

AIDA COMMITTEE MEETING

FRIDAY 2 SEPTEMBER 2016

CORRESPONDENCE REPORT FOR JULY & AUGUST 2016

CORRESPONDENCE IN

NO	DATE RECEIVED	SOURCE	DESCRIPTION	ACTION
1	2/8/16	Peter McLean Surf Coast Shire	Retaining Wall Plants Advice that project cannot be started until certain matters are considered: - Need to get approval from VicRoads as wall in located within the Great Ocean Road Reserve. - Need to meet requirements to allow volunteers to work such as adequate protection, traffic management, relevant insurances and safe working method statements. - Probable need for topsoil. - Source appropriate plants. Details to be sorted out over the next few months and to organise planting in autumn.	ALL
2	3/8/16	David Petty GORCC	Split Point Lookout Work Advice that the works are for the last of the lookouts.	ALL
3	4/8/16	Jorgen Peters Surf Coast Shire	C110 Submission Advice that second objector has been contacted and requested a redraft to the strategy: "Ensure that future roadworks and pathways (either gravel or sealed surfaces of a suitable colour, material and texture) retain the informal character and appearance established in the Aireys Inlet to Eastern View Neighbourhood Character Study, 2004". JP hopes this is still satisfactory for AIDA and thinks it is consistent with the Study which states: "In order to maintain the current character, the Council should either retain gravel road surfaces with the townships, or alternatively give consideration to ensuring that future construction and sealing of these roads occurs in a way that retains their informal appearance".	ALL
4	4/8/16	Jorgen Peters Surf Coast Shire	C110 Submission Advice that this should go to Council on 23/8/16 depending on confirmation from AIDA and the other submitter that the submissions have been resolved.	ALL
5	7/8/16	Meg Parker Lorne-Aireys Inlet P-12 College	School Solar Advice that donations to the funds would be appreciated and provided an address for the donation.	ALL

CORRESPONDENCE IN CONTINUED
