33	20/2/20	David Birrell	AIDA Summer Forum – Follow up questions Thanks for copy of questions. Item 4 will be a question on notice at the next Alcoa meeting. Advised that the consultation process was undertaken by DELWP and they have abrogated their responsibility. Concerned about the ongoing management of the greater GOR if this is the template.	ALL
34	20/2/20	Mark Gibbons Surf Coast Shire	Traffic Calming Request – Philip Street Request to be added to the request list and will prioritise this against other locations for consideration. Officers to carry out an initial traffic assessment in the coming weeks on Philip Street, including traffic counter tubes across the road. Will provide an update.	ALL
35	20/2/20	As Above	As Above Will ask that the assessment occurs around the Easter period which may reflect similar traffic flows to Christmas time.	ALL
36	21/2/20	Simon Loone Surf Coast Shire	Prosperous Places: What is the Economy we Need? Advice that Council is commencing a strategy called the <i>Prosperous Places Project</i> . Would like residents, community groups and businesses to share their thoughts on what would make the local area more prosperous. Provided a list of dates and places where community drop-in and local business sessions will be held. Will engage with businesses and locals between February and April. An on-line discussion paper will be available on the Surf Coast Shire website in March.	ALL
37	22/2/20	David Quin	Surf Coast Shire Council Subdivision Review Advised that the current review of the SCS representation on the VEC website breaks up the Aireys area, placing everything east of Painkalac Creek in the Anglesea Ward and everything to the west in the Lorne Ward. Asked if AIDA was considering a submission which close on 11/3/20. Would be able to provide assistance. Advised that these types of submissions normally require some sort of statistically based alternative proposal to that put forward by the VEC.	ALL

38	25/2/20	Penny Hawe Committee for Lorne	Discussion with AIDA Advised that Committee for Lorne (CfL) are active as strategic planners with the SCS and GORCC. It communicates with the public via a weekly column space in the Surf Coast Times and got \$20K from the SCS to do community consultation for the proposed structure plan revision. Friends of Lorne (FoL) are represented on CfL which comprises approximately 7-9 people including, FoL, the Traders Association and the school. Thinks CfL's remit will be similar to that of the Coastal Alliance.	ALL
39	25/2/20	Donna Groves Surf Coast Shire	Planning Permit Application Process – Painkalac Bridge Application Advised that the application is on advertising/referral. Objectors/submissions to the proposal will receive a letter outlining the next steps. There is no information available at present for use in AIDA's newsletter.	ALL
40	28/2/20	Sybill Burgess EA to Colleen White DELWP	AIDA Summer Forum – Follow up questions Advised that Colleen will respond to the questions by COB Monday 2/3/20.	ALL
41	2/3/20	Adam Rudy	Painkalac Valley Advised that a surveyor was in Bambra Road on 2/3 who reported that he had been employed by Blazing Saddles to look at the water runoff from the hillside properties onto the valley. CA told AR that BS had been complaining about this for months. It had nothing to do with the bridge the BS wanted the Shire to take responsibility for the runoff onto the valley. CA requested him to write to the Council.	ALL
42	4/3/20	Sybill Burgess DELWP	AIDA Summer Forum Provided answers to the questions put forward by AIDA	ALL
43	5/3/20	Thy Nguyen Maddocks Lawyers	Painkalac Valley Advised that Maria has been out of the office and has been unable to go through the draft advice. Hopes to get approved advice out by next week.	ALL
44	5/3/20	David Birrell	Anglesea Question on Notice – DELWP/Alcoa Community Provided a list of the questions and responses.	ALL
45	5/3/20	Simon Loone Surf Coast Shire	Prosperous Places – The Project Provided information on the online survey and meeting times and places.	ALL
46	5/3/20	Peter Forster ANGAIR	ANGAIR Meeting Advised that there was a good role up and the final session is on 22/3/20 at 10 am	ALL

## CORRESPONDENCE OUT

NO	DATE	TO	DESCRIPTION
1	6/2/20	Adrienne Clarke	Construction of a bridge across the Painkalac Creek Advised that AIDA's grounds for an objection will be shared with members. Hoping to have legal advice about the other valley issues by 7/2/20.
2	6/2/20	Planning Officer Surf Coast Shire	83 Great Ocean Road, Aireys Inlet (19/0329) AIDA's submission re the proposed development. - Suggested that Council could now recognise and remove the informal parking area and to undertake the landscaping works to connect the pedestrian route along the lane to the creek side. - Problem with limited car parking arising from the development density (4 shops and 4 residences comprising 12 double bedrooms). Proposal provides for 11 spaces when 16 would be required. - Over-development on relatively restricted site. 3 shop and 3 residence development would alleviate car parking issues. - Over height of 9.58 meters. Requested height pole assessment. - Asked if Council had followed up on the issue of contaminant risk from the underground petrol tank which was raised as a concern when a supermarket was proposed for the site.
3	7/2/20	Thy Nguyen Maddocks Lawyers	Painkalac Valley Hoping to receive advice today so it can be discussed at tonight's AIDA meeting.
4	9/2/20	Gary O'Loughlin	Construction of a bridge across the Painkalac Creek Advised that AIDA is putting together a dot point list of grounds for objection for distribution to members. Thanks for support.
5	10/2/20	Thy Nguyen Maddocks Lawyers	Painkalac Valley Advised that the Committee thought AIDA should offer to pay for their advice and letter to assist in the matter being prioritised.
6	10/2/20	Jacqui Arnott	Construction of a bridge across the Painkalac Creek Agree that the statement about the bridge being used for tours is challenging. Believes unauthorised bridge is still there and understands that Blazing Saddles are required to remove it. List of dot points for objection should be out to members asap. Thanks for support.
7	10/2/20	Donna Groves Surf Coast Shire	Painkalac Valley Issues Thanks for confirmation about AIDA's submissions.
8	11/2/20	AIDA Members	Objections re the Construction of a bridge across the Painkalac Creek Provided a list of the key issues identified as grounds for objecting to the planning application: 1. Application is not for the "simple replacement of an existing bridge". 2. Proposal will alienate public land and waterway for the applicant's sole use. 3. Proposed bridge will adversely impact tourism and public recreation. 4. Proposed bridge will compromise the visual amenity

			of the Painkalac Creek and its surroundings. 5. Proposed bridge will compromise the environment of the Painkalac Creek. 6. Proposed bridge will materially affect safety.
9	11/2/20	Peter Ashton Surf Coast Shire	Fire Traffic Management Advised that the AIDA AGM will be held on 4/4/20. Invited to attend and discuss the question of "What If" in relation to fires in the area and traffic management and evacuation plans. Relevant representative from other organisations (eg VicPol or Parks Victoria) could also be included. AIDA would promote the session. Asked if PA would be available and if so, who else should be invited.
10	11/2/20	AIDA Members	Construction of a bridge across the Painkalac Creek Provided some corrections to previous email and instructions on how objections could be done through the Council's eplanning portal.
11	12/2/20	Judith King	Painkalac Creek Bridge Advised that the email with a list of some of the issues was for members to use as they wished. AIDA's formal submission is still being finalised. Hopes that JK will put in a submission.
12	12/2/20	Peter Forster ANGAIR	ANGAIR Planning for the next 40 years Thanks and appreciate the invitation. Will attend the first session. May not be able to attend the second.
13	12/2/20	David Birrell	Meeting with AIDA Advised that Chris and Charlotte are able to meet David and others around 7 or 8 March. CA will follow up with Colleen.
14	12/2/20	Ian Stewart Surf Coast Shire	Dust – Philip Street, Aireys Inlet Advised about increasing dust problem in Philip Street. Asked if it would be possible to reduce the speed limit to 30kph on the unmade roads and install some traffic-calming infrastructure. Would support any further applications to be included in the Shire's Summer Dust Suppression program. Requested that the Council make additional resources available during summer for problem areas.
15	12/2/20	Mary Anne Boyd-Squires	As Above Provided with a copy of the letter to Ian Stewart.
16	13/2/20	Planning Applications Surf Coast Shire	Planning Application 19/0409 – Construction of a Bridge over the Painkalac Creek Advised that AIDA will lodge a submission on 14/2/20.
17	13/2/20	Peter Ashton Surf Coast Shire	Fire Traffic Management Thanks for advice. Will wait to hear who will attend the AGM before any putting out any publicity. Asked if the policeman would be invited.
18	13/2/20	Mary Anne Boyd-Squires	Dust from unsealed roads – Philip Street Thanks for email. Will advise her of any response. Thanks for sending an objection to the construction of the bridge over the Painkalac Creek.
19	13/2/20	Graham Hobbs	Construction of a Bridge over the Painkalac Creek Advised that the submission can be sent to him after completion and that Council must accept all submissions received before they make their decision. CA to send Graham her personal submission.

20	13/2/20	Gary O'Loughlin	Construction of a Bridge over the Painkalac Creek Thanks for sharing his submission. Great to see such strong community opposition to the proposal.
21	14/2/20	Graham Hobbs	Construction of a Bridge over the Painkalac Creek Thanks for copy of his objection.
22	14/2/20	Keith Baillie Surf Coast Shire	AIDA AGM Advised that the AGM will be held on 4/4/20 at 2.30 pm. Will be followed by a discussion about traffic management and evacuation plans in the event of bush fires. Peter Ashton is helping to organise the forum which will be advertised. Would be pleased if KB would attend and speak for about 5 minutes about any of Council's plans that could affect AIDA's area.
23	14/2/20	Margot Smith Tony Revell Clive Goldsworthy Surf Coast Shire	AIDA AGM Same advice about the AGM and forum. Pleased if they could attend the AGM and happy for them to speak as well.
24	14/2/20	Planning Department Surf Coast Shire	Construction of a Bridge over the Painkalac Creek – AIDA's objection to the Application Detailed submission provided and concludes that the proposal is not in the interests of the community or the environment. It is inconsistent with the Municipal Planning Strategy, Planning Policy Framework and inappropriately located and designed for protecting the environment values and public access of the Painkalac Creek and Valley. Unacceptable that public land be alienated for a single private business to the detriment of the rest of the community.
25	14/2/20	Margot Smith Tony Revell Clive Goldsworthy Surf Coast Shire	Construction of a Bridge over the Painkalac Creek Provided with a copy of AIDA's objection to the application.
26	15/2/20	Margot Smith Surf Coast Shire	AIDA AGM Acknowledged her attendance and look forward to seeing her at the AGM.
27	16/2/20	Roger Ganly	Construction of a Bridge over the Painkalac Creek Good that they will submit an objection.
28	17/2/20	Fraser Clatworthy DELWP	Construction of a Bridge over the Painkalac Creek Provided him with a copy of AIDA's submission.
29	17/2/20	Jo Birley GORT	Aireys Inlet Brand Manifesto and Moodboard SC advised that she thinks the "images will better inform the photography to produce images that will capture the spirit and soul of Aireys".
30	18/2/20	Joanne Young Acting EA to Keith Baillie Surf Coast Shire	AIDA AGM Thanks for advice. Good that KB will speak at the AGM.
31	20/2/20	Colleen White DELWP	AIDA Summer Forum – Follow Up Thanks for attending the Forum. Advised that a number of questions have been raised and her responses would be appreciated.

32	20/2/20	Thy Nguyen Maddocks Lawyers	Painkalac Valley Advised that an AIDA newsletter will be out soon and articles are due on 24/2/20. Asked how their advice and letter was progressing. Would like to provide members with some information. Advised that the application for a bridge for horses over the Painkalac was lodged in early January. AIDA and others have lodged objections. Can send Thy a copy of AIDA's objection.
33	20/2/20	David Birrell	AIDA Summer Forum Provided David with a copy of the questions for Colleen White and asked that it not be shared. Advised that Chris Ryan prepared the questions. CA would try and go to the Alcoa meeting on Monday.
34	20/2/20	Mark Gibbons Surf Coast Shire	Traffic Calming Request – Philip Street Thanks for response to have Philip Street considered for traffic calming measures. Look forward to update. Thanks for advice that an assessment be done around the Easter period which may reflect similar traffic flows to Christmas time.
35	22/2/20	David Quin	Surf Coast Shire Council Subdivision Review Thanks for advice. Committee to be consulted. Next meeting is on 6/3/20 when a decision would probably be made. Will advise. Advised that his expertise would be of great help.
36	22/2/20	Friends of Lorne Penny Hawe	GOR Coastal Alliance Discussion with AIDA Intention is for the Alliance to be a collaboration of GOR membership organisations who are interested in protecting hamlets along the GOR; reciprocal communications support and support of key events as appropriate; and the sharing of learning experiences. The interest of Friends of Lorne to a GOR Alliance will be discussed at the AIDA meeting in March. Asked Mary (Friends of Lorne) to prepare some points highlighting possible cross-community discussion on Climate Change and the forthcoming Royal Commission on all aspects of fire strategy as well as the focus and direction of FoL and remit relative to Committee for Lorne.
37	24/2/20	Thy Nguyen Maddocks Lawyers	Painkalac Valley Advised that it would be appreciated if AIDA could be provided with the advice so it can be included in the newsletter.
38	24/2/20	Donna Groves Surf Coast Shire	Painkalac Bridge Application Requested information about what the decision-making process will be and if a report and recommendations will to Council or if a decision will be made by the planners. Would like to include this in the AIDA newsletter. Also asked if submissions were still being accepted and how many had been received.
39	28/2/20	Jo Birley GORT	Meeting with AIDA on 6/3/20 Confirmed that the meeting will be on 6/3/20 at the Aireys Community Centre.

40	28/2/20	Sybille Burgess DELWP	AIDA Summer Forum – Questions Thanked SB for advice.
42	3/3/20	Janet Harvey	AIDA and the GOR Coastal Alliance Advised that AIDA thinks that collaboration would provide the many communities along the coast with a stronger voice and some practical reciprocal benefits.
43	3/3/20	Jo Birley GORRT	Meeting with AIDA Thinks there should be an informal discussion. Suggested there be a brief update and comment on some of the concerns and take any questions from the Committee. Look forward to seeing Jo and Liz on Friday.
44	4/3/20	Sybille Burgess DELWP	AIDA Summer Forum – Follow Up Questions Thanks for response and thank Colleen. Will get back if necessary.
45	5/3/20	Thy Nguyen Maddocks Lawyers	Painkalac Valley Thanks for advice. Would like to receive the advice by meeting on Friday.
46	5/3/20	Peter Forster ANGAIR	ANGAIR Meeting Apologised for not attending the meeting.
