents with no appreciation of the local environment. Planting invasive bamboo etc Too many open fires for heating	11/12/2020 10:14 AM
124	Front of mind is the lack of nuance in the application of planning controls to suit a small community. They allow huge suburban-style private homes to be built in high profile places - they annihilate the local flora and dominate the magnificent vistas for miles around. parking and toileting for tourists is another. Plus planning for fires is major.	11/12/2020 8:48 AM

125	Fire, too much tourism and particularly from the number of tourist buses	11/11/2020 9:45 PM
126	Humans	11/11/2020 8:28 PM
127	Tourism negatively impacting on the environment both beaches and bushland. Houses and property development not sensitive to the environment including loss of scenic views. Over development.	11/11/2020 8:25 PM
128	Tourists on buses	11/11/2020 7:51 PM
129	Climate change has the potential to do untold damage to our future. It could start with increased numbers and severity of fires. What if insurance companies refused to insure our homes? Then we could have issues with flooding of major access roads. That is a frightening pair of potential problems from climate change.	11/11/2020 6:49 PM
130	ToURISM!	11/11/2020 6:34 PM
131	too many tourists, over-development and expansion of residential areas	11/11/2020 6:33 PM
132	Greedy selfish commercially driven development.	11/11/2020 6:24 PM
133	unregulated development and the destruction of what makes us so special	11/11/2020 5:15 PM
134	the desire of the SCS and the new GORCC to define, chart, map, straighten, clear, develop and create 'progress'. The Torquay template is abhorrent and needs to be resisted at all costs. I am very concerned about the new GORCC's power to manage the coastline, to take over the planning of PV on the coast and to manage leases of enterprises in those areas.	11/11/2020 12:54 PM
135	Too much density in housing. Development of infrastructure. Recreational overload that intrudes into the bushwalking tracks.	11/11/2020 8:05 AM
136	Over development for tourism	11/11/2020 6:12 AM
137	- increasing tourist numbers - building approval given for inappropriately large house construction - lack of control in the river valley	11/10/2020 11:54 PM
138	Constant pressure to "monetise" and develop the area in pursuit of the GOR tourist dollar.	11/10/2020 10:18 PM
139	Overdevelopment and urban creep encroaching on natural areas.	11/10/2020 6:24 PM
140	Overcrowding, climate change (& worsening bushfire conditions)	11/10/2020 4:25 PM
141	global warming (fire)	11/10/2020 12:39 PM
142	Commercial tourist development	11/10/2020 10:43 AM
143	Too many visitors	11/10/2020 10:36 AM
144	Overdevelopment, tourism, habitat loss, housing, climate change.	11/10/2020 8:52 AM
145	Lack of respect for the environment by locals and visitors; climate change impacts	11/9/2020 9:09 PM
146	Over development	11/9/2020 2:23 PM
147	Tourism is important but impact, including parking needs to be managed better. Great Ocean Road very busy over Holiday season, diversion of some traffic would be good, safe crossings for pedestrians important. Fauna also needs protection from increased traffic	11/9/2020 2:04 PM
148	Development and actions by humans that impact our environment.	11/8/2020 10:46 PM
149	Over commercialisation, frantic through tourism clogging roads, developers riding rough shod neighbourhood overlays etc for commercial gain.	11/8/2020 5:07 PM
150	Non-permanents	11/6/2020 7:37 PM
151	Council restrictions on every little thing. Control by Torquay. Also, you cannot protect everything with Conservation and stop people from enjoying our area. It is natural for the coastline to change over hundreds of years.	11/6/2020 11:54 AM
152	Subdivision	11/5/2020 2:30 PM
153	Over development. Need a balance of improved facilities and services whilst maintaining local community livelihood	11/5/2020 7:11 AM

154	Development	11/4/2020 6:26 PM
155	Creeping urbanisation and suburbanisation. Allowing private building on wetland or flood-prone areas and then being forced to protect them at the expense of the local ecology.	11/4/2020 2:49 PM
156	Over tourism	11/4/2020 1:47 PM
157	Overdevelopment, development inconsistent with neighbourhood character. Over use during summer period and weekends.	11/3/2020 1:53 PM
158	Community becoming too élitist'.	11/3/2020 9:57 AM
159	Traffic on the GOR during peak seasons	11/3/2020 8:27 AM
160	Overpopulation, resulting in habitat loss and destruction of the natural environment, DOGS on beaches and climate change. INcreasing then built environment with unes Sara and unwanted infrastructure.	11/2/2020 10:14 AM
161	Climate change	11/1/2020 9:05 PM
162	Building too many massive beach houses, that tower above the natural landscape. Give me a small, simple house that blends in to the environement, with minimal environmental impact any day.	11/1/2020 3:42 PM
163	Unsustainable practices in any choices that are made	11/1/2020 10:26 AM
164	Ongoing promotion of unsustainable levels of tourism!	10/31/2020 4:51 PM
165	Too many retirees from Melbourne who hold back development for our kids	10/31/2020 2:28 PM
166	Too many people! Day trippers! Clearing natural vegetation! Commercial buildings!	10/31/2020 12:11 PM
167	• Continuing attempts at overdevelopment of residential properties. • The likelihood that Great Ocean Tourism objectives will lead to decisions which don't reflect local values. • Bushfire threats. • The larger effects of global warming on the coast.	10/30/2020 5:12 PM
168	Overselling the attractions of the area which will probably damage the attractions they are trying to sell.	10/30/2020 12:28 PM
169	Not enough rubbish bins / collection. We are having to rely on volunteers to pick up rubbish discarded everywhere.	10/30/2020 9:54 AM
170	Mass tourism is the biggest threat to our environment and living conditions along with Climate Change.	10/30/2020 9:46 AM
171	Large tourist buses	10/29/2020 9:43 PM
172	Fires and council following the agreed overlays in the area.	10/29/2020 8:20 PM
173	global warming increased holiday homeownership and decreased locals and associated drop in services	10/29/2020 7:55 PM
174	Tourists and commercial development. Over population and residential development.	10/29/2020 4:07 PM
175	Overcrowding with tourists leading to increased rubbish and lack of space on the beaches, damage to sand dunes	10/29/2020 3:30 PM
176	greed, corruption and over development	10/29/2020 2:17 PM
177	bushfires, poor forest management	10/29/2020 1:58 PM
178	The development and expansion of residential areas	10/29/2020 11:25 AM
179	Excessive commercial, residential and tourist development	10/28/2020 3:15 PM
180	Over development by commercial enterprises.	10/28/2020 12:31 PM
181	Short term: over-development; long term: climate change	10/28/2020 11:58 AM
182	Over crowding	10/28/2020 7:17 AM
183	Increased density and bad planning.	10/28/2020 6:43 AM
184	Tourists	10/27/2020 11:04 PM

185	LED street lighting, The Alan Noble sanctuary has too much shrubbery growth and can't be seen from the road. Traffic in the sanctuary precinct should also be slowed down especially with all the tourists (not during COVID restrictions tho) driving up to get some snaps of the lighthouse, and usually driving up Barton court by mistake :/	10/27/2020 7:57 PM
186	Tourists and traffic - uncontrolled the numbers will increase - at peak times	10/27/2020 7:27 PM
187	Our impact on the natural environment. There has been a massive increase in rubbish in the area and much of it seems to be people who simply don't care, who throw cans/bottles etc out of car windows, dispose of dog poo bags into the bush or just leave it on the beach. Fire is obviously another big threat . Managing tourist numbers and protecting our bushland and coastline. More signage needs to be put up to tell people to keep off the dunes.	10/27/2020 7:02 PM
188	Supermarket	10/27/2020 5:40 PM
189	Population growth	10/27/2020 5:24 PM
190	Excessive tourism	10/27/2020 4:58 PM
191	too many tourist buses	10/27/2020 4:54 PM
192	Overdevelopment	10/27/2020 3:54 PM
193	Tourism that isn't controlled	10/27/2020 3:48 PM
194	Over population, over development, too many tourists	10/27/2020 3:31 PM
195	Fire	10/27/2020 3:31 PM
196	Traffic and rubbish including dog poo (I'm a responsible dog owner)!	10/27/2020 2:34 PM
197	Vic roads not respecting natural hamlet feel of the place, too many tourists on the roads, additional fire threat due to climate change.	10/27/2020 2:29 PM
198	Inappropriate development and over development, however it's important to still give access to visitors to enjoy the area, it's not just for the lucky few who own property. (I own a house here but I feel we need to share our part of the world with others too)	10/27/2020 1:49 PM
199	Tourism, private development pressures, possible opening up of protected areas for tourism/recreation.	10/27/2020 1:26 PM
200	Over development and exploitation by day-tour operators that don't provide benefit for local economy	10/27/2020 10:58 AM
201	Mass tourism	10/27/2020 9:19 AM
202	Carbon emissions	10/27/2020 9:12 AM
203	Climate change, bushfires, overdevelopment and over populating	10/26/2020 7:55 PM
204	Visitor demands and crowding as we are limited with international and interstate travel in the new covid normal	10/26/2020 2:26 PM
205	Lack of fire/fuel reduction from Aireys to Lorne and behind these areas (Ottways)	10/26/2020 1:59 PM
206	The building of huge 'Mac mansions' on small blocks, visited infrequently by indifferent owners from city locations	10/26/2020 10:31 AM
207	Developers!! Don't let Aireys become like Torquay.	10/26/2020 8:50 AM
208	City slickers coming down that don't share the same values.	10/26/2020 4:01 AM
209	Overpopulation	10/26/2020 12:51 AM
210	Inappropriate Development and then possibly developers ...... Climate change.....	10/25/2020 4:59 PM
211	Climate change, increased tourism, Eden Project	10/25/2020 3:20 PM
212	Climate change	10/25/2020 3:06 PM
213	Overdevelopment	10/25/2020 2:57 PM
214	Climate change, increasing population	10/25/2020 7:39 AM

215	Gets too busy	10/25/2020 7:31 AM
216	Becoming a tourist hub would destroy the town's unique ambience. Continued over-use by foreign-owned/operated bus tours (with zero contribution to our community for the facilities they use).	10/24/2020 4:27 PM
217	Over-development, with increased road traffic, noise and disturbance and loss of the animal and bird life.	10/24/2020 2:54 PM
218	Uncontrolled drive through tourist visitations. Climate change and ensuing wild fire occurances. Large oversized residential developments not in keeping with the coastal village character.	10/24/2020 2:28 PM
219	Increasing population density and profit-focused business establishing their own interests in local government.	10/24/2020 10:23 AM
220	Over development of land, climate change and lack of control on building specifications	10/23/2020 10:16 PM
221	Too much development and too much traffic	10/23/2020 9:07 PM
222	Climate change.	10/23/2020 8:18 PM
223	Big mansions that take over and don't fit within the landscape	10/23/2020 7:09 PM
224	innappropriate large scale development, encroachment on natural environment	10/23/2020 5:26 PM
225	Pressure from inappropriate building development, tourism that exceeds capacity and not the 'right tourists' (seeking the experiences on offer by the community), lack of priority in decision making being given to protection of bio-diversity and nature-based assets	10/23/2020 4:35 PM
226	The opening up of areas for residential use	10/23/2020 3:16 PM
227	Climate Change; Tourism on GOR - cars and busses dividing town (either side of GOR) and traffic noise blotting out nature; Development of inappropriate housing; Local carbon emissions rising and unsustainable	10/23/2020 11:43 AM
228	Infrastructure being overwhelmed by tourism.	10/23/2020 10:42 AM
229	Climate change / fires / extreme weather	10/22/2020 7:41 PM
230	People being territorial and unwelcoming of change just for the sake of fighting.	10/22/2020 7:19 PM
231	Climate change and turning the area into a paradise for wealthy dickheads	10/22/2020 6:35 PM
232	unrestrained tourism industry, over-development of some bocks, immodest housing, ever more expensive properties may fore lower income people out of the rental or even house-owning market. We do not want to be like Lorne with 70% absentee owners and a diminished community life.	10/22/2020 5:21 PM
233	A significant change in character coming in stages or at once which significantly increases the number of people present and types of activities available	10/22/2020 4:57 PM
234	Climate change	10/22/2020 1:14 PM
235	PropertyDevelopers!!!	10/22/2020 1:07 PM
236	Major development of tourist facilities, an increase in visitor numbers requiring more alienation of public space	10/22/2020 1:06 PM
237	Unsympathetic development driven by commercial outcomes rather than community and environmental outcomes.	10/22/2020 11:54 AM
238	Bush fires and the economic fall out of the global pandemic. As unemployment rises and there is food and housing insecurity we will need to be ready to help.	10/22/2020 8:18 AM
239	Climate change related erosion and fire.	10/21/2020 8:04 PM
240	Over tourism. Climate change. Over development.	10/21/2020 7:51 PM
241	Global warming	10/21/2020 7:36 PM
242	Over-development (eg: new house on cliff near lighthouse impacts the coastal view - looks like Portsea, not Aireys Inlet). Increased bushfire risk due to climate change. Increased health	10/21/2020 7:18 PM

risks due to climate change. Loss of biodiversity and natural world

243	People	10/21/2020 6:28 PM
244	Cars Climate change Fires	10/21/2020 5:54 PM
245	Over development,and more consideration when it comes to waste disposal ie , littering	10/21/2020 5:44 PM
246	Overdevelopment. Failure to protect the natural environment. Pressure from self interest groups and lobbying for personal gain. Horse riding which continues unabated with horse poo spilling weed seed everywhere, trampling precious vegetation and fouling the beach. Failure to recognise the benefits of marine protection which needs expanding	10/21/2020 5:05 PM
247	Over development and increased tourism	10/21/2020 3:56 PM
248	Too many tourists who don't appreciate the area. Too much traffic in the area.	10/21/2020 2:51 PM
249	subdivision	10/21/2020 2:10 PM
250	Climate change	10/21/2020 2:07 PM
251	Over tourism!	10/21/2020 1:47 PM
252	Housing development	10/21/2020 1:43 PM
253	Development	10/21/2020 1:39 PM
254	over population and over development of residential and commercial aspects	10/21/2020 11:22 AM
255	too many people on the Great Ocean Road, Torquay is destroyed and will be part of Geelong, the more people there, the more flooded the GOR	10/21/2020 10:08 AM
256	CLimate change, overpopulation, bad planning, corruption.	10/21/2020 8:42 AM
257	Over and non sympathetic development	10/21/2020 8:29 AM
258	Continued development and commercialisation.	10/21/2020 8:22 AM
259	Land clearing for housing and development	10/21/2020 7:41 AM
260	Poor/no future planning	10/21/2020 7:09 AM
261	Tourism	10/21/2020 7:02 AM
262	Too much development.	10/20/2020 11:32 PM
263	Over commercialisation, huge commercial development, over populated	10/20/2020 11:32 PM
264	Fire. Urban development.	10/20/2020 11:17 PM
265	Destruction of area by inappropriate developement	10/20/2020 11:14 PM
266	Bad management and lack of planning	10/20/2020 10:33 PM
267	Excessive visitation, development and climate change	10/20/2020 10:19 PM
268	Renewal of the invasive Chinese tourist trade	10/20/2020 10:18 PM
269	expansion without consideration for natural ecosystems increased traffic	10/20/2020 9:58 PM
270	badly managed tourism, badly managed traffic, non-compliance of residential developments with the planning scheme	10/20/2020 9:49 PM
271	captialism and neoliberalism.	10/20/2020 9:08 PM
272	Too much commercialization	10/20/2020 8:54 PM
273	Influx of tourism	10/20/2020 8:43 PM
274	Aida	10/20/2020 8:33 PM
275	Global warming bushfires	10/20/2020 8:33 PM
276	Bush fires. We need more clearing and back burning on residential and council land. Roads get too busy between Torquay and Lorne.	10/20/2020 8:19 PM

277	Too much development, not enough regard to environmentally sustainable development, aging population	10/20/2020 8:14 PM
278	Climate change,water shortages,extreme weather and danger to community	10/20/2020 7:57 PM
279	Lack of rubbish bins mean more rubbish in the environment	10/20/2020 7:50 PM
280	-	10/20/2020 7:48 PM
281	over crowding of people due to Melb not being so popular anymore.	10/20/2020 7:45 PM
282	Tourists.	10/20/2020 7:35 PM
283	Covid19 will change our society forever so need to ensure overdeveloped does not occur with a transition of city dwellers to regional areas where its unlikely many people will return to traditional city office workplaces and many will now be able to work from home resulting in leaving Melb.	10/20/2020 7:27 PM
284	Development of the area	10/20/2020 7:17 PM
285	People with money 'buying' their way to what thy want to develop that actually don't live here or support the community	10/20/2020 6:33 PM
286	Tourist cars and big busses on the great ocean road	10/20/2020 6:13 PM
287	Global warming - changing weather patterns, rising seas levels, increased fire risk and the subsequent changes to habitat and wildlife.	10/20/2020 6:12 PM
288	traffic, global warming	10/20/2020 6:10 PM
289	Tourism and development	10/20/2020 5:42 PM
290	Additional traffic along the main road	10/20/2020 5:40 PM
291	Increased population due to dissatisfaction with urban living. Increased property costs making it an exclusive domain of the well off. Pandering to tourism and business in a way that impacts negatively on the character of the town.	10/20/2020 5:32 PM
292	Potential fire/environmental issues, inflexibility with existing land owner, unreasonable demands on landowners from the likes DELWP & SCCC	10/20/2020 5:21 PM
293	Climate change, climate change and climate change	10/20/2020 5:16 PM
294	Bushfires	10/20/2020 5:12 PM
295	Housing development, loss of Otway National Park. Crowds	10/20/2020 5:09 PM
296	Unnecessary Council restrictions and limitations	10/20/2020 5:05 PM
297	Over development and Council accepting Developers pushing the Planning Regulations for change.	10/20/2020 5:03 PM
298	Inappropriate 'development', climate change, increased tourism.	10/20/2020 4:55 PM
299	Inappropriate scaled development and poor quality residential housing stock. Relaxed doesn't mean shabby.	10/20/2020 4:44 PM
300	Climate change; increased fire threat	10/20/2020 4:21 PM
301	Inappropriate tourism	10/20/2020 4:17 PM
302	development that damages the environment	10/20/2020 3:39 PM
303	Climate change, bush fires, cost of housing and living.	10/20/2020 3:36 PM
304	One is natural (climate change) and the other is over development. Both need to be addressed.	10/20/2020 3:28 PM
305	People's inability to change their behaviour in order to co-exist with nature.	10/20/2020 3:21 PM
306	Warming and closer to home, the erosion of sand dunes	10/20/2020 3:09 PM
307	tourism growth that is not managed, climate change and fire older people leaving because they have no where to go and have to leave their community	10/20/2020 2:55 PM

308	Fire and cliff and dune erosion.	10/20/2020 2:44 PM
309	Bushfire	10/20/2020 2:37 PM
310	Covid 19	10/20/2020 2:34 PM
311	Over-development	10/20/2020 2:31 PM
312	Climate change	10/20/2020 2:21 PM
313	Bush fires	10/20/2020 2:04 PM
314	Tourism Cost of housing removing diversity of residential population Fire	10/20/2020 1:57 PM
315	Urbanisation	10/20/2020 1:56 PM
316	Tourism and building development (along with the ever present fire threat)..	10/20/2020 1:52 PM
317	Daytrippers having not enough facilities and no restrictions on numbers	10/20/2020 1:51 PM
318	Development	10/20/2020 1:48 PM
319	Tourist	10/20/2020 1:42 PM
320	Dogs and cats	10/20/2020 1:40 PM
321	Increased tourism and increased in housing	10/20/2020 1:31 PM
322	Intesified urbanization	10/20/2020 1:10 PM
323	Overpopulation and poor planning controls. There should also be limits on day trip bus tours that contribute nothing to the local economy.	10/20/2020 12:39 PM
324	overpopulation	10/20/2020 10:49 AM
325	tree removal, too much clearing, building development, urbanization and suburbanization to city standards	10/20/2020 9:21 AM
326	Horses in the estuary and on the beaches and throughout the bush are degrading the local environment. We should return the estuary to a natural environment and stop allowing horses to roam around our area. Horses are dangerous on the beach and in the bush and also leave huge amounts of manure that is never collected. Climate change is a challenge and we need to protect and enhance our native bush. Over burning (hot burning), clearing and weeds threaten to destroy our natural habitat and make it more prone to severe fires.	10/20/2020 9:19 AM
327	Selling off of more private land and increase in private businesses and industrial area.	10/20/2020 9:15 AM
328	Multi story housing. Over development.	10/20/2020 8:01 AM
329	return of excessive tourism, unrestricted private housing development, lack of control of dune areas - visitors ignoring signs etc	10/19/2020 10:46 PM
330	Over- development of the area . An increasing number of people moving in to acquire or build overly large trophy houses with concrete drives. The houses rather than the vegetation dominating the environment. A demand for Airey's area to have all the city amenities.	10/19/2020 10:27 PM
331	Global warming and the threat of frequent bushfires. Mass tourism and the degradation of our natural environment.	10/19/2020 10:26 PM
332	Expansion of residential area, infrastructure primarily for tourists, horse riders damaging tracks and pooping everywhere	10/19/2020 9:28 PM
333	Large scale tourism and inappropriate housing development.	10/19/2020 9:27 PM
334	Too much development	10/19/2020 8:10 PM
335	Tacky tourist development like in Lorne. Keep it quiet	10/19/2020 6:37 PM
336	Bushfire, but I certainly hope we are prepared, and any very carefully controlled future building.	10/19/2020 6:35 PM
337	Impact of Climate Change and a government that ignores this	10/19/2020 5:31 PM
338	Bushfires	10/19/2020 5:28 PM

339	Housing and commercial development	10/19/2020 5:14 PM
340	development, tourists	10/19/2020 4:48 PM
341	Over development. Houses getting too big. Too much emphasis on tourism	10/19/2020 4:47 PM
342	Climate change and we need to reduce our footprint and emissions.	10/19/2020 4:43 PM
343	Overdevelopment and lack of understanding about protecting the environment	10/19/2020 4:34 PM
344	too many people, sub division, density	10/19/2020 4:31 PM
345	Pressure of tourism, to bring more people for very little gain to Airey's community.. over developed blocks, big houses .. We don't need bus loads of tourists to make the community tick.. Climate change ... sea level rises might stop use of GOR (could be good!!) Fire and the ability to escape if it is peak tourist season	10/19/2020 4:22 PM
346	Climate change, fires, flood, storms, too many people and cars, developers wanting to make money, increased building development, inappropriate tourism, lack of protections to preserve the existing area	10/19/2020 4:08 PM
347	non adherence to planning overlays leading to larger houses and changing the coastal village style of Aireys Inlet	10/19/2020 3:44 PM
348	Two words will do it: Climate change.	10/19/2020 3:23 PM
349	Tourism!!	10/19/2020 3:19 PM
350	Climate change, inappropriate development	10/19/2020 3:18 PM
351	Lack of planning for overall region with more and more local development with no plan.	10/19/2020 1:54 PM
352	Over-development, increased tourist traffic especially day trips	10/19/2020 1:48 PM
353	Over tourism	10/19/2020 1:39 PM
354	Subdivision, destruction of vegetation, pressure for more tourism and economic development at expense of natural environment, climate change, continued artificial opening of mouth of Painkalic Creek which depletes the creek of water and leaves it a low and muddy trickle and drains the wetland areas, loss of bird habit and continued decline in threatened fauna and flora	10/19/2020 1:30 PM
355	None really - environmental problem are largely caused by large emitters overseas not by our minuscule 1.4%	10/19/2020 1:24 PM
356	fire over- development	10/19/2020 1:19 PM
357	Coaches of tourists who don't stay, don't spend money locally but really are tough on the road surfaces without paying for the road repairs	10/19/2020 12:56 PM
358	Fire, traffic, loosing bush land to development, degradation of bush land	10/19/2020 12:53 PM
359	Unfettered, unplanned and (not locally focussed) unsustainable tourism	10/19/2020 12:50 PM
360	Climate change	10/19/2020 12:47 PM
361	Uncontrolled tourist numbers and inappropriate tourist infrastructure. Climate change. Planning that allows big 'trophy' houses	10/19/2020 12:44 PM
362	Tourism and climate change	10/19/2020 12:43 PM
363	Over- development, uncontrolled tourism, natural disasters (bushfire/flood), and effects of global warming on the coastline. Plus associated effects on native fauna and flora species.	10/19/2020 12:39 PM
364	Trying to maintain the above while controlling introduced weeds, rubbish etc	10/19/2020 12:28 PM
365	Too many tourists	10/19/2020 12:27 PM
366	The advancement of tourism leading to the destruction of pristine environments. Development that destroys the village ambiance.	10/16/2020 11:51 AM
367	Over population and too much tourism	10/14/2020 4:32 PM
368	Uncontrolled tourism. Suburbanisation and overdevelopment. Global warming and associated	10/14/2020 10:19 AM

	fire seasons.	
369	Tourism inappropriate development of the built environment GORCPA	10/14/2020 9:02 AM
370	Inappropriate development. Trophy houses being built,	10/14/2020 8:01 AM
371	external pressure for tourist 'attractions'	10/14/2020 7:47 AM
372	Tourism on the great Ocean Road - economic pressures for tourism - climate change (fire, storms, high temperatures) - water supply from Geelong; we could suffer from the demands of big city consumption patterns	10/13/2020 9:08 PM
373	Bla	9/30/2020 3:08 PM

Q15 In just a few words what do you see as the top priorities for the district, in the post COVID recovery period?

Answered: 349　　Skipped: 49

Aireys Inlet District - survey 2020

#	RESPONSES	DATE
1	Having been one of those people who have moved permanently to Fairhaven during COVID and working from home, a priority for me is internet access and stability. I also think some community meetings for new 'arrivals' from the city would be good to inform us about the priorities of the Long term residents and also help us get involved. I'm Very community Minded and would like to lend a hand To protect this beautiful place	1/18/2021 10:07 AM
2	Not sure	1/11/2021 8:40 AM
3	Don't know	1/11/2021 8:27 AM
4	Not sure where to place priorities.	12/20/2020 10:25 PM
5	walking and cycling paths from town to town and forest to coast. tourists/holiday visitors encouraged to spend more time in nature and Aireys businesses rather than rushing through or just summer visits	12/20/2020 9:23 PM
6	Supporting businesses	12/20/2020 8:30 PM
7	N/A	12/20/2020 12:54 AM
8	Local business advertising. Local love music at venues.	12/19/2020 9:07 PM
9	Stop developers doing crazy house developments. Houses are getting too large, and that means less trees.	12/19/2020 6:23 PM
10	To manage environmental needs and prevent commercial developers.	12/19/2020 5:59 PM
11	Social distancing perhaps for the forseeable future until a vaccine. Primarily, let life move on after this horrible year	12/19/2020 3:34 PM
12	Supporting local businesses and enjoying a potentially larger permanent population	12/16/2020 12:33 AM
13	Restaurants, mini golf, pub, surf club back to full capacity asap. Welcoming attitude to visitors from local community	12/15/2020 9:04 AM
14	Reduce tourism	12/15/2020 8:07 AM
15	Maintaining community connections.	12/14/2020 10:25 PM
16	population control	12/14/2020 2:29 PM
17	Maintain the authenticity of the area, but at the same time cut bureaucracy and allow small businesses to develop and flourish	12/14/2020 1:27 PM
18	Improved rubbish / sanitation facilities to cater for increased visitor numbers during peak tourist season .Boardwalk pedestrian board walk along Painkalac Creek reserve between lower Aireys shops and Fairhaven.	12/14/2020 1:20 PM
19	People following RULES	12/14/2020 10:28 AM
20	Recreation facilities	12/13/2020 7:48 PM
21	Maintaining public health	12/13/2020 5:23 PM
22	None	12/13/2020 4:20 PM
23	Protecting the beaches and sand dunes from mid-use. Providing safe walking areas for people to travel to shops and beaches. Reducing fire risk by cleaning up roadsides and gutters from grasses, weeds and bushes. Replacing with low fire risk vegetation where appropriate and using gravel/sand as a topping/mulch. .	12/13/2020 3:02 PM
24	a return to the normal quiet seaside area.	12/13/2020 2:36 PM
25	Maintaining natural environment	12/13/2020 11:59 AM
26	Sustainable low level economic development	12/13/2020 11:37 AM
27	Limiting development	12/13/2020 10:54 AM
28	Fire safety and more opportunities for local businesses	12/13/2020 10:36 AM

29	Vaccine	12/13/2020 9:55 AM
30	Activities and facilities to attract Melbourne people for week long holidays all year round not just over Xmas and new year period	12/13/2020 9:52 AM
31	Keeping it as is !	12/13/2020 9:50 AM
32	Community, shops, food	12/13/2020 8:55 AM
33	No change in priorities	12/13/2020 6:52 AM
34	Don't think there needs to be any priorities... people will still visit here	12/13/2020 12:19 AM
35	Retention of the Aireys and Fairhaven DNA. Cultural heritage and native vegetation management inc management of the sensitive marine environment.	12/12/2020 10:38 PM
36	Continue with the preset rules	12/12/2020 9:57 PM
37	Integration between locals, holiday makers and tourists	12/12/2020 9:46 PM
38	Careful not to overcrowd the town. Keep markets and community connections.	12/12/2020 8:37 PM
39	Not sure	12/12/2020 8:30 PM
40	Maintaining what we have	12/12/2020 8:26 PM
41	Activities for kids. My kids can't ride their horses safely on the roads and need support to have safe access to facilities including getting the old pony club grounds up and running.	12/7/2020 9:03 PM
42	Managing crowds	12/4/2020 6:18 PM
43	Good medical facilities.	12/1/2020 6:52 PM
44	regenerative sustainability	12/1/2020 6:10 PM
45	Maintaining the inherent values of the area that differentiate it from areas like Lorne, and Torquay where tourist and urban development have significantly impacted.	12/1/2020 12:08 PM
46	Employment, managing excessive tourists & traffic & supporting small business owners	12/1/2020 11:26 AM
47	Shop and play local	12/1/2020 10:39 AM
48	Allowing businesses access to outdoor space. provide bike paths so that its easy to take the bike for a short trip and to take pressure off car parking	12/1/2020 9:56 AM
49	Protecting the natural environment in this area, not over-development or too many tourists and resulting traffic issues	11/30/2020 10:01 AM
50	to retain its cohesiveness, protection from the virus, community health, return to business for existing businesses. Avoid new developments which are out of character or focused on fleeting visits from overseas tourists. Local people use local business and products	11/29/2020 10:49 PM
51	community support, especially financial and psychological.	11/29/2020 9:11 PM
52	Managed development and tourism traffic	11/29/2020 4:05 PM
53	Create employment for local people without jeopardising the natural environment	11/29/2020 12:11 PM

85	sustainability of local business	11/23/2020 2:06 PM
86	Financial support for local businesses	11/22/2020 5:58 PM
87	Maintain community.	11/22/2020 5:15 PM
88	Change our lifestyles to address climate change.	11/22/2020 4:15 PM
89	Develop a tourism policy that encourages people to stay a little longer in Aireys rather than just the "toilet and coffee stop" at present.	11/22/2020 11:15 AM
90	Environmental protection, existing business And organisation facilities (Fairhaven Surfclub, Truffles, etc) being supported to run profitably whilst providing better service and options for beach goers, visitors and locals.	11/22/2020 9:19 AM
91	closeing ocean rd on total fire ban days booking and paying online to use road if doing day	11/21/2020 2:42 PM

trips from melbourne buy melbourne address if have not a local address not a free for all?

92	Having space to eat outdoors. Avoiding crowds in summer. Catering for crowds as they come here in summer.	11/21/2020 1:04 PM
93	Jobs and health	11/19/2020 9:12 PM
94	Support local businesses and residents	11/19/2020 6:17 PM
95	Providing a welcoming environment for the extra visitors we are likely to have while maintaining adherence to all COVID regulations and safe practices.	11/19/2020 5:10 PM
96	staying true to the area as it is, no knee-jerk reactions using Covid as an excuse to increase building/housing/tourism/development. The area will justifiably be very popular. Safety for people in shops in managing numbers and being supported to keep numbers managed as needed. To minimize chance of fire by not increasing camping and BBQ use outside of the caravan park and at the designated in-town playground. Likely needed this summer will be a change to the parking time at the top shops so that people purchasing food and accessing supplies and services can get a park, especially those needing access to the pharmacy, instead of being taken up by those in the cafes for over an hour.	11/17/2020 10:18 PM
97	Nil for AiDA This is being led through GOrC and the Shire	11/17/2020 11:59 AM
98	building community and equitable access	11/16/2020 6:31 PM
99	Our businesses have done ok and generally survived COVID lockdown. Making visitors feel welcome and locals less protective of their lifestyles needs a deal of focus. Rebooting tourism - promoting a more sustainable style of tourism. Our environment is more fragile than ever - how do we get people to respect nature and do less damage, pollute less etc	11/16/2020 9:32 AM
100	Community development integrating locals and holiday home owners. Get past negativity.	11/14/2020 3:49 PM
101	Support for COvid safe tourism and surf rescue. Mental health services accessibility for permanent reaidents	11/14/2020 3:48 PM
102	Protect the land, the water and the coast.	11/14/2020 2:34 PM
103	Don't know	11/13/2020 6:00 PM
104	ensure that any medical advice is followed and goodwill and community support particularly for local business is encouraged.	11/13/2020 12:53 PM
105	As always, protection of the environment, but most importantly, a strategy for dealing with bushfire evacuation if a fire starts during peak tourist time.	11/13/2020 10:26 AM
106	keeping the village atmosphere keeping the town within its boundaries	11/12/2020 7:46 PM
107	Nothing major; just getting everyone back to the level of work and endeavour they has before Daniel Andrews' government screwed it all up. (Why does your silly system keep telling me I have typos when I use correct English, not American spelling ?) Isn't this about LOCAL things?	11/12/2020 5:03 PM
108	Retain natural attraction and develop in a sustainable manner	11/12/2020 12:19 PM
109	Going back to normal	11/12/2020 12:19 PM
110	Strong planning controls limiting to only infill development	11/12/2020 10:14 AM
111	Assisting the local businesses to recover quickly	11/12/2020 8:48 AM
112	Limit development and tourism	11/11/2020 9:45 PM
113	Balance and nature	11/11/2020 8:28 PM
114	Patrons strictly adhering to COVID guidelines including masks when entering cafes, hotels community areas to safe guard residents and businesses. Business making a uniform policy throughout the area in line with govt guidelines or what is needed to keep the area virus free.	11/11/2020 8:25 PM
115	Not sure	11/11/2020 7:51 PM
116	Support local businesses to get them back up and running. Lobby our governments to accept that climate change needs to be addressed. Keep the words from Melb under control regarding	11/11/2020 6:49 PM

	CORVID.	
117	Controll of new building, and tourism	11/11/2020 6:34 PM
118	Try and maintain the existing nature of the area.	11/11/2020 6:33 PM
119	Protection of the Aireys Inlet Valley. Resistance to the various efforts to build on the valley floor and to provide unlawful access from the roads to the valley floor.	11/11/2020 6:24 PM
120	taxing tourists using the GOR, serious reconsidering of local speed limits e.g. Inlet Crescent in Aireys Inlet, more council involvement and spending on local projects	11/11/2020 5:15 PM
121	to maintain all which makes this area special, to resist 'progress' and to support community wellbeing and the flourishing of the natural environment. As the manager of Ecologic Education and the lighthouse tours, we hope to continue to educate for the environment and to respect the heritage and natural values of the lighthouse precinct. A well -run and functioning lighthouse/ tour is much better than a derelict building as was the case for most of 1900s.	11/11/2020 12:54 PM
122	No particular ideas.	11/11/2020 8:05 AM
123	Improved walking paths to get pedestrians off roads	11/11/2020 6:12 AM
124	Sensitive planning for the enhancement and maintenance of both natural and village environments.	11/10/2020 11:54 PM
125	Fire prevention Weed removal Extension of town water and sewerage to Moggs Creek	11/10/2020 10:18 PM
126	Limit tourist numbers	11/10/2020 6:24 PM
127	Improve walkability, maybe a couple of good complementary businesses (the bakery at the Top Shops was good while it lasted), preserve & enhance the natural environment, manage through traffic	11/10/2020 4:25 PM
128	Encouraging tourism back in a positive way.	11/10/2020 12:39 PM
129	Maintaining current lifestyle	11/10/2020 10:43 AM
130	Not sure	11/10/2020 10:36 AM
131	The environment. We should be doing everything we can for the environment. COVID cannot and shouldn't change this.	11/10/2020 8:52 AM
132	Welcoming back part-time residents and holiday-makers; continuing to encourage people to shop local	11/9/2020 9:09 PM
133	Sustainability	11/9/2020 2:23 PM
134	Bush fire readiness, better management of tourist parking, particularly at top car park to lighthouse. Flora deterioration along Eaglerock Pde when 'overflow' car parking occurs	11/9/2020 2:04 PM
135	Managing tourism and development	11/8/2020 10:46 PM
136	To take the opportunity to take stock and to turn the rampant tourism into a more slow tourism that would benefit local businesses and home owners.	11/8/2020 5:07 PM
137	To keep no permanents out	11/6/2020 7:37 PM
138	Let people get on with lives and don't waste ratepayers money on initiatives when ratepayers have already suffered during COVID.	11/6/2020 11:54 AM
139	Economic development	11/5/2020 2:30 PM
140	Treating home owners equally, whether based in the community or elsewhere. Rate payers should have been welcome at all times. Business owners appreciated this more than local residents and Councillors	11/5/2020 7:11 AM
141	local business get back to normal	11/4/2020 6:26 PM
142	Keep on top of inappropriate development proposals. Slippery slope and negative ecological impact.	11/4/2020 2:49 PM
143	Limit major tourism	11/4/2020 1:47 PM

144	Maintaining unique character of Aireys	11/3/2020 1:53 PM
145	Analysis of the age/financial/social demographic of the town	11/3/2020 9:57 AM
146	Building Community for all people, not just the rich and white.	11/3/2020 8:27 AM
147	Climate change, environmental protection, building and maintain a resilient community, tech infrastructure to support working from home, great healthcare services and sufficient tourism infrastructure without over development to auntain sustainable economic support.	11/2/2020 10:14 AM
148	Help businesses recover in a way that supports them and the environment NOT "gas lead"	11/1/2020 9:05 PM
149	Encourage community initiatives that focus on a renewable, shop local led recovery. Community solar, electric vehicles, food co-op, supporting local businesses and producers.	11/1/2020 3:42 PM
150	Supporting the very essence of Aireys to be retained	11/1/2020 10:26 AM
151	Resisting the temptation to lower standards of environmental protection in the interests of resucitating the tourism-based economy.	10/31/2020 4:51 PM
152	Managing the increased population, given working from home trend	10/31/2020 2:28 PM
153	Continued vigilance to stick to the health & safety rules.	10/31/2020 12:11 PM
154	• Moving the area more towards a "walking destination" where visitors spend time enjoying and exploring. • Managing future regional and local tourism in a sustainable and environmentally appropriate way. • Improving bush fire safety and local escape arrangements.	10/30/2020 5:12 PM
155	Planning how much and what kind of tourism is appropriate. It may develop into a more permanently settled community rather than a peak period settlement.	10/30/2020 12:28 PM
156	Support local.	10/30/2020 9:54 AM
157	People's wellbeing; economically and environmental sustainable jobs for families so they can stay living in our district and build a sustainable future that is compatible with their `seachange' and `greenchange' values.	10/30/2020 9:46 AM
158	Connection and reaching out to isolated seniors	10/29/2020 9:43 PM
159	Support the local businesses, such as restaurants	10/29/2020 8:20 PM
160	reconnecting communities	10/29/2020 7:55 PM
161	To maintain the lower level of tourism but retain the existing businesses.	10/29/2020 4:07 PM
162	returning as much to normal as possible - eg ReOpen The Aireys Market	10/29/2020 2:17 PM
163	forest management, environment management, sealed roads,	10/29/2020 1:58 PM

196	Attracting tourists	10/25/2020 2:57 PM
197	Protecting the elderly	10/25/2020 7:39 AM
198	Get tourists back	10/25/2020 7:31 AM
199	.	10/24/2020 4:27 PM
200	Urgent action to increase awareness of the threats of climate change and pollution, with action to try to counter these threats, even if it may already too late.	10/24/2020 2:54 PM
201	Support for local businesses to recover. Bushfire prevention strategy which includes strategic community fire shelters and alternatice escape roads to inlad arterials.	10/24/2020 2:28 PM
202	Common sense	10/24/2020 10:23 AM

203	Managed tourism with more off-peak visitation	10/23/2020 10:16 PM
204	Focus on supporting existing businesses rather than establishing new ones. Continuing to maintain the environment.	10/23/2020 9:07 PM
205	Climate change. Supporting local businesses	10/23/2020 8:18 PM
206	Return of visitors	10/23/2020 7:09 PM
207	invigorating tourism industry to support local employment, but we're a place to relax with friends and family - not a party town. well, not most of the time anyway.	10/23/2020 5:26 PM
208	Recognition of the interconnection & interdependence of the community, the conservation of the environment and the success of the local traders & economy	10/23/2020 4:35 PM
209	Maintaining a balance of controlled development and the natural environment within existing development boundaries	10/23/2020 3:16 PM
210	Confronting realities of Climate Change (renewable energy and adapting to fire /storms /floods); Building a model Regenerative Town (innovations in living within natural limits); Resisting imposition of Tourism pressures - speaking with a voice and taking action to preserve conditions	10/23/2020 11:43 AM
211	Sealing some of the busy road intersections for influx of tourism	10/23/2020 10:42 AM
212	Supporting existing restaurants and other business	10/22/2020 7:41 PM
213	Encourage tourists. Make the region easily navigatable.	10/22/2020 7:19 PM
214	Protect our environment	10/22/2020 6:35 PM
215	Could there be opportunities to discuss this as community.. what the priorities are, values, etc. e.g. energy consumption, global warming. I am afraid we will 'recover' willy nilly, and be once again at the mercy of a rampant tourism industry.	10/22/2020 5:21 PM
216	Helping struggling business and individuals in getting back on their feet without compromising the environment we live in.	10/22/2020 4:57 PM
217	Ensure infrastructure as permanent population increases, must be pro-active, not re-active	10/22/2020 1:14 PM
218	Community Education of importatance of ongoing Safety for all.	10/22/2020 1:07 PM
219	Careful management of any development, retaining natural landscape, providing more opportunities for passive tourism such as extended walking tracks up the painkalac vallry	10/22/2020 1:06 PM
220	Assisting existing businesses that have been impacted Contributing to economic recovery but with a focus on community and environmental values.	10/22/2020 11:54 AM
221	Supporting those who as a result of the pandemic may have food and housing insecurity. Creating work and education opportunities in a way that supports a sustainable future.	10/22/2020 8:18 AM
222	Keeping local businesses, owned by locals, afloat.	10/21/2020 8:04 PM
223	Support of local businesses.	10/21/2020 7:51 PM
224	Sustainability	10/21/2020 7:36 PM
225	Reducing climate change - it impacts everything - economy, health, lifestyle. Without a healthy natural world, everything else eventually fails. We need to come up with innovative ways to support economy/jobs, while reducing our impact on climate. We need to find new ways to live more sustainably	10/21/2020 7:18 PM
226	Support Restaurants and keep the area Covid free	10/21/2020 6:28 PM
227	Co generation living Traffic and fire threat	10/21/2020 5:54 PM
228	Continued due diligence in upholding manageable COVIDSafe protocols	10/21/2020 5:44 PM
229	Businesses need to step up to maintain and enforce COVID safe practices. The community traders really need to take shared responsibility to see we are all COVID safe and to ensure customers who are not happy to abide the rules are not served because they are a threat to everyone else. Greater community reminders I think are necessary to remind the community	10/21/2020 5:05 PM

eg there are lots of e Welcome COVID safe visitors but where are the posters that say what is required. I see a degree of complacency (because of the misconception that we are in regional Victoria and have no virus).

230	Retaining small business, sustaining good health practices	10/21/2020 3:56 PM
231	Hope everyone abides by the current regulTions at the time.	10/21/2020 2:51 PM

265	welcoming back visitors without feeling overwhelmed, maintaining social distancing for the foreseeable future, encouraging our governments at all levels to take global warming seriously	10/20/2020 6:10 PM
266	phone and internet coverage for ALL areas e.g. Boggs Creek	10/20/2020 5:42 PM
267	Alternative route out in case of fires	10/20/2020 5:40 PM
268	Adequate internet and communications connectivity. Not being overly tempted in the chase for tourism dollars. Maintaining the character of the region.	10/20/2020 5:32 PM
269	Preservation of existing footprint in terms of development, inclusion of all the community rather than just the greenies	10/20/2020 5:21 PM
270	If there is the opportunity, build back greener. Focus on sustainability and inclusiveness of all residents. 2 way respect.	10/20/2020 5:16 PM
271	Managing the influx of tourists.	10/20/2020 5:12 PM
272	Keeping strong numbers of the local animals and bird life. Bush Fire readiness. Minimal change to current lifestyle.	10/20/2020 5:09 PM
273	Good and beverage sales	10/20/2020 5:05 PM
274	Stability and providing the community with a safe place to live and enjoy.	10/20/2020 5:03 PM
275	Public education resources to enable locals and visitors to engage with the indigenous history and presence in the area, and with the natural environment and the ways this is changing.	10/20/2020 4:55 PM
276	Steady as she goes - a surge is not in keeping with incremental development of the community or the local built environment	10/20/2020 4:44 PM
277	Sustainable support for local businesses- especially those who are very reliant on tourist or visitor numbers	10/20/2020 4:21 PM
278	Re-establishing local businesses.	10/20/2020 4:17 PM
279	Not to succumb to the rush to create jobs a the expense of the very thing we all love about Aireys, the environment	10/20/2020 3:39 PM
280	Reconnect the community and support of local businesses.	10/20/2020 3:36 PM
281	Protection of the natural beauty (beaches, bush, Paincalac creek) these will bring people to the area who appreciate them and this will support local business (coffee shops, restaurants etc).	10/20/2020 3:28 PM
282	Ensuring the integrity and sustainability of our flora and fauna.	10/20/2020 3:21 PM
283	I do not know how hard the few retail outlets have been hit. If tourists not allowed by Christmas then businesses need to be supported	10/20/2020 3:09 PM
284	a return for visitors with Covid rules in place to help local businesses thrive	10/20/2020 2:55 PM
285	Maintaining and promoting the natural beauty and healthy lifestyle which is possible in the area at no cost to the user.	10/20/2020 2:44 PM
286	Forget about covid altogether. Gas more gas...	10/20/2020 2:37 PM
287	Covid safe practices	10/20/2020 2:34 PM
288	Managed tourism	10/20/2020 2:31 PM
289	sustainable tourism , projects to connect the community - there is a divide between people from different generations, and people who have holiday houses and permanent residents - it would be good to unite everyone who is a part of this community.	10/20/2020 2:21 PM
290	INFRASTRUCTURE Please don't let our town and areas fall under developed by lack of infrastructure. We need paved roads and paths, toilets, car parking, signage and supporting	10/20/2020 2:04 PM

|	services like cafes.	
291	Sustaining residential living including opportunities for local work and small business, including remote work/from home work	10/20/2020 1:57 PM
292	Managing the onslaught of tourists	10/20/2020 1:56 PM
293	Getting back to where we were without any obvious changes to the environment, views and landscape.	10/20/2020 1:52 PM
294	New fire station, community safe place, more connectedness, more outdoor paths	10/20/2020 1:51 PM
295	Population control	10/20/2020 1:48 PM
296	That metro Victorians are welcomed and are a very big part of this community	10/20/2020 1:42 PM
297	Sanitation	10/20/2020 1:40 PM
298	Boosting economy perhaps creating community events to increase money coming in	10/20/2020 1:31 PM
299	Coping with a summer exodus from the city	10/20/2020 1:10 PM
300	Promote and support existing businesses and encourage consistent opening hours. However too many of the shops/ restaurants/cafes seem to be hobbies which open sporadically. Tourists will pass the area by if there is no reason to stop and spend time.	10/20/2020 12:39 PM
301	Keeping cases low	10/20/2020 10:49 AM
302	allow owners to go there. revitalise local businesses.	10/20/2020 9:21 AM
303	More control of horses and dogs and motorised off-road vehicles in our bush land.	10/20/2020 9:19 AM
304	Ensure community works together to keep the fantastic environment that Aireys Inlet offers.	10/20/2020 9:15 AM
305	Access to our property. People adhering to the Covid rules.	10/20/2020 8:01 AM
306	Limit tourist buses every morning. beach management during peak periods, noise control by visitors - AIB&B party houses.	10/19/2020 10:46 PM
307	Due to the popularity of the GOR with tourists, I am confident the district will bounce back.	10/19/2020 10:27 PM
308	A gradual return to community activities in a safe and measured way.	10/19/2020 10:26 PM
309	Community-led support for the local community	10/19/2020 9:28 PM
310	to encourage visitors back to the area whilst maintaining good health practices as now i.e. masks, sanitising, distancing.	10/19/2020 9:27 PM
311	Help local traders	10/19/2020 8:10 PM
312	Support for local businesses	10/19/2020 6:37 PM
313	As I haven't been there since March I hope the shops there have survived.	10/19/2020 6:35 PM
314	Activities that support action on climate change, support people whose business has been hit with closure and those who have lost jobs	10/19/2020 5:31 PM
315	Allow house maintenance please	10/19/2020 5:28 PM
316	Be nice to all rate payers, permanents of holiday house owners	10/19/2020 5:14 PM
317	opening up and getting a sense of confidence back	10/19/2020 4:48 PM
318	Increasing domestic and regional tourism. Reducing our reliance on the single stream overseas and Melbourne	10/19/2020 4:47 PM
319	Managing the volume of tourists and the impact that comes with them.	10/19/2020 4:43 PM
320	A balance of environmentally friendly and sustainable tourism and a push in local produce and businesses such as a fortnightly night market over summer with food, produce, music and a bar	10/19/2020 4:34 PM
321	Maintain and sustain the bush settlement atmosphere	10/19/2020 4:31 PM

322	Keeping the bus loads out.. Fire escapes in peak tourist season	10/19/2020 4:22 PM
323	Climate change Fire prevention, management, community education & awareness raising Community safety - COVID safe behaviours until get vaccination; in a fire threatening situation Promotion of local shops, cafes, pub, tradespeople etc. to locals and holiday makers to help increase/restore employment and businesses recover from COVID restrictions	10/19/2020 4:08 PM
324	no useful comments	10/19/2020 3:44 PM
325	Managing the infrastructure to handle the inevitible population growth. Ensuring that the proposed Eden Project is in keeping with local values and needs.	10/19/2020 3:23 PM
326	Toilets built at The Arch!	10/19/2020 3:19 PM
327	Community building	10/19/2020 3:18 PM
328	Peace	10/19/2020 1:54 PM
329	Abiding over-development, enhancing the natural environment	10/19/2020 1:48 PM
330	Conservation of environment, landscape, community identity	10/19/2020 1:39 PM
331	Environmental protection and limit more commercial development and tourism along Great Ocean Road	10/19/2020 1:30 PM
332	a sense of calmness!	10/19/2020 1:19 PM
333	Community rebuilding of trust and acceptance of effective wearing of masks as normal part of most events	10/19/2020 12:56 PM
334	Bringing people together to build a community to advocate for and look after nature which includes having activities that encourage families and young people to the area	10/19/2020 12:53 PM
335	Support for those local people who have been badly impacted - socially, financially or psychologically. Protection of the environment from rampant developers seeking quick money.	10/19/2020 12:50 PM
336	Build on community strengths	10/19/2020 12:47 PM
337	Having a tourism strategy re-set.	10/19/2020 12:44 PM
338	Decrease tourists, stop the buses coming through, protect the environment	10/19/2020 12:43 PM
339	For local businesses to re-establish, job security, mental health and wellbeing.	10/19/2020 12:39 PM
340	The careful mix of all the above. While many local businesses depend on tourism, many locals and holiday home owners want fewer people in the town, so looking after everyone's needs will need careful planning. My number 1 priority is protecting the natural environment	10/19/2020 12:28 PM
341	Managing traffic	10/19/2020 12:27 PM
342	An opportunity to take stock of the rampant tourism that offers Aireys no benefits and to plan for alternative ways of encouraging enjoyment of our beautiful neighbourhood in ways that are not detrimental to the environment especially in light of climate change.	10/16/2020 11:51 AM
343	Welfare and support of the local community	10/14/2020 4:32 PM
344	Rebuilding local community businesses. Development of low impact eco tourism infrastructure. Alternative access routes bypassing coastal townships by connecting to inland arterials.	10/14/2020 10:19 AM
345	Restrained opening up	10/14/2020 9:02 AM
346	Re-set for tourism. Fewer tourists who linger and stay longer. No more buses making the one day dash to the Twelve Apostles	10/14/2020 8:01 AM
347	investment in community well-being	10/14/2020 7:47 AM
348	building of fire shelters; ensuring town avoids car based activity; creating renewable energy system (town should be 100% renewable);	10/13/2020 9:08 PM
349	Bla	9/30/2020 3:08 PM

Q16 Do you feel well informed about important things that are happening around the district?
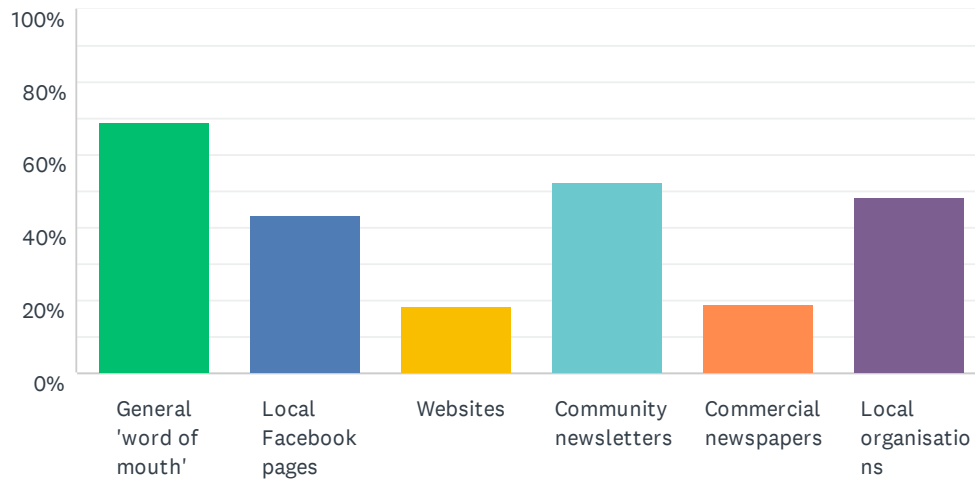

Answered: 389   Skipped: 9
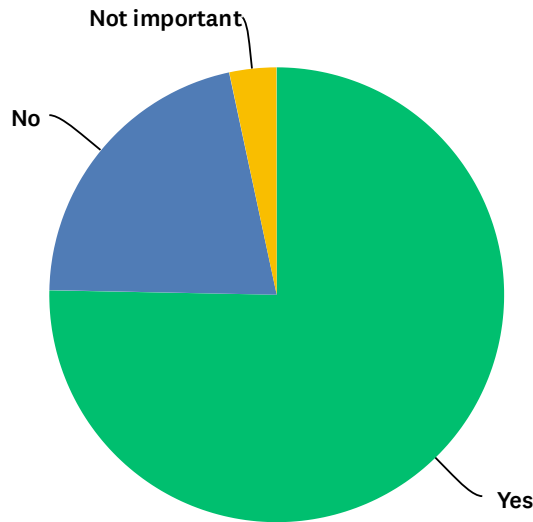

ANSWER CHOICES	RESPONSES	
Yes	75.32%	293
No	21.34%	83
Not important	3.34%	13
TOTAL		389

Q17 What is your main source of information for what is happening around the district?

Answered: 387   Skipped: 11

ANSWER CHOICES	RESPONSES	
General 'word of mouth'	68.99%	267
Local Facebook pages	43.41%	168
Websites	18.35%	71
Community newsletters	52.71%	204
Commercial newspapers	19.12%	74
Local organisations	48.58%	188
Total Respondents: 387

Q18 In a few words what practical actions could be taken to increase community connection and involvement in decisions affecting our future?

Answered: 307   Skipped: 91

Aireys Inlet District - survey 2020

#	RESPONSES	DATE
1	Face to face discussions; surveys such as this; community events where community members can be spoken with	1/18/2021 10:07 AM
2	Streamline, there seems to a large number of GOR bodies	1/11/2021 8:40 AM
3	Don't know	1/11/2021 8:27 AM
4	Not sure	12/20/2020 10:25 PM
5	Council inviting input on community plan with scope for community to influence budget priorities within Aireys. Invitation for community to have a say on a new Climate Action Plan including community GHG emissions and adaptation plans.	12/20/2020 9:23 PM
6	Post notices on general store notice board and shops	12/20/2020 8:30 PM
7	N/A	12/20/2020 12:54 AM
8	Surveys	12/19/2020 9:07 PM
9	Surf Coast council should desist from 'community consultation' during school hours during school term. This prevents most people from ever being consulted (which is obviously the goal). Only the developer gets 'consulted' and bad decisions are the result. This survey, for example, is not something that the council work ever do.	12/19/2020 6:23 PM
10	Community info sessions held at the community centre.	12/19/2020 5:59 PM
11	Listen to the majority preferbaly locals	12/19/2020 3:34 PM
12	Bridging the gap between permanent residents and second home owners	12/16/2020 12:33 AM
13	Surf Coast Shire should provide more local info via regular newsletters etc (more than Groundswell which is too general)	12/15/2020 9:04 AM
14	Community meetings via video link or at the Community Hall.	12/14/2020 10:25 PM
15	making it clear to non locals what and where the community has and is	12/14/2020 2:29 PM
16	A more localised newsletter dedicated to Anglesea to Lorne	12/14/2020 1:27 PM
17	Notices could be posted at all shops	12/14/2020 10:28 AM
18	This survey is a great step. Community meetings - perhaps these already happen?	12/13/2020 7:48 PM
19	More general communication rather than focussed groups	12/13/2020 5:23 PM
20	Don't know	12/13/2020 4:20 PM
21	Via Surfcoast Council updates	12/13/2020 3:02 PM
22	Community events	12/13/2020 11:37 AM
23	I'm not sure	12/13/2020 10:36 AM
24	Very little the majority of people are generally too busy with own families and kids. Those that do have time are generally 50+ or semi retired but as you get older you get more conservative and the do nothing option is the approach supported by this demographic. COVID has shown this even more because generally this demographic was happy to support lockdowns because it had lesser impact on there jobs or income	12/13/2020 9:52 AM
25	Go through the surf life saving club	12/13/2020 9:50 AM
26	Na	12/13/2020 8:55 AM
27	Nil	12/13/2020 6:52 AM
28	Community notice board announcements	12/13/2020 12:19 AM
29	Collaborative decision making and the ability to influence government policy	12/12/2020 10:38 PM
30	Continue with the present actions	12/12/2020 9:57 PM
31	More acceptance that the beach and land is for everyone to enjoy. We are all here as	12/12/2020 9:46 PM

	custodians to enjoy and pass on to future generations	
32	A community Expo with all the community groups so you can see what to join. Or have tables at the market.	12/12/2020 8:37 PM
33	Resident/owner emailed news	12/12/2020 8:30 PM
34	N/a	12/12/2020 8:26 PM
35	Provide a balanced view. It is important that Aida insets ad that whilst a mental not all views are supported. It risks alienating people when not providing a balanced view in particular horses.	12/7/2020 9:03 PM
36	Continue to engage with local organisations	12/7/2020 9:17 AM
37	Lots already being done	12/4/2020 6:18 PM
38	I think AIDA does a good job in raising community awareness and Surfcoast Shire would do well to take heed of community desires	12/1/2020 6:52 PM
39	District specific website or portal that aggregates local news from various sources	12/1/2020 6:10 PM
40	More surveys	12/1/2020 12:08 PM
41	Community forums, surveys working committees	12/1/2020 11:26 AM
42	Council consultation well before decisions are made	11/30/2020 10:01 AM
43	Effort to include a wide range of inhabitants and regional people and promote good environmental management	11/29/2020 10:49 PM
44	Consultation that can involve non-resident property owners.	11/29/2020 9:57 PM
45	use of video conferencing, and also direct word of mouth for those not able or inclined to use the net.	11/29/2020 9:11 PM
46	Stalls at the market or at the Store on Saturdays; wider distribution of facebook page;	11/29/2020 4:05 PM
47	Not sure	11/29/2020 12:11 PM
48	AIDA should be involved in any decisions regarding changes to the area.	11/29/2020 12:04 PM
49	Continued vigilance on local government decision-making and information sharing	11/29/2020 11:17 AM
50	Better community engagement, more of these sort of surveys.. actually listen to the community	11/29/2020 9:09 AM
51	A community connection and info booth at the Aireys Market	11/28/2020 8:55 PM
52	Zoom meetings	11/28/2020 7:16 PM
53	Make sure people are aware of issues affecting the town and surround.	11/28/2020 5:30 PM
54	politics in the pub local get togethers to discuss topics	11/28/2020 2:08 PM
55	Very hard...maybe a website	11/28/2020 12:26 PM
56	With lockdowns easing, perhaps community gatherings, a 'listening post' type thing outside the General Store on a Saturday morning. Using social media-the 3231 fb page.	11/28/2020 12:00 PM
57	AIDA to continue to work closely with the new Great Ocean Road Authority, local organisations and the elected Surf Coast Shire Councillors.	11/28/2020 11:11 AM
58	What if? presentation disappointing in detail. Still don't know a safe escape route or place of shelter for residents near the top shops.	11/28/2020 11:01 AM
59	Information on issues of importance disseminated when necessary	11/28/2020 6:30 AM
60	Local meetings. Zoom if necessary.	11/28/2020 6:11 AM
61	Small group information meetings. Perhaps a street or area which could encourage interaction through meeting neighbours. A what's ap group.	11/27/2020 10:32 PM
62	Hold the Mayor to her conservation statement	11/27/2020 10:25 PM

63	Increase environmental education/ information However the tide of development driven by personal gain and self interest is unstoppable	11/27/2020 9:28 PM
64	A larger permanent population	11/27/2020 9:16 PM
65	If members of the community care enough, they will stay informed	11/27/2020 8:48 PM
66	Continued information to the community through above methods	11/27/2020 8:40 PM
67	Conduct a meeting of the new GORC committee at the community hall in Aireys Inlet.	11/27/2020 8:08 PM
68	Can't comment	11/27/2020 7:49 PM
69	all ready answered in previous questions	11/27/2020 7:24 PM
70	Community activities such as farmers markets and festivals, regular community meetings	11/27/2020 7:18 PM
71	Public engagement sessions where draft and concept plans are shared and genuine constructive input taken and feedback given on community input adopted and rejected.	11/27/2020 6:57 PM
72	Open forums	11/27/2020 6:29 PM
73	Join community organisations	11/27/2020 4:09 PM
74	Letterbox flyers	11/26/2020 4:26 PM
75	Well advertised Community working bees. This was done in the past to control weeds and maintain tracks	11/25/2020 5:56 PM
76	Open discussion nights with councillors and residents in the area.	11/24/2020 5:05 PM
77	We have just discovered your website and will be joining. Surf Coast Shire is next to useless. We want to take a more proactive stance in Fairhaven and surrounds and would like more information on how to do this.	11/24/2020 5:00 PM
78	Have a registration process and bulletin board connected to council website	11/23/2020 2:06 PM
79	Email	11/22/2020 5:58 PM
80	Invite the community to become involved eg: flyers, PO Box drop. Forums.	11/22/2020 5:15 PM
81	Dont know	11/22/2020 4:15 PM
82	A strong local representative on the Surf coast Shire.	11/22/2020 11:15 AM
83	Surveys, inclusion of holiday makers in these decisions	11/22/2020 9:19 AM
84	more like this	11/21/2020 2:42 PM
85	Advertising how to get info from local organisations	11/21/2020 1:04 PM
86	Newspaper could report on a greater range of actities eg AiRAR	11/19/2020 9:12 PM
87	More community forums for discussion of local issues, maybe as webinars?	11/19/2020 6:17 PM
88	That's a hard one! Perhaps make more use of social media to promote community events and meetings.	11/19/2020 5:10 PM
89	This is a good idea: sending out emails to people who live in the area to ensure a good cross section of people and opinions is accessed	11/17/2020 10:18 PM
90	Better pink between groups in town AIDA, AITTA, Parks, Shire etc	11/17/2020 11:59 AM
91	not sure I can think of anything - an AIDA presence at the market? - maybe there is already	11/16/2020 6:31 PM
92	Strengthen Local networks	11/16/2020 9:32 AM
93	Events, clubs, church life	11/14/2020 3:49 PM
94	Park meetings. Social.medai	11/14/2020 3:48 PM
95	More meetings in accessible times.	11/14/2020 2:34 PM
96	Don't know	11/13/2020 6:00 PM

97	AIDA, the General store notice board could be improved and enlarged.	11/13/2020 12:53 PM
98	Greater openness to real community consultation by government agencies. The ugly tunnel at Fairhaven is an example of how NOT to liaise with the community.	11/13/2020 10:26 AM
99	Ensure the Council connects and discusses all plans with locals for input before proceeding. No decisions t be implemented unless the final proposed plan has been opened to public comment.	11/12/2020 5:03 PM
100	Keep a reign on property developers	11/12/2020 12:19 PM
101	newsletters	11/12/2020 12:19 PM
102	Improved council ranger presence on weekends Early morning patrols to enforce camping restrictions	11/12/2020 10:14 AM
103	Not sure sorry	11/12/2020 8:48 AM
104	no suggestions	11/11/2020 9:45 PM
105	Community meetings/zoom meetings. membership forms handed out by realestate agents when properties are purchased and in stores, cafes.	11/11/2020 8:25 PM
106	Continue same	11/11/2020 7:51 PM
107	More citizens should be proactive and join local organisations like AIDA, the Churches, RAR, etc	11/11/2020 6:49 PM
108	More general community meetings	11/11/2020 6:34 PM
109	include access details for these community facilities in the rate notice	11/11/2020 6:33 PM
110	Continuing circulation of information	11/11/2020 6:24 PM
111	more involvement from Surfcoast Shire	11/11/2020 5:15 PM
112	direct representation on the new GORRC board, support of local SCS councillors, consultation processes.	11/11/2020 12:54 PM
113	Information sessions at the hall.	11/11/2020 8:05 AM
114	Community notice board for events, not just tradies promotion	11/11/2020 6:12 AM
115	site visits/activities, focused small group activities like the Friends of Alan Noble Sanctuary (FANS weeding group)	11/10/2020 11:54 PM
116	Regular local town hall style meetings from a wide range of local stakeholders	11/10/2020 10:18 PM
117	Newsletters	11/10/2020 6:24 PM
118	Keep doing all the things that everyone is doing. I feel informed about local issues and connections	11/10/2020 4:25 PM
119	bridge the divide between younger and older residents. Bridge the divide between holiday home owners (temp residents) and permanent residents.	11/10/2020 12:39 PM
120	Hold governments and public departments to account. Evidence based decision making and local content into those decisions	11/10/2020 10:43 AM
121	Support AIDA	11/10/2020 10:36 AM
122	More surveys that actually use the data of peoples opinions to decude what to do next. Promoting environmental days such clean up rubbish days, and revegetation working bees across the town.	11/10/2020 8:52 AM
123	Info sessions on key issues - zoom might be the way to go in future rather than people having to travel to events	11/9/2020 9:09 PM
124	Greater ability to engage online eg zoom	11/9/2020 2:23 PM
125	Surf coast shire communications to property owners, real estate agents communications to renters regarding important issues and inviting involvement	11/9/2020 2:04 PM

126	Council surveys and council information/community engagement sessions	11/8/2020 10:46 PM
127	Hoping the Great Ocean Road Authority may facilitate this.	11/8/2020 5:07 PM
128	Seems ok at present	11/6/2020 11:54 AM
129	Treat all feedback equally	11/5/2020 7:11 AM
130	Neighbours keeping checks on each other. Community be better connected	11/4/2020 6:26 PM
131	Transparency and consultation before any "fait accompli"	11/4/2020 2:49 PM
132	Get cars off the road - make em walk or electric buggy	11/4/2020 1:47 PM
133	Unrestricted access to community website	11/3/2020 9:57 AM
134	Community bi-monthly meetings - Zoom?	11/3/2020 8:27 AM
135	Move to a different style of council governance - see FROME UK ,	11/2/2020 10:14 AM
136	Not sure- sorry	11/1/2020 9:05 PM
137	More community gardens, food co-ops, community bulk biy cost savinf initiatives	11/1/2020 3:42 PM
138	Broader membership to engage across the demographics	11/1/2020 10:26 AM
139	Consult beyond AIDA, as they only represent a particular demographic or portion of the community	10/31/2020 2:28 PM
140	Community meetings with interesting & knowledgeable speakers	10/31/2020 12:11 PM
141	• A campaign with local authorities -- the Shire Council, GORCC and its successor, Major Roads Projects Victoria, Barwon Water etc (and their planning consultants) -- to genuinely value local objectives and input rather than seeing consultation only as a means of explaining what is to happen to locals who wish to engage. • Engagement between local organisations to share viewpoints and objectives.	10/30/2020 5:12 PM
142	More regular communication from Council, more community meetings on topics of interest.	10/30/2020 12:28 PM
143	-	10/30/2020 9:54 AM
144	Broaden the network of community groups, such as the Surfcoast Shire has done during the Covid-19 lockdown.	10/30/2020 9:46 AM
145	Aida to continue what they do	10/29/2020 8:20 PM
146	Maintain distribution of information via all electronic mediums.	10/29/2020 4:07 PM
147	more surveys and taking these views into account	10/29/2020 3:30 PM
148	local radio, community workshops	10/29/2020 1:58 PM
149	Don't know honestly	10/29/2020 11:25 AM
150	Don't know	10/28/2020 3:15 PM
151	An occasional survey similar to this.	10/28/2020 12:31 PM
152	No suggestions	10/28/2020 11:58 AM
153	Dontknow	10/28/2020 7:17 AM
154	More public meetings	10/28/2020 6:43 AM
155	Not sure	10/27/2020 11:04 PM
156	Maybe a newsletter dropped into our PO Boxes	10/27/2020 7:57 PM
157	Reach out to new permanent residents - I've lived here 4 years and it's hard to get to know local people- it's a tight click	10/27/2020 7:27 PM
158	Just being able to speak to people face to face is so important. I found speaking to Shire candidates outside the General Store really great. Encouraging people to learn more about the bushland etc, perhaps group walks with a guide. The more people learn about our natural	10/27/2020 7:02 PM

environment the more that respect and want to protect it. My concern with the Surfcoast Shire is seeing what's happened to Torquay and how developed it's become. In my opinion it's been ruined. The fact that development like that has been allowed to happen makes me question the Shire.

159	Find a better format then Facebook.	10/27/2020 5:24 PM
160	The local FB page is a great initiative	10/27/2020 4:58 PM
161	Aida should be less divisive and more broad based if it wishes to truly reflect the community.	10/27/2020 4:13 PM
162	Continue to use the 3231 Facebook page to advertise ongoing issues.	10/27/2020 3:54 PM
163	Articles in local newspapers	10/27/2020 3:48 PM
164	Not sure ..... live in Torquay so don't hear much about AI	10/27/2020 3:31 PM
165	More surveys like this one	10/27/2020 3:31 PM
166	I feel that there are plenty of current avenues for community involvement.	10/27/2020 2:34 PM
167	More communication and consultation, similar to what vic roads did for the Moggs bridge.	10/27/2020 2:29 PM
168	Continue communication via the Shire using current print options and also electronic communication as well	10/27/2020 1:49 PM
169	Community meetings, events and advertisement of important issues.	10/27/2020 1:26 PM
170	Community wvents; using existing Facebook pages to gain input	10/27/2020 10:58 AM
171	Use Instagram, do polls, get people following	10/27/2020 9:12 AM
172	supporting local groups with meeting logistics, frequent briefing/consultations by council	10/26/2020 2:26 PM
173	Long-term residents being more welcoming and inclusive to new relocated Melbourians! Not sure on how this aspect will ever change	10/26/2020 1:59 PM
174	Zoom meetings? I'm getting too old to think of new things	10/26/2020 10:31 AM
175	Not sure	10/26/2020 8:50 AM
176	More surveys	10/26/2020 4:01 AM
177	Possibly community meetings, where information is shared. Notice boards at shops.	10/25/2020 4:59 PM
178	Join AIDA, ANGAIR and organisations such as the Community Garden and all the other "Friends of" volunteer groups. Elect shire councillors who support environmental sustainability, community benefit and socially responsible tourism.	10/25/2020 3:20 PM
179	Community events and word of mouth	10/25/2020 3:06 PM
180	Post it on the 3231 Aireys inlet fb group!	10/25/2020 2:57 PM
181	Unsure	10/25/2020 7:39 AM
182	?	10/25/2020 7:31 AM
183	Form a community network like Anglesea's ACN that simply connects people so they can engage/help with shared issues/interest.	10/24/2020 4:27 PM
184	Continued public meetings through AIDA and other bodies.	10/24/2020 2:54 PM
185	Better representation at Council. Regular community discussion events by Zoom or when possible in local community halls	10/24/2020 2:28 PM
186	Community newspapers featuring local stuff. Local community events, markets	10/24/2020 10:23 AM
187	Newsletters from local organizations	10/23/2020 10:16 PM
188	Face to face meetings advertised in newsletters, at the market, noticeboards, shops, and meetings held at times maximum residents and holiday house owners can participate	10/23/2020 9:07 PM
189	Greater transparency in planning decisions being made by the Surf Coast Council. Greater transparency and stronger accountability by the State Government in relation to tourism	10/23/2020 4:35 PM

	development and the management of the GOR	
190	Initiate a Festival of Future Thinking - also two Town meetings per year to debate key challenges	10/23/2020 11:43 AM
191	using social media	10/23/2020 10:42 AM
192	Include non perresidents views	10/22/2020 7:41 PM
193	Community events. Maybe another pub.	10/22/2020 7:19 PM
194	A forum to discuss What kind of community could we be? Based on the results of the survey.	10/22/2020 5:21 PM
195	I feel well informed and connected but perhaps promoting the points of potential connection more trough a district mail out, or creating a one stop e-shop or e-list server	10/22/2020 4:57 PM
196	No comment	10/22/2020 1:14 PM
197	I think we do pretty well as it is.	10/22/2020 1:06 PM
198	Didn't understand why AIDA didn't provide guidance at the recent Council election. If AIDA is at least in partan advocacy organisation why not endorse a candidate or candidates?	10/22/2020 11:54 AM
199	Maintain reliable telecommunications. Maybe a digital community notice board with up to date info.	10/22/2020 8:18 AM
200	Surveys like this are good!	10/21/2020 8:04 PM
201	Not sure	10/21/2020 7:51 PM
202	Polls	10/21/2020 7:36 PM
203	Create a local community network group - meet either in person or online to discuss various issues three or four times a year. A bit like the 'Committee for Lorne' which includes representatives from local business, community organisations, school, enviro groups, council etc, to set the vision, discuss key issues and establish goals the community can work towards together. Needs a more unified approach - not just AIDA or the traders saying what they want, but a mixed group of leaders from the community who can discuss a range of issues and provide different perspectives for consideration	10/21/2020 7:18 PM
204	Create a community square Run regular seminars based on research about key issues and similar communities	10/21/2020 5:54 PM
205	Notification of important issues ,followed by public meetings	10/21/2020 5:44 PM
206	Community meetings. A local email newsletter (advertised at the local shops)	10/21/2020 5:05 PM
207	Maybe information newsletter from shire about events in our area.	10/21/2020 2:51 PM
208	To actually consult the community with full intention to act/react upon general consensus instead of what is happening with Project Eden which has been all lip service re community consultation. I'm saddened by the degree capitalism runs everything in this world. Once we allow too much "progress", we can never go back to what we have now, which is what everyone finds so appealing.	10/21/2020 1:47 PM
209	Newsletters	10/21/2020 1:39 PM
210	na	10/21/2020 10:08 AM
211	SOme community development training for key players. Recent Angair workshops good. Lots more webinars, and smart public education as per Craig Reucassel on ABC.	10/21/2020 8:42 AM
212	Increase community consultation	10/21/2020 7:41 AM
213	More surveys like this would be great, as long as the data collected is acted on.	10/21/2020 7:09 AM
214	Town meeting. Newsletters	10/21/2020 7:02 AM
215	There will be plenty to do post xovid	10/20/2020 11:32 PM
216	Listening post set up on Saturday morning at local shops	10/20/2020 11:32 PM
217	More face to face community meetings	10/20/2020 10:19 PM

218	Very regular community meetings with shire councillors and transparency at a shire level	10/20/2020 10:18 PM
219	younger demographic interaction	10/20/2020 9:58 PM
220	well designed surveys.	10/20/2020 9:08 PM
221	Community meetings, notices, Facebook page, local newspapers	10/20/2020 8:54 PM
222	Information on the community FB page	10/20/2020 8:43 PM
223	Development of a rate payers association	10/20/2020 8:33 PM
224	Na	10/20/2020 8:19 PM
225	Community consultations with individuals, businesses and community orgs	10/20/2020 8:14 PM
226	Mor community engagement. Include all voices.	10/20/2020 7:50 PM
227	-	10/20/2020 7:48 PM
228	a central hub, maybe a Tourist Info place (run by volunteers) that also has a lounge and notice board	10/20/2020 7:45 PM
229	I am ok with current communications.	10/20/2020 7:27 PM
230	I find them acceptable now	10/20/2020 7:17 PM
231	Allowing more locals that live here full time to actually have a say and their opinions and thoughts heard	10/20/2020 6:33 PM
232	Not sure	10/20/2020 6:12 PM
233	I feel that the info is out there for any interested people to access through Newsangle, AIDA, AITTA, social media	10/20/2020 6:10 PM
234	Community meetings or more surveys to see what people really want	10/20/2020 5:42 PM
235	Making sure that information is disseminated through major channels eg Surf Coast Shire, local Facebook pages, community noticeboard at shops	10/20/2020 5:32 PM
236	Unsure to be honest	10/20/2020 5:21 PM
237	Somehow find a way to counter opinion with facts, especially on Facebook and then make it easy for people to have a say, i.e without having to go to a meeting. Lots of people work full time and are also very busy with kids...	10/20/2020 5:16 PM
238	Current connections are good.	10/20/2020 5:12 PM
239	Local topic discussion nights at the school or surf club. Moderated to ensure fair conversations	10/20/2020 5:09 PM
240	Send emails with opt out option to all rate payers	10/20/2020 5:05 PM
241	Formalise a Facebook connection for the area.	10/20/2020 5:03 PM
242	Newsletter from local government targeting our area	10/20/2020 4:44 PM
243	Not sure	10/20/2020 3:39 PM
244	Really don't know!	10/20/2020 3:36 PM
245	Keep community informed well before decision taking to give time for broader input	10/20/2020 3:28 PM
246	A Surf Coast Council resourced and committed to community concerns.	10/20/2020 3:21 PM
247	Not sure	10/20/2020 3:09 PM
248	Community engagement outside of regular commentators. Hearing from young people and being more inclusive with socially isolated.	10/20/2020 2:55 PM
249	Surveys such as this.	10/20/2020 2:44 PM
250	Vote in elections	10/20/2020 2:37 PM
251	Na	10/20/2020 2:34 PM

| 252	Not sure	10/20/2020 2:31 PM
253	AIDA has a reputation of being anti- development (of any kind) . People who have the time to be involved are often of the older generation and not adequately representing the entire community. - linking in with local school and other places that families go would be great.	10/20/2020 2:21 PM
254	A census. And understanding different demographics and their needs. Not basing decision off one demographic.	10/20/2020 2:04 PM
255	Community updates and collaboration. And Can you link Surfcoast Anglican Parish (we include St Aidans Aireys Inlet) In outcome of survey and newsletters surfcoastparish@icloud.com Rev Sharon Valentino	10/20/2020 1:57 PM
256	Make people more aware of what is happening. Maybe a newsletter in PO Boxes	10/20/2020 1:56 PM
257	Ensuring an adequate spread of views is captured before particular positions are adopted by Council (or even by AIDA).	10/20/2020 1:52 PM
258	More surveys, community meetings	10/20/2020 1:51 PM
259	Community forums	10/20/2020 1:48 PM
260	Dedicated websites	10/20/2020 1:42 PM
261	Inclusion for all	10/20/2020 1:40 PM
262	This is difficult due to absence of mailboxes at homes and the remote nature of home ownership in many cases. AIDA is a great asset to the community but I'm not sure of it's penetration. Perhaps AIDA could be better publicised at Markets and any community event. As a voluntary organisation AIDA deserves better support and funding but overcoming community apathy is a challenge. Perhaps Aireys Inlet needs a Tourist and Community Information Centre manned for a few hours each day at busier times of the year that would be a way of offering information and connecting people more.	10/20/2020 12:39 PM
263	Community meetings Community zoom sessions	10/20/2020 10:49 AM
264	community consultation, community meetings	10/20/2020 9:21 AM
265	Keep consulting with ANGAIR, Friends of the Otways and other environmental groups	10/20/2020 9:19 AM
266	Unsure however having Council representation is important	10/20/2020 9:15 AM
267	A site on the internet to catch up on local masters.	10/20/2020 8:01 AM
268	regular news/information bulletins, community meetings fro major issues	10/19/2020 10:46 PM
269	I;'m not sure -sorry	10/19/2020 10:27 PM
270	Regular surveys such as this one combined with community forums on topics of local interest.	10/19/2020 10:26 PM
271	More surveys like this, facilitator-led sessions exploring options and priorities, council-funded activities building the local community capacity to make decisions and action them	10/19/2020 9:28 PM
272	AIDA has always been proactive and kept the area well informed on any issues affecting the district.	10/19/2020 9:27 PM
273	Annual town hall meetings, like the bushfire sessions this summer	10/19/2020 8:10 PM
274	Not sure	10/19/2020 6:37 PM
275	Meetings.	10/19/2020 6:35 PM
276	zoom meetings with representation of Council/staff/Councillors and experts on the topic	10/19/2020 5:31 PM
277	Internet notifications	10/19/2020 5:28 PM
278	Not sure	10/19/2020 5:14 PM
279	well advertised community consultation nights.	10/19/2020 4:48 PM
280	Top shop / market info stalls quarterly	10/19/2020 4:47 PM
281	I don't know	10/19/2020 4:43 PM

282	protect AIDA	10/19/2020 4:31 PM
283	Continuing community consultation events, newsletters.. social media, information sessions at top shops, the hall	10/19/2020 4:22 PM
284	Webinars discussing pros and cons around issues 'Town hall" meetings on zoom as out of region people can't always attend locally More surveys on specific issues	10/19/2020 4:08 PM
285	More information from the Council about what is happening.	10/19/2020 3:23 PM
286	Wont matter what we say as the government & authorities will do what they want to do anyway eg Painkalac water storage and Barwon Water with the pipeline to Anglesea.	10/19/2020 3:19 PM
287	Citizen's juries	10/19/2020 3:18 PM
288	All good	10/19/2020 1:54 PM
289	Greater community consultation by the Shire. Clear and consistent planning and goals by the Shire	10/19/2020 1:48 PM
290	More councillors better engaged with community and not beholden to officials	10/19/2020 1:39 PM
291	A local Anglesea Ward newsletter, newspaper or news sheet distributed in local shops published maybe once a month so more of the holiday owners are informed of current local issues	10/19/2020 1:30 PM
292	Surfcoast shire could pay a lot more attention to our area rather than the larger major townships	10/19/2020 1:24 PM
293	Meetings / public forums held locally	10/19/2020 1:19 PM
294	Fire education day with Kevin Tolhurst, prevention of valley being destroyed by horses being given more access	10/19/2020 12:56 PM
295	Working bees with a social component eg a tree planting or litter collection activity with a follow up picnic or bBQ; arts festivals that bring musicians and artists together; sporting activities like walks on the beach where people can meet, fun runs, more cycle paths or country routes, family activities like walk/cycle treasure hunts/ national parks education activities including at night.	10/19/2020 12:53 PM
296	See answers below	10/19/2020 12:50 PM
297	Better communication between shire and community	10/19/2020 12:47 PM
298	People getting involved and wanting to have input	10/19/2020 12:44 PM
299	Community meetings, competent local government, planning with consultation	10/19/2020 12:43 PM
300	With the results of a survey such as this-formulate activities/forums that people will/can engage with.	10/19/2020 12:39 PM
301	Not sure	10/19/2020 12:28 PM
302	Online access for people who aren't in the community 365 days per year	10/19/2020 12:27 PM
303	More community involvement by council, State Government agencies	10/16/2020 11:51 AM
304	More people getting involved in major devious and proposals	10/14/2020 8:01 AM
305	Imperative that Aireys has a community voice in consultations with the new GOR Authority	10/14/2020 7:47 AM
306	Regular town meetings about future challenges; creating a better town centre, somewhere people can gather and linger and chat in pleasant surroundings - problem with existing shops dominated by car parking and GOR	10/13/2020 9:08 PM
307	B	9/30/2020 3:08 PM

Aireys Inlet District - survey 2020

| #	OTHER EVENTS/ACTIVITIES - OR EXPAND ON YOUR VIEWS ABOVE	DATE
1	We have enough running nd cycling events I the region.	12/20/2020 10:25 PM
2	we love that you can do a coastal and river bushwalk with a bookshop (and cafes) in Aireys - this should be more celebrated	12/20/2020 9:23 PM
3	Don't over-think it. "Do nothing" is often the best option. I don't want to live in Sorrento, so don't repeat the mistakes they made. Don't invite Karen to holiday here,	12/19/2020 6:23 PM
4	I don't know what is exactly meant by Green infrastructure	12/15/2020 9:04 AM
5	Horse and pony club events	12/7/2020 9:03 PM
6	A programme of weekly feature days and events at the local pub at one time was an attraction in the winter months. Good for the community and visitors	11/29/2020 10:49 PM
7	More engagement is water activity and safety eg increased role SLSV	11/27/2020 9:28 PM
8	Sustainable (economic environmental and social) small town	11/22/2020 9:19 AM
9	need to carefully manage Aireys reputation as a nature based, low impact environmental experience	11/16/2020 6:31 PM
10	Not sure about the last point -what does this mean?	11/16/2020 9:32 AM
11	I'd strongly support town recycling efforts (bins for sorted recyclables) as well as any community or town-wide renewable energy projects.	11/13/2020 10:26 AM
12	book activities with Ecologic Education!! come on a lighthouse tour!	11/11/2020 12:54 PM
13	Include the broader hinterland areas in local Aireys products (eg wineries etc)	11/10/2020 4:25 PM
14	Environmental days. Rubbish ckean up days. Revegetation working bees. Roadside planting. Renewable energy development. Waste reduction days.	11/10/2020 8:52 AM
15	Not sure what point 2 means; would love to see us 100% powered by renewable energy	11/9/2020 9:09 PM
16	Farmers market	11/5/2020 2:30 PM
17	Think of our environment - that's all	11/4/2020 1:47 PM
18	Need a not sure button	11/1/2020 9:05 PM
19	Would be great if local people were employed to create all these increased activities instead of volunteer labour.	10/29/2020 4:07 PM
20	Less cycle events	10/27/2020 7:57 PM
21	Music	10/27/2020 4:13 PM
22	Increased profile and membership for community organisations such as the Community Garden and all the other "Friends of" volunteer groups	10/25/2020 3:20 PM
23	.	10/24/2020 4:27 PM
24	I like the annual school fair as a way of bringing more people into that community	10/23/2020 9:07 PM
25	More emphasis on culture.... Aireys has a rich history which is little known but which offer some exciting experiences if 'brought alive'. More music: local relaxed music that all the community can enjoy	10/23/2020 4:35 PM
26	Renewable energy supply we could invest as a community	10/22/2020 8:18 AM
27	Add marine tours to the list of nature observation. So few people in Aireys know how amazing ERMS is.	10/21/2020 8:04 PM
28	Hoping the market keeps going. Always loved the literary events the bookshop ran. Music festival is great. We have a pretty good balance - but more live music in existing venues is always welcome!	10/21/2020 7:18 PM
29	Great ideas listed above. Again I would say NO cats allows our wildlife to thrive.	10/21/2020 5:05 PM
30	Implement planned walking tracks which have never come to fruition. (Surfcoast walk to	10/21/2020 11:22 AM

Lorne. Track along Painkalac creek. Complete track on Merrin reserve Fairhaven to Yandanah Rd Complete track around Painkalac Dam.

31	indigenous lead environmental sustainability projects	10/20/2020 9:58 PM
32	Health and well-being activities and activities foccussed on building community connection	10/20/2020 8:14 PM
33	Aireys Market is excellent, see earlier comment re star-gazing. Promoting those qualities that so many of us come here for - beach, bush, through better understanding and care of this environment.	10/20/2020 4:55 PM
34	Give us a wind turbine	10/20/2020 2:37 PM
35	Green infrastructure- interested in possibility of a town battery fed by surplus holiday home solar	10/20/2020 1:10 PM
36	no football oval, fewer dogs and cats	10/20/2020 9:21 AM
37	Community forums on sustainable living ideas.	10/19/2020 10:26 PM
38	The community coming together and installing wind power like in Daylesford	10/19/2020 4:08 PM
39	The buttons aren't working but More Nature observation, indigenous tours & green infrastructure	10/14/2020 4:32 PM
40	Q19 cannot tick the same category more than once. ie cannot have more than one 'more of this'	10/14/2020 9:02 AM

Q20 How concerned are you about particular effects from major tourism development elsewhere along the GOR (for example, from the Eden project proposed for the old Alcoa mine in Angelsea)

Answered: 388   Skipped: 10
	HIGH CONCERN	LOW CONCERN	NOT CONCERNED	HAD NOT CONSIDERED THE ISSUE	TOTAL
Increased traffic along the GOR	75.26% 292	15.21% 59	6.96% 27	2.58% 10	388
Competition between current (diverse, small, local) hospitality businesses and large resort-like developments.	64.18% 249	23.71% 92	7.73% 30	4.38% 17	388
Risk to life from disastrous events (such as fire, storms flooding) at peak visitor times	77.26% 299	16.80% 65	3.62% 14	2.33% 9	387
Effects on land value - house prices	23.51% 91	45.74% 177	23.26% 90	7.49% 29	387

| #	OTHER CONCERNS, OR ELABORATION OF ABOVE?	DATE
1	concerned at affect on local water availability and aquifer and ecosystem health from filling mine. Concerned if Aireys is seen only as rushed drive through place between other major destinations	12/20/2020 9:23 PM
2	The only main way out in a case of emergency is the GOR. this needs to be monitored during peak, or fire shelters and addition information.The same for the SLSC may see an increase in people.... do they have the resources for this?	12/19/2020 9:07 PM
3	Send the tourists to Anglesea. That's OK. And they have a disused coal mine that needs a new function, so the Eden project might be what they need. Someone should ask Anglesea what they think.	12/19/2020 6:23 PM
4	I	12/12/2020 9:57 PM
5	Increased traffic along GOR is probably main point of concern, but this could be assisted by development of alternative paths for through traffic as outlined above.	12/7/2020 9:17 AM
6	Eden project could be a fantastic intiative for the area. Key to this is a new access road into Eden from the back to take traffic off the GOR	12/1/2020 9:56 AM
7	I believ the Eden project is a disaster waiting to happen, with influx of tourists., high demand for water, congestion on the roads and demands for increased roads	11/29/2020 10:49 PM
8	If/when Eden happens, Bambra Rd will be unbearably busy, dangerous, non accessible and will reduce land/house values (in the vicinity)	11/27/2020 8:48 PM
9	The steps down to the beach at the Inlet, ie near toilets are in great need of maintenance or renewal. A broken ankle waiting to happen	11/22/2020 11:15 AM
10	holiday makers not clearing there block of land in fire season as thay donot care if there house burn as thay have one or more in melbourne or geelong to go to but there burning house will impacket the next door neighbour who will have done all the right clean up but still losers there house and has nowear at go	11/21/2020 2:42 PM
11	maintain focus on local, small scale enterprises - low food miles, etc	11/16/2020 6:31 PM
12	We don't need eden or CORA	11/16/2020 9:32 AM
13	'Funfair' tourist-farm ventures encourage a superficial appreciation of a place rather than a rewarding interaction with a place.	11/13/2020 10:26 AM
14	Development will probably increase land values but for the wrong reasons.	11/12/2020 5:03 PM
15	The number of tourist buses and the influx of people to Anglesea if Eden was to proceed. The roads cannot cope	11/11/2020 9:45 PM
16	Spiv developments are to be discouraged.	11/10/2020 10:18 PM
17	High cost of property and maintaing and sustaining a local work force will be challenging into the future. Fire and global warming another issue.	11/10/2020 12:39 PM
18	Eden project may bring enough tourism for both large and small operators, also educative with the focus on different eco systems around the world	11/9/2020 2:04 PM
19	Very sad to see implied criticism of Eden project. This is one of the most exciting opportunities the coast has had.	10/28/2020 7:17 AM
20	More cars on the road means more carnage of wildlife . Kangaroos and wallabies are being injured and killed in large numbers. You only have to ask wildlife rescuer Jason Cichoki for his stats to know that it's a major issue. Speeds on roads such as Forest Road need to be reduced .	10/27/2020 7:02 PM
21	I worry greatly about the number aid day visitors an days of extreme weather	10/26/2020 7:55 PM
22	Over-development in our community and all along the GOR, unsustainable tourist numbers, despoiling our natural environment	10/25/2020 3:20 PM
23	The threat of more major bush fires and the example of Mallacouta with its lack of alternative escape routes is a major worry.bushe	10/24/2020 2:54 PM

24	I oppose the Eden project.	10/23/2020 9:07 PM
25	These issues require the community to take action and to speak loudly to the new GOR Authority	10/23/2020 11:43 AM
26	Such developments should focus on benefits for our district and its community rather than a simple profit motive of the developer	10/22/2020 4:57 PM
27	Developments like that mostly benefit the developer & tourists but not the local community.	10/21/2020 7:18 PM
28	I think the EDEN project is an idea that should be explored for its feasibility and is potentially of value to Anglesea and surrounds	10/21/2020 5:05 PM
29	Why on earth can the old mine site not be revegetated with bike/walking tracks, some provision for picnic areas and boating/windsurfing/kayaking/canoeing on the "lake"??? I'm horrified at the Eden "proposal" and the need of some to line their bank accounts instead of doing something truly progressive and not only preserving what we have, but making amends to our land by replanting.	10/21/2020 1:47 PM
30	environmental degradation due to greater traffic and expansion	10/20/2020 9:58 PM
31	House prices will only increase with most local developments.	10/20/2020 8:19 PM
32	Money being taken out of such a small town from a big enterprise where most businesses here are locals,	10/20/2020 7:45 PM
33	My concern with land values is an increase that makes the region a place for wealthy people only. The homogeneous nature of such communities is a negative in my opinion.	10/20/2020 5:32 PM
34	As house prices keep increasing, I have concern that we will become an even emptier town of vacant holiday homes, like Lorne. We will lose Aireys' wonderful community feel. It would be good to see more affordable housing options	10/20/2020 5:16 PM
35	Keep tourism development low key and the other concerns arte diminished	10/20/2020 4:44 PM
36	Lack of diverse community	10/20/2020 1:57 PM
37	bush fire evacuation chaos in peak season, roads would not cope esp anglesea roundabout	10/20/2020 9:21 AM
38	None	10/19/2020 10:26 PM
39	Congestion on the GOR during an evacuation	10/19/2020 8:10 PM
40	I hope the road to the EdenProject will be a separate wide access road right away from the town with all its necessary parking.	10/19/2020 6:35 PM
41	concerned ab out Eden	10/19/2020 4:31 PM
42	Very concerned about the potential for business and commercial interests to hold sway over local community interests and opinions.	10/19/2020 12:39 PM

Q21 Please provide basic information. Are you:
