

Community Forum

4pm on 21 January in the Aireys Inlet Community Hall

Hear about the health of the Painkalac Creek, estuary and ecosystem.

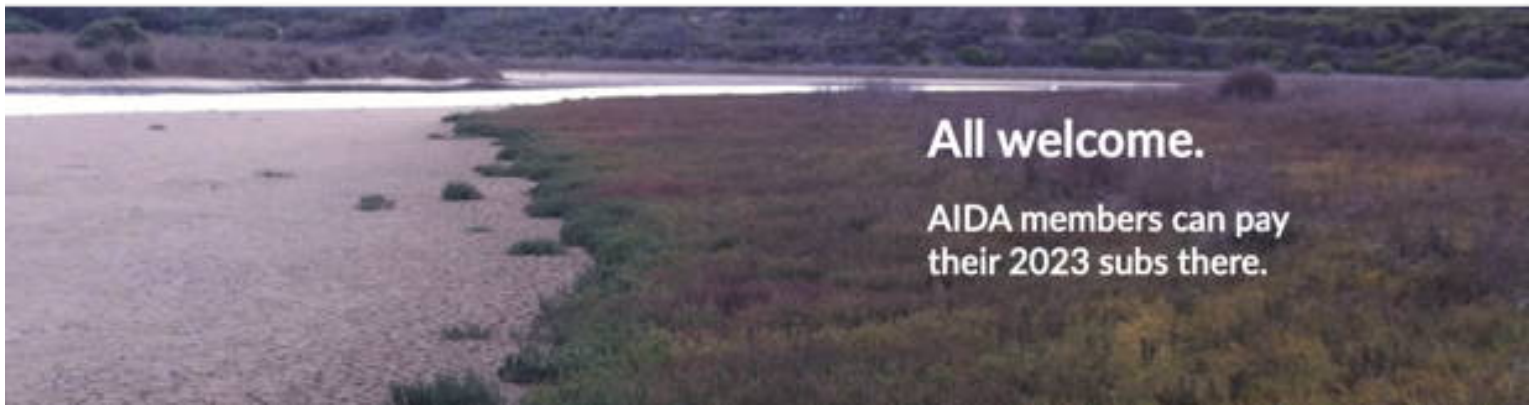

How do the frequent Inlet openings affect the salt-wedge ecosystem and ecology?

Is the water safe for recreation and swimming?

The forum will hear from:

- Great Ocean Road Coast and Parks Authority
- Corangamite Catchment Authority
- Ass. Prof David Kennedy, Melbourne University
- Estuary Watch
- Surf Coast Shire
- Barwon Water

All welcome.
