FRIDAY 6 DECEMBER 2013

CORRESPONDENCE REPORT

CORRESPONDENCE IN

NO	DATE RECEIVED	SOURCE	DESCRIPTION	ACTION
1	22/10/13	Brian Reed	Reminder re response to his email regarding unsealed roads.	
2	28/10/13	Brian Reed	Aireys Inlet Unsealed Roads Commented that he was disappointed with the decision of the jury and that he has discussed his concerns with the SCS engineers. Advised that engineers "agree with his summation of the situation, but say any progress has been blocked by local opposition including AIDA". Would like the matter revisited.	
3	28/10/13	Sunil Bhalla SCS	Advise that he is unable to attend the AIDA meeting on 1/11/13.	
4	31/10/13	Ian Godfrey	Members' comments on the Painkalac Fence Ian provided a summary of responses from AIDA members. Mickey Dewar and David Ritchie have offered to assist AIDA next year. Topics raised for further possible discussion: 1. Reduction in Council "works mania" / "creating suburbia" and stop raising rates so excessively. Council should establish community consultation to manage works on public land. 2. AIDA have banned buses from parking on GOR before bridge which prevents cars from parking there. 3. Helpful if AIDA addressed the chaos in Step Beach Carpark which needs a separate exit. Disappointed that AIDA and subsequently the Council / GORCC did not push to alter the car park. 4. Wondered is Freestones need and have a planning permit for the wall built out the front of the malt shop.	ALL
5.	6/11/13	EDO	Notice of Meeting for the Annual General Meeting on 28/11/13.	ALL
6.	6/11/13	SCS	7A Federal Street, Aireys Inlet Notice of Application for a Planning Permit to construct a dwelling. Objections due by 21/11/13.	BF/GJ
7	19/11/13	Phil Rosevear SCS	11A Pearse Road, Aireys Inlet Notice that the Planning Committee will consider the application on 25/11/13.	BF/GJ

CORRESPONDENCE IN CONTINUED

8	19/11/13	Matt Allen CFA BSW Region	Neighbourhood Safer Place – Aireys Inlet Advice that he has been working with the SCS to come up with some solutions and undertaking research regarding studies on how petrol bowsers react during bushfire events. To advise when information has been collated.	ALL
9	20/11/13	Geelong Heritage Centre	Storage of AIDA Archives Advice that GHC is able to offer storage of the archives. To be stored in a temporary facility for 2-3 years until the new facility is ready. Archives to be transferred either as Custodian of Material (allows AIDA access) or Deed of Gift (AIDA signs over the rights of the collection to GHC). To await further contact.	ALL
10	20/11/13	Phil Rosevear SCS	11A Pearse Road, Aireys Inlet Notice that the Planning Committee will consider the application on 25/11/13.	BF/GJ

12	25/11/13	Lisa Thomason SCS	Advise re meeting with Rose Hodge, Libby Coker and Margo Smith – 3/12/13 suggested.	
13	25/11/13	Michelle Warren SCS	7A Federal Street, Aireys Inlet Notice of receipt of AIDA's submission.	BF/GJ
14	27/11/13	Phil Rosevear SCS	11A Pearse Road, Aireys Inlet Advice that Council does not support the application and that a refusal would be on the grounds that “the proposed development will detract from the landscape and neighbourhood character of the area by way of intensity of development including site coverage and minimal boundary setbacks and therefore fails to achieve the objectives of the Neighbourhood Character Overlay (schedule 1) and the Aireys Inlet to Eastern View Strategy”.	BF/GJ
15	27/11/13	ARG Planning	11A Pearse Road, Aireys Inlet Advise that in preparation for the VCAT hearing, amended plans will be submitted which include: - Front setback increased to 9 m and 12 m at the first floor - Ground and first floor setback from dwelling to north boundary is 3 m and 2 m at the carport - Ground floor setback from dwelling to west boundary increased to 6.25 m - First floor setback from end of balcony to west boundary decreased to 5.5 m - Ground and first floor setback from dwelling to south boundary increased to 3 m	BF/GJ
